What Number Should I Call?

WE'RE HERE TO HELP

NON-EMERGENCY
REPORTING
311

NON-EMERGENCY
POLICE
WFO # **242-COPS**

ANY & ALL
EMERGENCIES
911

Which number you dial is important. 911 is for situations with immediate risk, such as a shooting. 242-COPS is for situations with no immediate risk, but where law enforcement is needed, including minor traffic crashes. 311 to report non-emergencies, like graffiti, or to ask general questions.

THE CITY OF ALBUQUERQUE

National Night Out 2024

At the City of Albuquerque, public safety is our top priority. From investing in modern technology to help officers fight crime, to expanding our Community Safety Department to free up officers and firefighters, to making historic advancements in housing and homelessness, we're focused on fighting crime and making our streets safer.

CONTACT || NORTHWEST AREA COMMAND

Area Commander: Chris Patterson

A: 10401 Cibola Loop NW, 87114

P: 505-768-4850

Actions we are taking to make Albuquerque safer:

- Historic investments in APD, including increased cadet pay, raises for officers, retention incentives, and modern technology to help officers fight crime.
- Expanding Automated Speed Enforcement to reduce reckless speeding.
- Operating Albuquerque Community Safety 24/7 to reduce APD and AFR's call volumes and connect people to the help they need.
- The Gateway Center is serving 300 people a day, more services coming online to serve 1,000 people a day.
- Added 500 new streetlights across Albuquerque.
- Connected network of 15,000 cameras to the Real Time Crime Center.

GET INVOLVED

Looking for a way to make a difference? Apply for a job at the City, refer a friend, or volunteer your time!

- Homicides down 33% since 2022.
- Proactive APD operations to clear warrants, crack down on dangerous drivers, make buses and transit routes safer, and clean up the Central corridor.

Neighborhood Projects

In addition to public safety investments, we're making quality of life improvements. We're upgrading and building new community and multi-generational centers, improving parks and green spaces, transforming the greater downtown area with the Rail Trail, making generational improvements to the Sunport, BioPark and Balloon Fiesta Park, and upgrading roads and lighting all around town.

Projects in your area include:

Parks and Recreation:

- Petroglyph Little League
- Chantilly Dog Park
- Ventana Ranch Pickleball

Facilities for Families:

- Northwest Multigenerational Center

Roadways and Construction:

- Westside Boulevard Expansion
- Unser/Paseo del Norte Widening
- McMahon Boulevard Widening
- Traffic Calming at 7 Bar and at Milky Way
