- CIP Ordinance	C-54

Consistent with the requirements of the Capital Improvement Program (CIP) ordinance, Mayor Timothy M. Keller hereby transmits the 2023 General Obligation Bond Program / 2023-2032 Decade Plan for city-wide capital improvements to the Environmental Planning Commission (EPC) for review and comment. The ordinance provides that EPC hold a public hearing and forward appropriate comments, findings and recommendations to the Mayor arising out of that hearing. For this cycle the public hearing is scheduled to take place on November 10, 2022. The deadline to submit findings to the Mayor is December 1, 2022.

This document contains a review of the adopted policies and criteria for selection of capital improvement projects. It also contains descriptions and summary tables for all proposed projects. The Capital Program for this cycle reflects the Administration's commitment to emphasize rehabilitation and deficiency correction, to preserve existing assets and to correct critical deficiencies. As shown in *Table 1* approximately 94% of the proposed capital program, excluding various mandated projects and programs, will be directed to rehabilitation and deficiency correction of existing or long planned systems. About 61% of the program will be for rehabilitation. Additionally, the administration has continued to emphasize the importance of projects that support the implementation/development of Centers and Corridors.

Mayor Keller is pleased to recommend this General Obligation Bond Program and Decade Plan to the EPC, and looks forward to the comments and recommendations of the commissioners and the public.

#### Rehabilitation and Deficiency Analysis 1

Funding Allocation Category	Proposed Funding	Rehabilitation	Percent of Rehab	Deficiency	Percent of Defic.	Total % R & D
DMD/Hydrology-Streets	\$47,100,000	\$24,500,000	52.02%	\$20,500,000	43.52%	95.54%
Parks & Recreation	\$26,550,000	\$21,740,000	81.88%	\$2,500,000	9.42%	91.30%

			City Council Review and Approval of 2023 General Obligation Bond Program 2023 - 2032 Decade Plan for Capital Improvements
	Nov	7	Municipal Election

Every two years, the City Council adopts policies and criteria for the evaluation of capital projects proposed to be included in the General Obligation Bond Program (G.O. Bond Program) and Decade Plan. On June 6, 2022, the City Council unanimously adopted R-22-22; Enactment No. R-2022-044 establishing policies and criteria for the 2023 Capital Program. On March 20, 2017, the City Council adopted R-16-108; Enactment No. R-2017-026, Adopting an updated Comprehensive Plan. On June 6, 2016, the City Council adopted O-16-9; Enactment No. O-2016-014, 2% set aside mandate for Open Space. On June 22, 2015, the City Council adopted O-15-52; Enactment No. O-2015-022, amending the 3% set aside for energy conservation and/or renewable energy projects. On January 4, 2012, the City Council adopted O-11-75; Enactment No. O-2012-001, amending the Workforce Housing Opportunity Act to continue workforce housing in the biennial general obligation bond program. Complete copies of this legislation may be found in Appendix C. Following is a summary of the provisions, of the Criteria Resolution.

#### 1. Capital Planning Policy

The criteria resolution establishes it is the policy of the City of Albuquerque that the Capital Program support the Albuquerque/Bernalillo County Comprehensive Plan, and adopted Growth Policy legislation. (see Appendix C, R-22-22, Page C-2, Section 2).

#### 2. Funding Criteria

The criteria resolution (Appendix C, R-22-22, Page C-2, Section 4) established funding allocation guidelines for each user agency based on a calculated bonding capacity of \$160 million.

During the planning process, the City performed a reevaluation of the underlying assumptions used to calculate bond capacity. This allowed an increase of \$40 Million, bringing the total bond capacity to \$200 Million.

The resolution also mandates several projects and programs that are required to be included in the 2023 G.O. Bond Program. Please refer to *Table 2* for a summary of funding allocations and recommendations, and for a summary of mandated projects and programs.

#### 3. Project Selection Criteria

Specific project selection criteria were adopted in R-22-22 for each funding allocation category. To review these criteria in detail, please refer to Appendix C.

#### 4. Minimize Operating Budget Impact

In order to minimize the impact of capital projects on the operating budget, to emphasize the preservation of existing assets, and to correct critical deficiencies, the criteria resolution established a goal that 90% of the G.O. Bond Program be restricted to rehabilitation and deficiency correction projects. It further established a goal that 55% of the 90% be directed to rehabilitation projects. In fact, about 61% of the proposed G.O. Bond Program is associated with rehabilitation projects and a total of about 94% of the program is for a combined deficiency correction and rehabilitation projects.

### 2023 General Obligation Bond Program - Funding Allocation Chart

Department / Division	Allocated	Proposed 2023

#### 5. Project Categorization

As part of the planning process, it is required that projects be categorized as: growth, rehabilitation, deficiency, or mandate. These categories are defined as follows:

- Growth: New facilities, component additions, or system upgrades that provide service or capacity for new customers (defined as customers not currently using the system); or that restore needed reserves previously used to support new users.
- Rehabilitation: Projects that extend the service life of an existing facility or system, or that restore original performance or capacity by rehabilitating or replacing system components.
- <u>Deficiency</u>: Projects that correct inadequate service, provide system backup capability, or minimize downtime or loss of service ability.
- Mandate: Projects that are required in order to comply with regulation(s) of federal, state, or local jurisdictions.

#### 6. High, Medium, and Low Priority Projects

All projects proposed for the 2023 G.O. bond cycle are required to be rated by a staff committee using the criteria provided in R-22-22. The ratings shall be divided into high, medium, and low priority. (Table 3)

Funding Allocation	Department/Division	Project Name	Amount	SVI	Avg. Rating
		High Ranked Projects			
Community Facilities	Economic Development	Rail Yards	\$3,000,000	83.10	439

### Project Planning, Selection and Approval Process

For the 2023 general obligation bond program, City departments submitted a little more than \$250 million in project requests. The objectives of the project planning and selection process are to:

- evaluate, rate and rank those projects according to the criteria described in the foregoing section;
- present ranked projects to senior city management;
- ensure that the recommended amount of the general obligation bond program conforms to the available funding;
- make the capital program available for public comment; and
- place the general obligation bond program on the ballot for voter approval.

The capital improvement ordinance establishes the following steps to achieve these objectives:

#### Staff Committee Review

During the summer of 2022, staff from the Department of Municipal Development, Office of Management & Budget, Family & Community Services, Parks & Recreation, Arts & Culture, Planning, and the Office of Equity and Inclusion reviewed, rated and ranked departmental project requests according to the criteria established in R-22-22. These criteria may be found in Appendix C. Members of the staff committee are identified in Appendix A-1.

#### CIP Committee Review

During the late summer of 2022, ranked projects were evaluated by senior city management (CIP Committee.) In order to conform to the available funding, and to the policies, priorities, and criteria established in R-22-22, some project requests were reduced, and some were deferred to future years. Members of the CIP Committee are identified in Appendix A-2.

#### **Environmental Planning Commission Public Hearing**

After the Mayor has approved the CIP committee recommendations, the CIP ordinance provides that the program must be forwarded to the Environmental Planning Commission (EPC) and EPC must hold a public hearing. EPC is empowered to make recommendations to the Mayor. The Mayor, by ordinance, is empowered to decide whether or not to accept those recommendations. The purpose of this document is to obtain EPC review and recommendation of the G.O. Bond Program.

#### City Council Review and Plan Adoption

Upon receiving recommendations from the EPC, the Mayor will finalize his recommendations and forward the 2023 capital program to the City Council. By ordinance the Council must also conduct at least one public hearing. As the governing body of the City of Albuquerque, the City Council has the responsibility to finalize the plan that will be placed on the ballot.

#### Voter Approval

All general obligation bonds must be approved by the voters in the municipal election. Funding from approved bonds generally becomes available about six months following voter approval.

Project Title	2023	Scope
		Hydrology
NPDES Stormwater Quality MS4 Permit Compliance (EPA Requirement)	\$2,500,000	Plan, design, acquire property, purchase related equipment, construct, and otherwise make improvements necessary to ensure compliance with the EPA MS4 Permit. Actions to ensure compliance may include, but are not limited to; public education programs, stormwater monitoring, design, and construction of storm facilities; inspection of facilities to ensure compliance.
South Broadway Master Plan Project	\$1,000,000	Plan, design, acquire rights of way, construct, furnish, and otherwise make improvements necessary to implement the recommended improvements identified in the South Broadway Drainage Master Plan for Barelas Pump Station. Activities may include, but are not limited to; right of way acquisition, utility relocations, drainage inlets, and small equipment/furnishings associated with the project.
Storm System Water Quality Facilities and Low impact Retrofit for Municipal Facilities	\$1,000,000	Plan, design, construct, furnish, install, and otherwise provide for implementation of Best Management Practices for facilities and related improvements to improve stormwater quality. Activities may include, but are not limited to; right of way acquisition, utility relocations, drainage inlets, and small equipment/furnishings associated with the project.
Pump Station Rehab.	\$1,000,000	Plan, design, acquire rights of way, construct, and purchase equipment necessary for storm and pump station rehabilitation activities including, but not limited to, site flows in the South Broadway Storm basin.
Emergency Action Plans and Rehabilitation for City Dams	\$300,000	Plan, design, acquire property, construct, and purchase related equipment, including Information Technology, required to develop Emergency Action plans for City owned jurisdictional and non-jurisdictional dams, developing inundation mapping, and evacuation mapping for emergency operations.

