Meeting Specifics:

Add:

G)ii)4) Easement at SW Corner of Public Health Building: Jim Brown, Owner of the building currently leased to the Public Health Department, offered to vacate the easement at the SW corner of the property for additional landscaping to further address privacy issues, **if** the conditional use is approved by the City Council and any other entity deciding this issue. This offer does not extend to any possible subsequent applicant or application.

Frank Casalle stated he would use the land to put in additional trees to increase privacy for neighbors.
