External

Good morning Maria,

The COPS Office is changing to a new Grants Management System called JustGrants and a new payment management system called ASAP. The current system along with our Grants payment system is offline until October 15th.

Information was emailed to all current and new grantees. Training materials along with FAQs, and how to get prepared for the transition can be found at justicegrants.usdoj.gov.

Please let me know if you have any additional questions.

Thank you,

Alicia Pearson

Alicia:

Our legal department wanted a written email to confirm that we have until October 16, 2020 to accept the City of Albuquerque's COPS Hiring Grant. We had received approval until October 1, 2020 to accept the grant so they wanted a written confirmation that we had until October 16th. Thanks,

Best Regards,
