Pursuant to DOJ Consent decree: Paragraph 111: The Advisory Committee shall analyze and recommend appropriate changes to policies, procedures, and training methods regarding police contact with individuals with mental illness. Paragraph 113: The Advisory Committee shall also be responsible for ...identifying training needs, and providing guidance on effective response to a behavioral crisis event.

2018 Accomplishments of MHRAC Training Sub-Committee and CIU:

- The combined MHRAC and CIU training committee continued to review and advise on improving the CIT and Academy behavioral health trainings.
- 108 officers, 6 civilians completed CIT (as of November 2018)
- 68 officers, 5 civilians completed eCIT (as of November 2018)
- 45 officers, 5 civilians completed recertification of eCIT
- The committee advised and reviewed the development of the eCIT recertification curriculum
- The CNT/SWAT Behavioral health curricula were reviewed and advised on by the committee, identifying ways to make material and concepts more accessible and person-centered. CNT/SWAT contractors have not to date provided these BH trainings to APD officers.
- The Albuquerque CIT model and curriculum was adopted by the police department of St. Paul, Minnesota.
- The Telecommunicator/911 operator behavioral health training was provided by CIU, with curriculum advised by committee. The NAMI CIT Peer and Family Panel was expanded as part of the training
- Training plans and curriculum for Mobile Crisis Team officers and therapists was reviewed and advised
- The Crisis Intervention Section achieved full staffing at 12 officers.
- A universal APD recommended form for use in Pick-Up Orders/Certificate for Evaluation was reviewed and amended.
- The NAMI CIT Peer and Family Panel for CIT trainings has been endorsed and adopted by NAMI national.
- The role-play acting process was reviewed and advisement made for actors to attend CIT peer panel.

Goals previously set for 2018 and status:

- Continued attention to NAMI CIT Peer and Family Panel protocol and developing standardized curriculum for NAMI National use. **Achieved with the acceptance of NAMI CIT Peer and Family Panel for development by NAMI National (with a DOJ grant) to become a “Signature**
Program” NM is one of 2 pilot states to review, train, and help create the final curriculum. The resulting program will be used nationally to train law enforcement through a presentation of Lived Experience.

- Support MHRAC training involvement with new APD administration. **Achieved**
- Work with APD BHD to identify how to apply the 40% eCIT expectation to a larger police force. **Still In process**
- Review BH curriculum for 311 operators. **Achieved**
- Engage with development of training for Mobile Crisis Teams. **Achieved/ongoing**
- Explore and identify what components of BH are, or should be, part of civilian Academy training. **Achieved/ongoing**
- Support engagement with other community resources on training, to facilitate cohesion and consistency across trainings provided by different entities within community. **Partially achieved with inclusion of veteran’s services, ECHO**

**Training Subcommittee Future Goals/Priorities (over 2019):**

- Continued attention to the progress, development and implementation of the NAMI CIT Peer and Family Panel Curriculum as a NAMI Signature Program for use by NAMI affiliates for CIT trainings nationally.
- Work with CNT/SWAT to develop their own training curriculum
- Advise APD on process of cadet/academy training by CNM.
- Work with APD BHD to identify how to apply the 40% eCIT expectation to a larger police force.
- Monitor training for expanded/ongoing Mobile Crisis Teams.
- Support engagement with other community resources on training, to facilitate cohesion and consistency across trainings provided by different entities within community.