Project Title	2023	Scope
Advanced Planning	\$300,000	To improve and provide for long-term planning, engineering, and drainage management studies to assist in providing logical and meaningful storm drainage projects. Activities may include, but are not limited to; planning, land acquisition, design, and construction of smaller individual projects citywide.
Sub-Total	\$6,100,000	
		Streets
Reconstruct Major Streets and Major Intersections	\$4,300,000	Plan, design, acquire rights-of-way, construct, maintain, purchase equipment, and otherwise improve intersections and arterial roadways throughout the City including, but not limited to, lighting and landscaping. This is an on-going project and provides the funding necessary to address priorities of the Administration and Council and in coordination with existing conditions of particular roadways.
Major Paving Rehab.	\$4,000,000	Plan, design, acquire rights-of-way, construct, renovate, and repave streets that are or are near the end of their life expectancy: plan, design, acquire rights-of-way, and renovate bridges and major intersections. This is an on-going project based on the service life of asphalt of 20 years and an inventory of over 4,600 lane miles of roads.
ADA Sidewalk Improvements	\$2,000,000	Plan, design, acquire rights-of-way, construct, and otherwise improve sidewalk and curb ramp facilities in compliance with ADA and PROWAG regulatory requirements, and as required by FHWA, in order to continue to receive federal funding for projects with projects implemented from the ADA Accessibility Study, which was also required by FHWA.

Project Title	2023	Scope
Advanced Right of Way Acquisition	\$1,000,000	Purchase rights of ways for arterial and collector roadways as designated in the approved Long Range Major Street Plan, where the early purchase is economically prudent or where the preservation of rights-of-way for completion of arterial or collector roadways is necessary to ensure development of the major street system. The Unser and Paseo del Norte roadway projects will require purchase of over 40 parcels for these projects alone.
McMahon Blvd.	\$2,000,000	Plan, design, acquire rights of way, construct, and otherwise improve McMahon between Kayenta and Rockcliff, to include, but not limited to; storm drainage improvements, ADA, lighting, landscaping, and Complete Streets concept implementation. Funds to be combined with previous 21 G.O. funding and \$600K in state capital outlay funding.
Advanced Transportation Planning and Engineering	\$600,000	Plan, design, data research, aerial mapping, survey, real estate research for engineering projects, concept design, and other activities as necessary to facilitate the rights-of-way acquisition process for streets and storm drainage projects, and also in the event that federal grant writing and analyses that may be necessary in order to apply for Infrastructure federal funding.
Albuquerque Traffic Management System/Intelligent Traffic Systems (ITS)	\$1,000,000	Plan, design, construct, replace, expand, upgrade, install, and otherwise improve the Albuquerque Traffic Management System/Intelligent Traffic Systems (ITS). Purchase heavy equipment and computer systems required for the operation of ITS and all Automated Traffic Signal Performance Measures (ASTPM) facilities and the Regional Transportation Management Center. Funds are also needed to provide match requirements for currently programmed federal funding for ITS and ATS PM projects. 100% of these funds will support improvements on corridors and/or in activity centers.

# Municipal Development

Project Title	2023	Scope
Bridge Repair	\$800,000	Plan, design, acquire rights of way, repair, construct, improve, and/or reconstruct bridge facilities throughout the City and purchase related equipment. NMDOT provides bridge inspection reports for the City and annual inspections by NMDOT are used to determine specific program needs.
Intersection Signalization	\$2,000,000	Construct, install, modify, upgrade, and otherwise improve existing traffic signals/intersection control. Purchase related equipment and information technology required for the operation of the intersection signalization. 100% of this work will support improvements on corridors and/or activity centers.
Mandatory Traffic Sign Replacement/Pavement Markings for Federal Mandate	\$1,500,000	Plan, design, inventory, and replace regulatory and informational street signs to meet current Federal requirements. This program is the only alternative to meet the requirements imposed by FHWA.
Median and Interstate Landscaping	\$5,000,000	Plan, design, improve, install, and construct landscaping and aesthetic improvements on city streets and interstate facilities. This project is expected to continue in subsequent years until all City medians are landscaped. Funding for interstate landscaping leverages 2.5 percent of State DOT roadway projects within the City limits.
Pavement Signs and Markings	\$2,500,000	Plan, design, inventory, improve, install, and/or implement pavement markings and replace regulatory and informational street signs to meet Federal requirements. Purchase related equipment and computer systems required to implement requirements.
Replace Street Maintenance Equipment	\$1,200,000	Replace equipment associated with street sweeping for safety, air quality, NPDES compliance, and unpaved road maintenance, including, but not limited to; surfacing of dirt roads and repairs due to storm and shoulder maintenance, concrete repairs including requests for installation of ADA facilities, pavement maintenance including pothole repairs, and preparation of contract maintenance.

Project Title	2023	Scope
Vision Zero Program and Activities	\$1,500,000	Plan, design, acquire rights-of-way, construct, and otherwise implement projects, planning, engineering, and other strategies related to Vision Zero. Including, but not limited to: planning, design, and construction of roads on Albuquerque's high fatal and injury network (HFIN) to implement safety countermeasures or other Vision Zero strategies; implementation of interim or "quick build" techniques on the HFIN or newly identified recurring crash locations; education and outreach; and partnerships with local communities through Vision Zero or safety related events and programming.
University and Lomas Intersection	\$2,000,000	Plan, design, acquire rights-of-way, construct, and otherwise improve roadway configuration including the replacement of asphalt with concrete at the intersection, to include, but not limited to, ADA compliant facilities and Complete Streets concept implementation.
Neighborhood Traffic Management Program	\$200,000	Design, improve, conduct transportation planning, and environmental and engineering evaluations which may include, but not limited to; data research, traffic needs, traffic calming, preliminary plan layout, aerial mapping, design, construction activities, and other activities as required. Staff completes traffic calming efforts in conjunction with the City's Traffic Calming policy- Streets Traffic Enhancement Program (STEP). A majority of this work will support improvements on streets and/or in activity centers.
Safety and Intersection Improvements	\$1,500,000	Plan, design, acquire rights-of-way, construct, and otherwise improve and install safety and intersection improvements. Purchase related equipment and computer systems required for the safe operations of the street system. The majority of this work will support improvements on corridors and/or in activity centers.
Intersection Level of Service	\$500,000	Plan, study, perform intersection level of service analysis, design, construct, and otherwise improve signalized intersections throughout the city to improve the level of service as it relates to operations.

# Municipal Development

Project Title	2023	Scope
Public Works Funding	\$500,000	Plan, design, acquire rights-of-way, construct, and otherwise improve streets.
University Boulevard	\$2,500,000	Plan, design, acquire rights of way, design, construct and otherwise improve University Boulevard, between Crick Ave. and Rio Bravo Blvd.
Street Lighting	\$2,000,000	Plan, design, acquire rights of way, construct, purchase, install, and otherwise improve street lighting city-wide.
Trails and Bikeways (5% Mandate)	\$2,400,000	Plan, design, study, acquire rights-of-way, construct, and otherwise improve trails and bikeway facilities citywide. The amount requested is mandated to be 5% of the Streets purpose.
Sub-Total	\$41,000,000	
Total	\$47,100,000

Total	\$3,250,000	

The Component Capital Improvement Plan (CCIP) is the capital program financed with revenues from impact fees. An impact fee is a one-time charge imposed on new development to help fund the costs of capital improvements that are necessitated by and attributable to new development. Impact fees may not be charged retroactively and may not be used for maintenance or repair.

The City Council adopted revised impact fees for four infrastructure types on November 19, 2012 (F/S O-12-38).

- Roadway Facilities
- Storm Drain Facilities
- Parks, Recreation, Trails and Open Space Facilities
- Public Safety Facilities

The impact fee planning process took approximately one year. The fees were developed by a consulting team and were reviewed by a citizen committee that included developers, neighborhood association representatives and members of civic organizations.

The CCIP plan reflects the projects that will be built with impact fees as revenues are collected over the next 10 years. It should be noted that impact fees are not the only funding sources needed to complete the described projects.

#### 2018-2022 Consolidated Plan Description, Objectives, and Budget

The Consolidated Plan establishes Albuquerque's five-year programming and funding strategies for addressing the identified housing, public service, public facility, public improvement and economic development needs of some of the City's most vulnerable populations. The 2018-2022 Consolidated Plan consists of a Housing Needs assessment including an assessment of the housing needs of the City's homeless population and a discussion of the City's Public Housing Inventory, a Housing Market Analysis, as well as discussions and analysis of the City's Fair Housing issues, analysis of the housing and community development needs of the City's "Special Needs" populations, an anti-poverty strategy, and a discussion of the Community Development Division's geographic priorities. The 2018-2022 Consolidated Plan is valid until June 30, 2023.

Also included in the 2018-2022 Consolidated Plan is a five year Budget for the planned expenditure of the City's HUD Entitlement grants including monies form the HOME Investment Partnerships Grant Program (HOME), the Community Development Block Grant Program (CDBG) and the Emergency Solutions Grant Program (ESG). The Plan also includes how the Division plans to spend the City's Workforce Housing Trust Fund (WFHTF) bond monies as well as a portion of the City's general fund.

