Dear Citizens of Albuquerque,

The Office of Inspector General (OIG) is providing this update regarding the status of our investigations since the last Accountability and Government Oversight Committee (AGOC) meeting held on November 14, 2024. The OIG currently has nine (9) reports pending that deal with fraud, waste, or abuse that impact our City. Some of these reports have been completed for months without citizen awareness. Unfortunately, the AGOC meeting held on March 26, 2025, was cancelled before the reports could be presented. The AGOC meeting has been rescheduled for April 9, 2025. The OIG expects to publish reports after their presentation to the AGOC in accordance with the Inspector General Ordinance.

The Office of Inspector General is dedicated to its mission of promoting a culture of integrity, accountability, and transparency throughout the City of Albuquerque to safeguard and preserve public trust.

Sincerely,

A handwritten signature in cursive script that reads "Melissa R. Santistevan".
