**Summary:**

Applicant Christine L. Ellison was in the process of remodeling an old tree house that has stood in her yard for years, when she was made aware of the need for this variance request.

I spoke with John Nellos, President of West Park N.A., who stated that he will be sending a letter in support of this project. Ab Potter, of Huning Castle N.A., indicated that his group would stand in support of any decision made by West Park N.A.

All parties agreed that there was no need for a facilitated meeting at this time.