#### **Priority Needs**

- 1. Assessment of Fair Housing (AFH) Factor 1: Location and type of affordable housing
- AFH Factor 2: Availability of affordable units in a range of sizes
- 3. AFH Factor 3: Availability, type, frequency and reliability of public transportation
- AFH Factor 4: Availability of affordable, accessible units in a range of unit sizes
- AFH Factor 5: Location of employment
- AFH Factor 6: Location of proficient schools
- AFH Factor 7: Access to safe neighborhoods
- AFH Factor 8: Access to low poverty neighborhoods
- 9. AFH Factor 9: Community opposition
- AFH Factor 10: Lack of private investment in specific neighborhoods
- 11. AFH Factor 11: Lack of assistance for housing accessibility modifications
- AFH Factor 12: Private discrimination
- AFH Factor 13: Lack of affordable integrated housing for individuals in need of supportive services
- Need for homeownership assistance
- 15. Need for new / improved public facilities and infrastructure
- Need for public services
- Need for economic opportunity for Low Income Residents

## 2018-2022 Planned Expenditures by Category, Needs, Funds, and Goals

	Goal Name	Start	End	Category	Geographic Area	Needs Addressed	Funding	Goal Outcome Indicator		
1.	Affordable Housing Development – Rental  (AFH Goals 1 & 4)	2018	2022	Affordable Housing	Investment Areas Investment & Reinvestme nt Areas	Priority Needs 1-10, 12-13	CDBG: \$2,000,000 HOME: \$6,666,981 WFHTF: \$11,565,154	Rental units constructed/Household housing units: 120 (in high opportunity areas)  Rental units constructed/Household housing units: 60 (permanent supportive housing)		
	and ethnically of Increasing afford public transit, lo employment op housing develop the City's most v	Description: Address disproportionate housing needs, the needs of residents living in racially and ethnically concentrated areas of poverty and facilitate access to low poverty areas by: 1) Increasing affordable housing options in high opportunity areas, which may be defined as near public transit, low crime areas, areas with proficient elementary schools and areas with employment opportunities; 2) Increasing the percentage of affordable accessible units in new housing developments from 5 percent to seven percent; and 3) Increasing housing available to the City's most vulnerable residents, including people with severe mental illness, bad credit ratings, eviction history and criminal records. Provide HOME funds for CHDO Operating Assistance.								
2.	Affordable Housing Preservation – Rental	2018	2022	Affordable Housing	Investment & Reinvestme nt Areas	Priority Needs 1 and 8	CDBG: \$5,000,000 HOME: \$2,000,000	Rental units rehabilitated/ Household housing units: 250 (in areas in need of reinvestment)

#### Centers & Corridors

Albuquerque/Bernalillo County Comprehensive Plan R-16-108; Enactment No. R-2017-026; C/S R-17-213; Enactment No. R-2017-102 and C/S O-17-49; O-2017-025 establishes City policy with respect to Centers and Corridors. These resolutions amend and strengthen policy previously established in the Albuquerque/Bernalillo County Comprehensive Plan. Please refer to the map on next page for the adopted locations for Centers and Corridors.

#### Key objectives of this policy are:

- Mixed Use. For major centers, significant employment and relatively high floor area ratios; multi-unit housing; region serving as well as supporting retail/commercial uses. For community scale centers, lower employment levels; smaller scale multi-unit housing.
- Buildings well connected to the street and pedestrian ways, with shade and seating. Relatively large, automobile-dominated retail/commercial buildings should not be in activity centers, but rather in other commercial areas easily accessible by major streets, unless designed to mitigate negative effects on pedestrian movement and community scale.
- Parking which is visibly unobtrusive, supportive of pedestrian connections and shared among adjacent uses where possible.
- Convenient, visible, high amenity transit shelters connected with pedestrian movement;
   pedestrian ways should be designed to attract and encourage pedestrian activity.
- Design of streets in Activity Centers, Major Transit and Enhanced Transit Corridors should emphasize transit and pedestrian access and safety.
- Transit Service. For major centers, should be highest level, especially during peak, and significant level off-peak through midnight as well. For community scale centers, level of service should be less than for major centers, but still a significant level, especially during peak.

#### Key policy objectives for defining and creating corridors are:

#### Express Corridor

- Full access control
- Faster travel speeds for auto and limited stop transit
- Development focused in activity nodes

#### Major Transit Corridor

- Transit service with short headways
- Dedicated bus lane
- Development densities and form promote walking to transit

#### Enhanced Transit Corridor

- Peak hour transit travel speeds competitive with automobile
- Priority treatments for buses at intersections
- Development densities and form promote use of transit, especially at activity nodes

Appendix C: Legislation

# CITY of ALBUQUERQUE TWENTY FIFTH COUNCIL

COUNCIL BILL NO. R-22-22 ENACTMENT NO. 3-2022-044 SPONSORED BY: Isaac Benton, Brook Bassan, Pat Davis 1 RESOLUTION ESTABLISHING PRIORITIES FOR THE 2023 CAPITAL IMPROVEMENTS PLAN; 2 3 DEFINING THE CRITIERA TO BE USED IN RATING PROJECT PROPOSALS: 4 ASSIGNING WEIGHTS TO THE CRITERIA; ALLOCATING AMOUNTS FOR DIFFERENT PURPOSES WITHIN THE 2023 GENERAL OBLIGATION BOND 5 6 PROGRAM. 7 WHEREAS, Chapter 2, Article 12, R.O.A. 1994, the capital improvements 8 ordinance, requires the preparation and submittal to Council of a ten-year plan 9 for capital expenditures; and WHEREAS, it is necessary that government prioritize capital funding for 10 -Bracketed/Strikethrough-Material-] - Deletion +Bracketed/Underscored Material+] - New 11 public safety and basic infrastructure; and 12 WHEREAS, the ten-year plan's proposed projects must be ranked through 13 a priority setting system; and 14 WHEREAS, the review and ranking process provides the City Council and 15 the Administration the opportunity for a biennial review of capital needs 16 throughout the City of Albuquerque; and 17 WHEREAS, the City of Albuquerque has adopted 5-Year Goals and 1-Year 18 Objectives, which are incorporated in the priority setting system; and 19 WHEREAS, the City of Albuquerque has adopted the 20 "Albuquerque/Bernalillo County Comprehensive Plan"; and 21 WHEREAS, the City of Albuquerque has adopted various measures related 22 to growth policy; and WHEREAS, the City Council may provide policy direction through the 23 development of criteria to be used in ranking and selecting projects for 24 proposal to Council. 25

1	BE IT RESOLVED BY THE COUNCIL, THE GOVERNING BODY OF THE CITY OF
2	ALBUQUERQUE:
3	Section 1. The amount of the 2023 General Obligation Bond Program is
4	estimated to be \$160,000,000.
5	Section 2. Policy Statement regarding the 2023 General Obligation Bond
6	Program: Consistent with the CIP ordinance, it is always the policy of the City
7	of Albuquerque that the capital program supports the Albuquerque/Bernalillo
8	County Comprehensive Plan and adopted growth policies. For the two-year
9	2023 general obligation bond program, it shall be the policy of the City of
10	Albuquerque to emphasize infrastructure and facility improvements that
11	support the rehabilitation, deficiency correction and/or development of
12	designated activity centers or corridors and to support projects that
13	contribute to economic development within these areas. All City User
14	agencies shall review their 2021-2030 Decade Plan for capital improvements
15	and give priority to projects that support the implementation of policy outlined
16	in Council Bill R-16-108 (Enactment No. R-2017-026) regarding Centers and
17	Corridors.
18	Section 3. It shall be the policy of the City of Albuquerque that a goal of
19	approximately 90 percent of the 2023 General Obligation Bond Program and
20	Decade Plan shall be for rehabilitation and deficiency correction of existing
21	facilities and systems. Of the 90%, a goal of 55% should be dedicated to
22	rehabilitation. Rehabilitation shall be defined as shown in Section 6B below.
23	Section 4. The allocation of the \$160,000,000, 2023 General Obligation
24	Bond Program shall be approximately:
25	A. 30% (approximately \$48M) to the Streets and Hydrology (Storm
26	Drainage) Divisions, Department of Municipal Development;
27	B. 10% (approximately \$16M) to the Parks and Recreation Department;
28	C. 10% (approximately \$16M) to the Public Safety Department, including
29	ABQ Community Services, the Albuquerque Police, and Albuquerque Fire
30	Rescue;

- D. 3% (approximately \$4.8M) to the Transit Department;
- 32 E. 5% (approximately \$8M) for Affordable Housing/Homelessness;

- 1 F. 30% (approximately \$48M) to all other Community Facilities,
- 2 including the Arts & Culture Department; Department of Municipal
- 3 Development (Facilities, Energy, Security and Parking Divisions); Economic
- 4 Development Department, Environmental Health Department; Family and
- 5 Community Services Department; Finance & Administrative Services;
- 6 Planning Department; General Services Department; Senior Affairs and the
- 7 Department of Technology & Innovation Services;
- 8 G. 5% (\$9M) to the Council-Neighborhood Set-Aside Program, such
- 9 projects to be identified for inclusion in the general obligation bond program
- 10 by the district Councilor, subject only to the approval of the full Council.
- 11 These projects shall further the adopted City policies as expressed in this
- 12 legislation;

