COVID-SAFE PRACTICES AT CABQ

- City is already serving the public in ways that observe social distancing, keep workers and the public safe, and deliver essential services.
- CABQ will limit overall capacity in buildings and facilities, and strictly follow CDC guidance and state public health orders on gathering sizes.
- Sign-in and reservation requirements enable contact traceable quarantine, and quarantine protocols are in place at each site.
- State Order requires staff and public required to wear masks unless eating, drinking, or exercising.
- Facilities will be regularly and extensively cleaned.
- Daily screening, including temperature testing, at each site.

SUMMER FOOD PROGRAMS LAUNCH TODAY

Summer Food Program Last Year:

- 81,240 breakfasts, 248,044 lunches

Summer Food 2020:

- Modified for public health
- 71 sites
- Staff must wear PPE and follow disinfecting protocol
- Grab & Go meals only
- Participants asked to wear masks for pickup

Summer meals are a critical part of families' food security.

As APS school-year program ends, City steps in to fill gap.

WHAT'S NEXT FOR SUMMER PROGRAMS

- Planned Summer Programs to track with phased re-opening
- Prepared to enter Phase 1 with 5:1 ratios
- Modified programs at reduced capacity, intended for families who must work and have no other childcare options
- Family and Community Services, Cultural Services, Senior Affairs, and Parks will all offer summer programs to give working parents an option for childcare
- Summer program sites remain closed to the general public per state public health order
- Measures we are already taking comply with the State Public Health Order include significantly reduced capacity, social distancing, hygiene and cleaning, PPE, screening, and sign-in/sign-out processes will facilitate a safe and engaging summer for thousands of Albuquerque

WHAT'S NEXT FOR CITY EMPLOYEES

- Most staff will begin returning to the office
- Continuing to follow successful APD protocol in other departments
- If an employee is found to be sick while at work:
 - All personnel will be evacuated from the work area
 - Personnel work remotely from home or alternate location
 - Personnel with direct exposure work remotely for 10 days
 - Negative test required before returning to work
 - Cleaning and sanitizing buildings or sections of buildings
- Supporting our employees - any city employee needing to isolate and wishes to isolate or quarantine somewhere other than their home can contact the EOC.