14

- H. 3% (\$4.8M) for energy efficient projects;
  - 3% (\$4.8M) for Open Space Land Acquisition;
- 1% (\$1.6M) of each bond purpose for art in public places.
- Section 5. The criteria attached hereto are derived from the legislation and policy cited in this resolution and shall be incorporated by reference in this resolution and used by city departments to determine which projects to propose for funding. The criteria shall be used by the Mayor to evaluate and select projects for submittal to the City Council in the 2023 General Obligation Bond Program and Decade Plan for capital improvements.
- Section 6. As part of the Capital Improvement Program planning process, the Administration shall categorize all projects in the Mayor's proposed decade plan as growth, rehabilitation, deficiency, or mandate as defined as follows:
- A. Growth: New facilities, component additions, or system upgrades that provide service or capacity for new customers (i.e. customers not currently using the system;) or that restore needed reserves previously used to support new users;
- 30 B. Rehabilitation: Projects that extend the service life of an existing 31 facility or system, or that restore original performance or capacity by 32 rehabilitating or replacing system components;

1	C. Deficiency: Projects that correct inadequate service, provide system
2	backup capability, or minimize downtime or loss of service ability;
3	D. Mandate: Projects that are required by federal, state or local laws
4	and or regulation(s).
5	Section 7. It shall be the priority of the City of Albuquerque in the 2023
6	General Obligation Bond Program to fund programs and projects in socially
7	vulnerable areas as identified by the Office of Equity and Inclusion and/or
8	geographically inequitable areas as indicated in Council Bill F/S R-20-85
9	(Enactment No. R-2021-007) regarding equity criterion.
10	Section 8. All projects proposed for the 2023 General Obligation Bond
11	Program shall be rated by a staff committee using the criteria attached hereto,
12	and hereby incorporated and made part of this resolution. The ratings shall be
13	divided into high, medium and low priority, and no more than 10% of the value
14	of the Mayor's proposed general obligation bond program funds shall be
15	allocated to projects with low priority ratings.

# Department of Municipal Development (Streets & Hydrology) Range Criteria Weight

#### Rehabilitation, and/or Protection of Existing Assets or Areas of the City

25%

#### Highest

- Supports the rehabilitation of infrastructure and/or facilities located within designated centers & corridors, as defined in the adopted Comprehensive Plan, R-16-108 and Integrated Development Ordinance O-21-60.
- Supports maintenance, and/or rehabilitation of streets or storm drainage facilities within the 1980 City boundaries, as in consistent with the City's 5-Year Goals/1-Year Objectives, or supports the requirements of the MS4 Permit.
- Replaces a critical facility or system, or component thereof, that has failed or is near failure.
- Supports/supplements an adequately functioning facility.
- Supports facilities that are not contiguous with the existing City.
- Initiates a new system or facility to deliver services not previously provided.
- Supports development that is not contiguous with the existing City.

#### Lowest

#### **Operating Budget Impact**

20%

#### Highest

- Retrofits capital facility with energy efficient systems, and/or makes use of alternative energy sources.
- Reduces the City's long term operations/maintenance costs.
- Leverages non-City revenues.
- Partners with non-City public or private sector organization in support of joint development.
- Uses operating resources shared by multiple City departments or agencies, and/or is projected to have exceptionally efficient life-cycle costs.
- Has no impact on general fund costs.
- Increases the City's general fund costs, but uses some participating funds from other agencies
  or sources to diminish the cost impact, and <u>demonstrably</u> improves service to the public.
- Increases the City's general fund costs.

#### Lowest

#### Enhancement and/or Deficiency Correction of Existing Assets or Areas of the City

20%

#### Highest

- Supports the rehabilitation of infrastructure and/or facilities located within designated centers & corridors, as defined in the adopted Comprehensive Plan, R-16-108 and Integrated Development Ordinance O-21-60.
- Supports correction of deficient facility anywhere in the City or supports the requirements of the MS4 Permit.
- Serves an infill area, and/or will stimulate infill development, and/or will support community revitalization, and is consistent with the City's 5-Year Goals/1-Year Objectives.
- Supports improved appearance of major unlandscaped arterial/interstate roadways.
- Supports bicycle transportation.
- Improves pedestrian mobility and/or the quality of the pedestrian environment.
- Supports development that is not contiguous with the existing City.

#### Department of Municipal Development (Streets & Hydrology) Criteria Weight Range **Economic Development / Community Revitalization** 15% Highest Helps to create jobs or to promote economic opportunity, or helps local business, especially within an Activity Center and/or Metropolitan Redevelopment Area, as defined in the adopted Comprehensive Plan, R-16-108 and Integrated Development Ordinance O-21-60. sheltered, safe, healthy, and educated.

OBJECTIVE 1. Cultivate meaningful public and private partnerships to diversify programming opportunities for youth and families to include new initiatives to create pathways to economic self-sufficiency and educational opportunities related to career pathways. Update SharePoint with status by end of FY/23. (Family Community Services)

OBJECTIVE 2. The Gateway Center at Gibson Health Hub will begin operations in FY/23, and will provide low-barrier, trauma-informed shelter along with services to meet people where they are at, using a client-centered approach to support individuals' paths to housing stability. Update SharePoint with status by end of FY/23. (Family Community Services)

OBJECTIVE 3. The division of Behavioral Health is working in collaboration with Bernalillo County to develop a joint strategic plan to address behavioral health gaps. The City & County jointly commissioned a system gap analysis (https://www.cabq.gov/family/news/city-of-albuquerque-bernalillo-county-system-gap-analysis) that was published on June 2021. DFCS is building upon this analysis collaboratively with the County to identify and develop strategic impact areas to reduce gaps in behavioral health services. Our goal is to work to connect, coordinate, nurture, manage, and make existing and any new resources readily known and available to service consumers. Update SharePoint with status by end of FY/23. (Family Community Services)

OBJECTIVE 4. Conduct an evaluation of recreation, wellness and meal satisfaction to inform the Department on the needs of the aging population. Update SharePoint by the third quarter FY/23. (Senior Affairs)

OBJECTIVE 5. Work to address isolation among seniors in our community through existing and new innovative programs through recreation, intergeneration, volunteers and home meal delivery. Update SharePoint by the fourth quarter FY/23. (Senior Affairs)

OBJECTIVE 6. To increase partnerships to address housing issues that impact the senior population. Update SharePoint by the fourth quarter FY/23. (Senior Affairs)

PUBLIC SAFETY GOAL: The public is safe and secure, and shares

responsibility for maintaining a safe environment.

OBJECTIVE 1. The new Veterinary Clinic will allow low income clientele to finally receive the care for their pets they need in a timely fashion, and affordably. More sterilized and vaccinated pets mean less strays filling the shelters, roaming, causing public safety hazards, as well as less disease in our pet populations in the city, and less pet overpopulation. The outcome will be reported in SharePoint by the end of FY/23. (Animal Welfare)

OBJECTIVE 2. Develop an annual maintenance plan for maintenance, repairs, renovations and facility cleaning. This plan will ensure that all facilities' needs are completed in a consistent and timely manner. This will provide an appropriate level of public safety and environmental protection for the humans and pets that go through our shelters. The outcome will be reported in SharePoint at the end of FY/23. (Animal Welfare)

OBJECTIVE 3. Develop an Animal Protection Officer Academy, which will include all of the original training methods as well as customer service, de-escalation and investigative report writing. This Academy will improve the image of AWD's APOs and create a recruiting opportunity for the Department to fill these hard to fill positions. Being fully staffed and trained decreases response time and increases the safety of pets and community members. The outcome will be reported in SharePoint at the end of FY/23. (Animal Welfare)

OBJECTIVE 4. Develop a Communication process and SOP for afterhour emergencies in collaboration with AFR, APD and EHD when it involves pets. This will provide AFR and APD officers the support they will need for them to focus on the emergency at hand. The outcome will be reported in SharePoint at the end of FY/23. (Animal Welfare)

OBJECTIVE 5. Develop an "adopt in place" virtual system that will allow potential owner surrenders to participate virtually in collaboration with AWD to get their pet adopted from the comfort of their own home in lieu of bringing them to the shelter. This program will increase the pet's chances of getting adopted, reduce kennel stress associated with shelter pets and reduce risk of contagious disease. The outcome will be reported in SharePoint at the end of FY/23. (Animal Welfare)

 OBJECTIVE 6. Increase our recruiting efforts for our hard to fill positions (i.e. commercials, billboards, job fairs, bus panels and industry websites). Hiring and retaining our essential positions is crucial to the safety of the community, our pets and our staff. Vacancy level is currently 25%. Goal is to reduce that level to below 20%. The outcome will be reported in SharePoint at the end of FY/23. (Animal Welfare)

OBJECTIVE 7. Begin Phase 1 of development of a Pet Cemetery.

Creating a pet cemetery for cremated shelter and community pets will reduce the number of deceased pets in our landfills, which is safer for the environment. It also allows four-legged family members to die with dignity.

The outcome will be reported in SharePoint at the end of FY/23. (Animal Welfare)

OBJECTIVE 8. In addition to meeting regularly with the ACS Stakeholder Committee members and additional community members, ACS will add a manager who will help build out a purposeful community engagement model. This includes meeting with partners and providers to better understand macro and micro level needs to be able to better serve community; build up contractual services with partners to strengthen long term care; find creative ways to collaborate on funding, projects, and large community outreach and interventions; and meet with national coalitions, organizations and other cities who seek interest in learning about the ACS model. Update SharePoint with status by end of FY/23. (Community Safety)

OBJECTIVE 9. As part of our ongoing public education campaign, achieve the following: 1) Increase development of public media products including commercials, billboards, bus stop wraps, and similar promotional spaces; 2) Increase media interviews and access; 3) Strengthen translation and dissemination of educational and promotional materials in other prominent languages in Albuquerque. Update SharePoint with status by end of FY/23. (Community Safety)

OBJECTIVE 10. As part of our plan to achieve sustainable funding, we will work to identify diversified revenue sources including grant opportunities. Update SharePoint with status by end of FY/23. (Community Safety)

OBJECTIVE 11. Employ a comprehensive training curriculum that includes evidence-based and strengths-based components of mental and 2 3 behavioral health such as de-escalation and motivational interviewing, safety 4 and first aid. The curriculum will be dedicated to improve, reinforce and maintain the capabilities of ACS responders, other City departments and 5 6 external partners to respond to the needs of Albuquerque's diverse populations and specific challenges. Update SharePoint with status by end of FY/23. (Community Safety)

OBJECTIVE 12. Develop a triage specialist team that is focused on supporting those in need by phone, providing information for those seeking to engage in services and helping dispatch the appropriate ACS response divisions to the right calls. This team will also support the upcoming launch of 988, a federal national crisis hotline. Update SharePoint with status by end of FY/23. (Community Safety)

OBJECTIVE 13. Improve the collection, analysis, and sharing of our data to achieve the following: 1) Strategically build capacity and pre-position Responders to assigned districts in order for them to build stronger relationships with community members; 2) Identify trends in response outcomes and community needs: 3) Increase transparency to the public regarding ACS operations. Update SharePoint with status by end of FY/23. (Community Safety)

OBJECTIVE 14. Develop and maintain an ACS Responder pipeline through educational and professional development opportunities to include incentives, tuition reimbursement, continuing education, and certificate programs by working in partnership with local universities, high schools, Workforce Solutions, professional associations and boards. Update SharePoint with status by end of FY/23. (Community Safety)

OBJECTIVE 15. Implement new positions to meet the ongoing demand of ACS Responders needed in the community. With additional staffing, our internal quality assurance process for alternative first responders will improve along with stronger data and less potential for burnout and turnover. Additionally, adding division managers and supervisors will allow for stronger clinical and operational supervision. Update SharePoint with

OBJECTIVE 16. Collaborate with other City departments to determine and implement a social health network platform that will facilitate a coordinated continuum of care where intake, referrals, case management, and community-level data insights are integrated, connecting CABQ social service departments and ACS with each other and with community partners. Update

SharePoint with status by end of FY/23. (Community Safety)

status by end of FY/23. (Community Safety)

OBJECTIVE 17. Improve emergency response by increasing ALS/Paramedic service throughout the city and improve unit response times. This objective will increase the number of AFR units that provide ALS/Paramedic response, increase paramedic staffing, and improve paramedic retention and training opportunities. Update SharePoint with status by end of FY/23. (Fire)

OBJECTIVE 18. Implement progressive technology and data management to continually improve fire department services. Improve response efficiency by analyzing data, developing plans, and implementing response configuration improvements that will minimize redundancies in the 911 system while maintaining community and firefighter safety. Update SharePoint with status by end of FY/23. (Fire)

OBJECTIVE 19. Enhance management of Albuquerque Fire Rescue capital resources to improve overall operations and service delivery to the community. This will add a lead mechanic to perform and track preventive maintenance on one of the most dangerous and essential units assigned to a structure fire, our aerial fire apparatus. Update SharePoint with status by end of FY/23. (Fire)

OBJECTIVE 20. Improve and expand our health and wellness programs to support the well-being of all members. Update SharePoint with status by end of FY/23. (Fire)

OBJECTIVE 21. Community policing incorporates a strong commitment to the value and necessity of citizen input. In order to promote the public safety goal where there is a shared responsibility for maintaining a safe environment, the Chief of Police will attend two Community Policing Council (CPC) meetings per Area Command for a total of twelve. Update the

SharePoint site by the end of FY/23. (Police)

OBJECTIVE 22. Community policing incorporates a strong commitment to the value and necessity of citizen input. In order to promote the public safety goal where there is a shared responsibility for maintaining a safe environment, the Deputy Chief of the Field Service Bureau will attend one Community Policing Council (CPC) meeting per Area Command for a total of six. Update the SharePoint site by the end of FY/23. (Police)

OBJECTIVE 23. To continue its organizational transformation to ensure the public is and feels safe, APD will increase its overall operational compliance rate with the Department of Justice Court-Appointed Settlement Agreement (CASA) to 67%. Update the SharePoint site by the end of FY/23. (Police)

OBJECTIVE 24. The reduction in gun violence and its impact on communities continue to be a priority for APD. Both directed proactive strategies (patrol, arrests, and investigations) and intelligence gathering are imperative to APD's response to address gun crimes. APD will create two specialized units, the Gun Violence Suppression Unit and the Gun Violence Street Team. The teams will focus on identifying and suppressing the drivers of crime. Update the SharePoint site by the end of FY/23. (Police)

OBJECTIVE 25. As homicides continue to trend upwards throughout the country and Albuquerque, the ability of law enforcement to pursue investigations and make arrests must be a top priority. To accomplish this goal, APD will increase the number of sworn personnel in its Homicide Unit to 16 detectives and two sergeants. Update the SharePoint site by the end of FY/23. (Police)

OBJECTIVE 26. APD should be effective, transparent and accountable to the community they serve. To ensure officers are performing their duties efficiently and effectivity, APD will create and implement a monthly Officer Productivity Report. Update the SharePoint site by the end of FY/23. (Police)

OBJECTIVE 27. To better serve the community, APD will increase the number of Police Service Aides (PSA) to a total of 70. By end of FY/23, 20 PSAs will be seated in an APD Academy cadet class. The addition of PSAs will

33

- 1 free up sworn personnel to more quickly respond to serious crimes and create
- 2 an apprenticeship program for future APD officers. Update the SharePoint site
- 3 by the end of FY/23. (Police)
- 4 SUSTAINABLE COMMUNITY DEVELOPMENT. Communities throughout
- 5 Albuquerque are livable, sustainable and vital.

6 OBJECTIVE 1. Conduct a salary study of the various disciplines of 7 building/construction inspectors (i.e. electrical, plumbing) in the Building 8 Safety Division. This study will be used to make salary adjustments to these inspectors according to the current status of the trades market. These 9 10 positions are in high demand in both the public and private side of the 11 construction industry. Having solid analysis will allow the division to stay 12 competitive in the recruitment and retention of these high demand positions. These positions are critical to the thorough and timely inspection of 13 14 development and construction projects. Keeping these projects on schedule 15 while ensuring compliance and safety are critical to the city's economic

vitality. Update SharePoint with status by end of FY/23. (Planning)

OBJECTIVE 2. Conduct a salary study of all classification levels of engineering positions in the Development Review Services Division. This study will be used to make salary adjustments to these engineering positions according to the current status of the market. These positions are highly skilled and educated, as well as in high demand in both the public and private side. Having solid analysis will allow the division to stay competitive in the recruitment and retention of these high demand positions. These positions are critical to the department's mission and to development projects. Keeping these projects on schedule while ensuring compliance and safety are critical to the city's economic vitality. Update SharePoint with status by end of FY/23. (Planning)

OBJECTIVE 3. Conduct a classification/compensation study of the Code Enforcement Specialist (M14) positions. There is very little growth opportunity within the division often requiring good employees to seek other city jobs or outside positions to advance in salary and career. An analysis of developing an internal career ladder and better utilizing pay plan steps is necessary to enhance recruitment, retention, and advancement opportunities

1 of this critical function. Additionally, explore the possibility of modifying the position titles to reflect these potential steps and to more accurately reflect 2

the true scope and function of the position to provide more focused services.

- Update SharePoint with status by end of FY/23. (Planning) 4
- ENVIRONMENTAL PROTECTION. Protect Albuquerque's natural 5
- 6 environments - its mountains, river, bosque, volcanoes, arroyos, air and 7 water.

OBJECTIVE 1. Update SWMD's special assistance services for elderly or disabled residents who qualify (approximately 2,000 households). In order to better serve these customers, their cart lid(s) will be replaced with a bright orange lid for refuse and recycling carts. Submit a report to City Council by second guarter FY/23. (Solid Waste)

OBJECTIVE 2. Construct cover for final closure of approximately 30 acres of the upper south and west slopes of the active Cerro Colorado Landfill, completing the Cells 1-3 Partial Closure and Drainage Improvement Project. This project began in FY/20 with the construction of final closure for approximately 37 acres of the south slope. Submit a report to City Council by fourth quarter FY/23. (Solid Waste)

OBJECTIVE 3. Conduct Financial and Logistical Analysis for Implementation of a SWMD Subscription Green Waste Collection Program. Submit a report to City Council by fourth quarter FY/23. (Solid Waste) ECONOMIC VITALITY. The economy is vital, diverse, inclusive, equitable, sustainable, and works for all people.

OBJECTIVE 1. Bring companies to Albuquerque – number of LEDA and IRB applications and/or number of new jobs announced. Update SharePoint with status by end of FY/23. (Economic Development)

OBJECTIVE 2. Help businesses and entrepreneurs navigate City government - Small Business Office Metrics - number of calls received, SBO intake survey responses, and number of technical assistance interactions. Update SharePoint with status by end of FY/23. (Economic Development)

OBJECTIVE 3 Revitalize metropolitan redevelopment areas through community-based planning, innovating finance techniques and public-private partnerships. Update SharePoint with status by end of FY/23. (Economic

31

32

33

Development/MRA)

	2	COMMUNITY AND CULTURAL ENGAGEMENT. Residents are engaged in
	3	Albuquerque's community and culture.
	4	OBJECTIVE 1. Initiative and complete design phase for Education
	5	Wing (Masterplan Phase III) at the Albuquerque Museum by June 30, 2023.
	6	Update SharePoint with status by end of FY/23. (Arts & Culture-Museum)
	7	OBJECTIVE 2. Complete and open 50th Fiesta Exhibit at the Balloon
	8	Museum no later than September 30, 2022. Update SharePoint with status by
	9	end of FY/23. (Arts & Culture-Balloon Museum)
	10	OBJECTIVE 3. Reopening the Tingley Beach train stop for the
	11	BioPark tram to allow access between the BioPark facilities no later than
	12	October 2022. Update SharePoint with status by end of FY/23. (Arts &
	13	Culture-BioPark)
	14	GOVERNMENTAL EXCELLENCE and EFFECTIVENESS. Government is
	15	ethical, transparent, and responsive to its citizens. Every element of
	16	government contributes effectively to meeting public needs.
_	17	OBJECTIVE 1. Provide Safety Incentive Program information along
Deletion	18	with the annual OSHA report to department directors and identify sedentary
Dei	19	light duty placements throughout the city. The LP employees will promote
-	20	this to their assigned departments. Update SharePoint with status by third
- Letter	21	quarter of FY/23. (DFAS - Loss Prevention)
	22	OBJECTIVE 2. Implement new high-tech video/interactive classes
du Mat	23	for employee safety training. This would help with engaging employees in
-	24	safety training. Update SharePoint with status by third quarter of FY/23.
£	25	(DFAS – Loss Prevention)
=======================================	26	OBJECTIVE 3. Complete project to list City owned buildings on
kerea/orriketh	27	SharePoint for City employee accessibility. Update SharePoint with status by
¥	28	third quarter of FY/23. (DFAS - Risk)

OBJECTIVE 4. Rebrand 'Risk Management' to help employees and the public better understand the purpose of risk management. Update SharePoint with status by third quarter of FY/23. (DFAS - Risk)

OBJECTIVE 5. Enhancement of the Employee Health Center. On-Site Medical Services provide centralized medical care and examinations that [+Bracketed/Underscored Material+] - New [-Bracketed/Strikethrough Material-] - Deletion

are consistent with National, Federal, and State regulations, as well as, a delivery of prompt services to the City and its employees for on-the-job injuries and employment physicals. Update SharePoint with status by third quarter of FY/23. (DFAS - Risk)

OBJECTIVE 6. Replace broken equipment in APD Gym; Employees will have access to new equipment for the betterment of their health and well-being. This will save the City money on the back end as health and wellness programs positively affect productivity and production. Update SharePoint with Status by third quarter of FY/23. (DFAS - Risk)

OBJECTIVE 7. Focus our efforts on the recruitment and retention of employees to offer the best service to the City departments. Results will be provided to SharePoint by end of FY/23. (Human Resources)

OBJECTIVE 8. Collaborate with AFR Subject-Matter Experts (SMEs) assigned/selected by AFR Chief to develop and validate the AFR Cadet Structured Interview Manuals. An update will be provided to SharePoint by the third quarter FY/23. (Human Resources)

OBJECTIVE 9. In one year, make city government more inclusive and responsive by providing training and technical assistance to city departments and by providing public information, inclusive community outreach, and engagement of diverse populations using language services, data, tool kits, community events, workshops and other strategies. Annual Status Report to Mayor and City Council at end of FY/23. (Legal)

OBJECTIVE 10. Continue to implement R-21-205 (4-H Park as Sacred Burial Site); R-21-231 (Language Access); R-21-229 (Denouncing Anti-Asian Hate); R-20-75 (Racial Equity); R-20-85 (Equity Criterion in CIP); R-18-7 (Promoting Public Safety); O-18-45 (Commission on American Indian Affairs); R-20-84 (Supported Employment for People with Disabilities); and MBE Ordinance. Annual Status Report to Mayor and City Council at end of FY/23. (Legal)

OBJECTIVE 11. Develop a workable budgeting strategy to better limit the expenditures of money appropriated for the hiring of city staff to filling of actual vacancies within departments. Identify and apply best practices that limit the use of vacancy savings to shore up other predicted

	2	thresholds for vacancies within o	departme	ents, be	yond which	vacancy	savings
	3	are required to revert back if pos	itions ca	n't be f	illed. (DFA	S)	
	4	Section 2. That the Mayor shall s	submit a	report	by Goal to	the City Co	ouncil at

## CITY of ALBUQUERQUE TWENTY FOURTH COUNCIL

СО	UNCI	BILL NO F/S R-20-85 ENACTMENT NO
SP	ONSO	RED BY: Klarissa J. Peña, Lan Sena
	1	RESOLUTION
	2	SUPPLEMENTING PRIORITIES FOR THE CAPITAL IMPLEMENTATION
	3	PROGRAM OF THE CITY OF ALBUQUERQUE BY IMPLEMENTING A
	4	COMMUNITY EQUITY CRITERION TO BE USED IN THE DEVELOPMENT OF
	5	THE PLAN.
	6	WHEREAS, laws and political priorities at all levels of government have
	7	resulted in community inequities in Albuquerque and elsewhere that have
	8	disparately impacted historically marginalized communities' access to and
	9	leveraging of community resources, infrastructure investments, and other
	10	health and wealth-building resources; and
ion	11	WHEREAS, social and racial inequities persist relating to educational
J - New - Deletion	12	attainment, encounters with the criminal justice system, jobs, housing, public
Bracketed/Underscored Material] - New Bracketed/Strikethrough Material] - Deletio	13	infrastructure, health, and the community impacts of the current COVID-19
rerig	14	pandemic; and
Mate	15	WHEREAS, a focus on equity in capital investment by local governments is
gh h	16	critically important in getting toward more equitable outcomes for
rou	17	communities across the City with respect to allocation of public resources and
reth	18	broader community success; and
Stri	19	WHEREAS, local governments have the ability to implement policy change
ted/	20	at multiple levels and across multiple sectors to drive larger systemic change;
cke	21	and
Bra (B	22	WHEREAS, the City of Albuquerque became an active member of the
21700	23	Government Alliance for Race and Equity in 2018, and recommitted to reshape
	24	government by committing to and advancing racial equity initiatives to
	25	become an inclusive community where equitable success is the norm and
	26	race and ethnicity will no longer predict outcomes; and

1	WHEREAS, Resolution R-17-256 was approved by the City Council on
2	January 17, 2018, and included a priority for the City's 2019 General Obligation
3	Bond Program to fund programs and projects in underserved neighborhoods
4	relating to Public Safety, Senior and Community Centers, Libraries, Housing,
5	Transportation, Economic Development and Community Enhancement; and
6	WHEREAS, prioritizing improvements for neighborhoods and communities
7	that have been otherwise left behind is a step toward undoing this inequitable
8	system that many of our communities live with today; and
9	WHEREAS, endeavoring to prioritize the City's capital resources based, at
10	least in part, on helping to address past inequities will help to raise the City's
11	overall quality of life and will move toward a more equitable common
12	denominator for community and family health and success; and
13	WHEREAS, in order to reduce historic systemic barriers and elevate
14	opportunities, the City needs to interweave equity evaluation tools throughout

WHEREAS, evaluating geographic equity as a factor, together with all other relevant factors, will also help ensure that the City is fulfilling its responsibilities to the City as a whole.

city operations in order to achieve better equity; and

BE IT RESOLVED BY THE COUNCIL, THE GOVERNING BODY OF THE CITY OF ALBUQUERQUE:

Section 1. The City shall implement equity criterion that evaluates historic disinvestment in the subareas of the City with higher populations of people of color, and higher levels of poverty, to be included as part of the City's overall criteria assessment for capital improvements project funding in the 2023 and subsequent General Obligation Bond Programs; The City shall allocate capital improvement funding in a way that prioritizes projects that will help remedy inequities identified by this evaluation criterion.

Section 2. The City shall implement a geographic equity criterion that evaluates the equitable distribution of capital resources throughout the entirety of the City for the 2023 and subsequent General Bond Programs; when considered together with all other criteria, this tool shall be used to promote equitable geographic distributions of Capital funding throughout the City.

# CITY of ALBUQUERQUE TWENTY SECOND COUNCIL

ENACTMENT NO. R. 2017. OUL COUNCIL BILL NO. R-16-108 SPONSORED BY: Trudy E. Jones and Isaac Benton 1 RESOLUTION 2 ADOPTING AN UPDATED ALBUQUERQUE/BERNALILLO COUNTY 3 COMPREHENSIVE PLAN. WHEREAS, the Council, the Governing Body of the City of Albuquerque. 4 5 has the authority to amend the Comprehensive Plan as authorized by statute. 6 Section 3-19-9, NMSA 1970, and by its home rule powers; and 7 WHEREAS, the Comprehensive Plan is the Rank I plan for the physical development and conservation of areas within the City of Albuquerque and 8 9 unincorporated Bernalillo County, which sets out the context, goals and policies, monitoring and implementation, and supporting information to 10 -Bracketed/Strikethrough Material-] - Deletion 11 further its vision and purpose; and [+Bracketed/Underscored Material+] - New 12 WHEREAS, the Comprehensive Plan has not been significantly updated since its original adoption in 1989 and its subsequent amendment in 2001 to 13 establish "Centers and Corridors" boundaries and policy language to focus 14 15 development in appropriate areas connected by multi-modal transportation 16 corridors; and 17 WHEREAS, the City Council, the City's Planning and Zoning Authority, in April 2014, via R-14-46 (Enactment No. R-2014-022), directed the City to update 18 19 the Albuquerque/Bernalillo County Comprehensive Plan in coordination with 20 Bernalillo County, MRCOG, and other agencies; and WHEREAS, an increased range of housing options are needed closer to 21 employment centers, and employment centers are needed closer to existing 22 housing, especially west of the Rio Grande; and 23 WHEREAS, preserving agricultural lands is increasingly important in order 24

to protect rural character and cultural traditions, provide for regional food

demands locally, and to improve stormwater retention and groundwater infiltration; and WHEREAS, the largest demographic segments of the population - Baby Boomers and Millennials - are increasingly seeking urban lifestyles in mixed-use areas that provide for employment, entertainment, and services without requiring driving or automobile ownership; and WHEREAS, the demand for these types of developments are not sufficiently met in Albuquerque, because, in large part, existing land-use policies and regulations strongly encourage suburban, single-family detached

development over compact mixed-use; and

WHEREAS, jurisdictional and geographic boundaries limit the opportunity to accommodate growth in the City via annexation and expansion, prompting the need to accommodate infill and densification in appropriate locations, such as Centers and Corridors; and

WHEREAS, an update of the Comprehensive Plan would be an opportunity to employ contemporary best practices for land use, transportation, and preservation planning techniques and strategies for regional, interagency transportation and land-use planning activities; and

WHEREAS, the existing hierarchy of overlapping Rank I, Rank II, and Rank III Plans were all created at various points in time with little or no strategic coordination and contain overlapping and sometimes conflicting policies and regulations that have not been evaluated in a comprehensive manner; and

WHEREAS, these uncoordinated policies often present unnecessary and counter-productive obstacles to both neighborhood protections and the development process; and

WHEREAS, these lower-ranking plans need to be analyzed and revised to ensure they support and are consistent with an updated Rank I Comprehensive Plan and provide a simpler, clearer, and more effective means of implementing the growth and development vision; and

WHEREAS, an update to the Comprehensive Plan provides an opportunity to foster increased collaboration and coordination between the City of Albuquerque and Bernalillo County by serving as a regional plan for healthy growth, efficient transportation, infrastructure needs, and land use policies to

[+Bracketed/Underscored Material+] - New-Bracketed/Strikethrough-Material-] - Deletion

- better reflect new market demands, diversify and bolster the economy, better
- 2 serve all demographics, support alternative transportation modes to the
- 3 automobile, and improve efforts to grow and develop in ways that are
- 4 sustainable, respect and preserve natural and cultural resources, and improve
- 5 the quality of life for all citizens; and
- 6 WHEREAS, staff of the City of Albuquerque and Bernalillo County have
- 7 worked together to update the narratives, policies, and maps; and
- 8 WHEREAS, on September 1, 2016, the Environmental Planning
- 9 Commission (EPC), in its advisory role on land use and planning matters,
- 10 recommended approval to the City Council of the amendment to the
- 11 Albuquerque/Bernalillo County Comprehensive Plan.
- 12 BE IT RESOLVED BY THE COUNCIL, THE GOVERNING BODY OF THE CITY OF
- 13 ALBUQUERQUE:
- 14 SECTION 1. The Albuquerque/Bernalillo County Comprehensive Plan is
- 15 hereby replaced in its entirety by the 2016 Draft Updated Comprehensive Plan,
- 16 attached hereto as Exhibit A.
- 17 SECTION 2. FINDINGS ACCEPTED. The City Council adopts the
- 18 following findings as recommended by the Environmental Planning
- 19 Commission (EPC):
- 20 1. The request is for an update to the Albuquerque/Bernalillo County
- 21 Comprehensive Plan (1989, as subsequently amended, the "Comp Plan"). The
- 22 update, which will reflect new demographic trends and anticipated growth in
- 23 the region, is designed to more effectively coordinate land use and
- 24 transportation and to leverage and enhance a sense of place.
- 25 2. The Comp Plan applies to land within the City of Albuquerque municipal
- 26 boundaries and to the unincorporated area of Bernalillo County (the
- 27 "County"). Incorporated portions of the County that are separate
- 28 municipalities are not included.
- 29 3. Council Bill No. R-14-46 (Enactment R-2014-022) became effective on May
- 30 7, 2014, which directed the City to update the Comp Plan.
- 31 4. The EPC's task is to make a recommendation to the City Council regarding
- 32 the Comp Plan update. As the City's Planning and Zoning Authority, the City
- 33 Council will make the final decision. The EPC is the Council's recommending

- 1 body with important review authority. Adoption of an updated City Master Plan
- 2 (Comp Plan) is a legislative matter.
- The existing, key concept of Centers and Corridors will remain the same,
- 4 as will the boundaries of existing Centers. In the City, the existing
- 5 development areas (Central Urban, Developing & Established Urban, Semi-
- 6 Urban, and Rural) will be replaced with Areas of Change and Areas of
- 7 Consistency. In the County, the development areas will remain the same.
- 8 6. The 2016 Comp Plan update incorporates changes in the narrative
- 9 descriptions as well as the goals, policies, and actions of each existing
- 10 chapter. Approximately 90% of existing Goals and policies from the City's
- 11 various Sector Plans (Rank III) and Area Plans (Rank II), except for facility
- 12 plans and Metropolitan Redevelopment Area (MRA) plans, have been
- 13 integrated into the updated Comp Plan. Many of these Goals and policies
- 14 address similar topics and/or can be expanded to apply City-wide.
- 15 7. The State Constitution and Statutes, the ROA 1994 (which includes the
- 16 City of Albuquerque Charter and the Planning Ordinance), the
- 17 Albuquerque/Bernalillo County Comprehensive Plan, and the City of
- 18 Albuquerque Comprehensive Zoning Code are incorporated herein by
- 19 reference and made part of the record for all purposes.
- 20 8. State Constitution and Statutes: The Constitution of the State of New
- 21 Mexico allows municipalities to adopt a charter, the purpose of which is to
- 22 provide for maximum local self-government (see Article X, Section 6-
- 23 Municipal Home Rule). The City of Albuquerque is a home rule municipality
- 24 and has the authority to adopt a comprehensive plan as granted under
- 25 Chapter 3, Article 19, Section 9 NMSA 1978 (3-19-9 NMSA 1978) and by the City
- 26 Charter.

- The request is consistent with the intent of City Charter Article XVII,
  - Planning, as follows:
- A. Section 1 The review and adoption of an updated Comp Plan is an
- 30 instance of the Council exercising its role as the City's ultimate planning and
- 31 zoning authority. The updated Comp Plan is written and formatted to help
- 32 inform the Mayor and the Council about community priorities for the
- 33 formulation and review of Capital Improvement Plans.

15

16

17

18

19

20

21 22

23

24

25

26

27

28 29

- B. Section 2 The updated Comp Plan will help guide the implementation,
- 2 enforcement, and administration of land use plans and regulations that reflect
- 3 current trends and priorities as well as the future vision for growth and
- 4 development. The Plan's implementation strategies are to: build public
- 5 awareness and engagement; improve inter-governmental coordination;
- 6 promote growth, development and conservation; and create an ongoing
- 7 process for monitoring progress toward the vision, which will give the Council
- 8 and the Mayor a common and effective framework to build upon.
- 9 10. Intent of the City Charter Related Sections:

ordinances and standards.

- A. Article I, Incorporation and Powers- Updating the Comprehensive Plan
  is an act of maximum local self-government and is consistent with the
  purpose of the City Charter. The updated policy language of the Comp Plan
  will help guide legislation and provide support for necessary changes to
  - B. Article IX, Environmental Protection- The updated Comprehensive Plan reflects recent best practices for policy to guide the proper use and development of land coordinated with transportation. The update will help protect and enhance quality of life for Albuquerque's citizens by promoting and maintaining an aesthetic and humane urban environment. Committees will have up-to-date guidance to better administer City policy.
  - 11. Intent of the Zoning Code (Section 14-16-1-3): The update to the Comp Plan will provide up-to-date guidance for amendments and changes to land use regulations in the Zoning Code. This will allow the Zoning Code to better implement the city's master plan -in particular the master plan documents that comprise the Comp Plan. This updated Comp Plan will facilitate a comprehensive review of land use regulations and regulatory processes to ensure that they reflect the most recent best practices and the vision for future growth and development in the city to promote the health, safety and general welfare of Albuquerque's citizens.
- 30 12. Intent of the Planning Ordinance (Section 14-13-2-2): Updating the Comp
- 31 Plan will ensure that it will reflect recent best practices for land use and
- 32 transportation planning, the priority needs and desires of residents and
- 33 businesses, and a vision of sustainable growth and development for the next

- 1 twenty years. This will also help ensure that lower ranking plans reflect
- 2 current ideas, technologies, and up-to-date demographic and market trends.
- 3 The Comp Plan update process identified several conflicting provisions in
- 4 lower ranking Plans that require an updated long-range planning process. The
- 5 proposed Community Planning Area (CPA) assessments will address planning
- 6 issues City-wide as well as within each CPA on an on-going, proactive basis.
- 7 13. The Comp Plan update addresses the main topics in Section 14-13-1, the
- 8 Planned Growth Strategy (PGS), such as natural resources conservation,
- 9 traffic congestion, and infrastructure provision, as follows:
  - A. Sustainable development is a key to the region's long-term viability. The 2016 Comp Plan promotes sustainable development best practices related to water resources, storm water management, multi-modal transportation, and urban design. A new chapter on Resilience and Sustainability (Chapter 13) has been added and includes sections on water quality and air quality, and discusses the importance of becoming more resource-efficient.
  - B. The update addresses transportation and traffic on a regional basis. A priority is to improve mobility and transportation options (p. 1-11). The Transportation chapter (Chapter 6) discusses the importance of balancing different travel modes and providing complete and well-connected streets to provide a variety of travel options.
  - C. The Land Use chapter (Chapter 5) includes policies to encourage a development pattern that will foster complete communities, where residents can live, work, learn, shop, and play, and that will maximize public investment in denser areas. One primary goal is to improve the balance of jobs and housing on each side of the river to help reduce traffic congestion and bring jobs to where people already live.
  - D. The Infrastructure, Community Facilities & Services chapter (Chapter 12) covers a wide range of infrastructure systems, community facilities and public services that support the existing community and the Comp Plan's vision for future growth. The chapter emphasizes increased inter-agency planning and coordination, and ways for pooling resources to maximize efficiencies, bridge service gaps, and provide added value. The guiding

25

26

27

28 29

30

- 1 principle of equity helps identify gaps in service provision and how they might
- 2 be addressed.
- 3 14. City language that refers to the Comp Plan is found in various locations
- 4 of ROA 1994. This language will need to be correspondingly revised with the
- 5 adoption of the 2016 Comp Plan in order to maintain the intent of the policies
- 6 and to maintain internal consistency in ROA 1994.
- 7 15. The 2016 Comp Plan update improves coordination with the Mid-Region
- 8 Metropolitan Planning Organization (MRMPO) and the Metropolitan
- 9 Transportation Plan (MTP), which includes a new growth forecast to 2040 and
- 10 a preferred growth scenario. The Comp Plan update responds to the MTP by
- 11 updating Comp Plan Corridors to be consistent with MTP corridors,
- 12 coordinating Center designations with MTP center designations used to
- develop a preferred future growth scenario, and developing an analysis tool to
- 14 analyze performance metrics based on different growth scenarios.
- 15 16. A number of elements of the existing Comp Plan will remain the same
- 16 with the 2016 Comp Plan update, including:
  - A. The Comp Plan's geographic scope, which includes the area in Albuquerque's municipal limits and the unincorporated areas in Bernalillo County.
  - B. The Centers and Corridors framework as a means to encourage future growth and density in appropriate areas while protecting existing neighborhoods, natural resources, and open space lands.
  - C. Most of the goals, policies, and actions in the current Comp Plan, supplemented by those in Sector Development Plans and Area Plans adopted by the City. Approximately 90% of the City's existing 1,200 policies in these plans are represented in the 800 policies and sub-policies of the Comp Plan update.
  - D. The County's Development Areas (Rural, Reserve, Semi-Urban, Developing Urban, and Established Urban) from the existing Comp Plan will continue to be used in the unincorporated area, and their associated policies will remain unchanged.
- 32 17. The 2016 Comp Plan update has reorganized and reworded the existing
- 33 Comp Plan to reflect new data and trends, be more user-friendly and provide

1 clearer guidance to decision-makers. The most significant changes in the 2016 2 Comp Plan update are: A. The inclusion of a Vision chapter (Chapter 3), which serves as a 3 4 "People's Summary" of the plan and provides an overview. 5 B. Modifications to the Center and Corridor descriptions and the introduction of new Center and Corridor types. 6 7 Three Major Activity Centers have been re-designated as Downtown 8 or as Urban Centers (Uptown and Volcano Heights). 9 ii. The remaining Major and Community Activity Centers have been re-10 designated as Activity Centers or Employment Centers. 11 iii. The new Employment Center type reflects the need for concentrated 12 job centers. iv. Certain corridors have been designated as Premium Transit 13 corridors to be consistent with MRCOG's MTP; Enhanced Transit Corridors 14 15 have been re-named and designated as Multi-Modal Corridors, and Express Corridors are renamed and designated as Commuter Corridors. Main Street 16 Corridors have been introduced as a new Corridor type. 17 18 C. Reorganization of the Comp Plan into ten Elements (Chapters) that 19 reflect more recent best practices in planning as well as the needs of area 20 residents: i. Community Identity and Heritage Conservation (Chapters 4 and 11. 21 22 respectively) in response to public comments about the importance of neighborhood character, preserving traditional communities, and cultural 23 24 landscapes. ii. A new chapter, Urban Design (Chapter 7) describes design elements 25 26 that support and/or constitute good design for our community, in distinct rural, suburban, and urban contexts. 27 iii. A new chapter, Resilience and Sustainability (Chapter 13), reflects 28 29 community concerns about conserving natural resources, preparing for climate change and natural hazards, and creating healthy environments for 30 31 people. D. The introduction of six guiding principles that indicate what is 32 particularly important to residents.

- E. A new focus on coordinating land use and transportation to strengthen
- 2 Centers and Corridors and to address traffic congestion on river crossings by
- 3 improving the jobs-housing balance west of the Rio Grande.
- 4 F. Two Development Areas in the City, Areas of Change and Areas of
- 5 Consistency, will replace the six current Development Areas.
- 6 G. Updated City and County Community Planning Areas (CPAs) and
- 7 policies that guide the City Planning Department regularly to engage with
- 8 residents and other stakeholders in 12 City CPAs on a five-year cycle of
- 9 assessments.
- H. An Implementation chapter (Chapter 14) with strategic actions,
- 11 performance metrics, and policy actions to be updated on a five-year cycle.
- 12 18. In 2017, City Planning Staff intend to initiate an ongoing, proactive
- 13 engagement and assessment process (Community Planning Area
- 14 Assessments) to work with communities throughout the City to address
- 15 planning issues and develop solutions. Performance measures will be used to
- 16 track progress toward Comp Plan Goals over time.
- 17 19. The public engagement process, which offered a range of opportunities
- 18 for input, discussion, and consensus-building, featured a series of workshops
- 19 and public meetings that included daytime focus groups organized by topic
- 20 and evening meetings with a more traditional presentation and a question and
- 21 answer session. The project team was invited to speak at over 100 meetings
- 22 and local conferences. To reach more people and a broader cross-section of
- 23 the community, the project team staffed booths and passed out promotional
- 24 material at community events and farmers markets.
- 25 20. Articles about the ABC-Z project appeared regularly in the City's
- 26 Neighborhood News and ads specifically for the Comp Plan update were
- 27 placed in print and social media. There is also a social media page for the
- 28 ABC-Z project on Facebook.
- 29 21. Staff received official written comments from agencies and interested
- 30 parties. Agencies that commented include the ABCWUA, the AMAFCA,
- 31 Bernalillo County, the City Parks and Recreation Department, and PNM. Their
- 32 comments suggest specific revisions to clarify topics related to their agency's
- 33 charge. Staff is considering all comments carefully and addressing them.

18

19

20

21 22

23

24 25

26

27

28

- 1 22. The comments submitted by interested parties cover a variety of topics,
- 2 including but not limited to time for public review and comment, annexation,
- 3 effect on vulnerable populations, and the focus on centers and corridors.
- 4 Some comments express significant concerns that policies crafted to address
- 5 localized issues are applied broadly and that sector plans are being replaced.
- 6 Staff is considering all comments carefully and addressing them.
- 7 23. The EPC held two advertised and noticed public hearings, on August 4
- 8 and August 25, 2016, to elicit public comments and participation for the
- 9 record.
- 10 24. Planning Department Staff and City Council Staff will continue to
- 11 collaborate regarding themes raised in the August 2016 Staff Report, and in
- 12 public, departmental, and agency comments, to consider any additional
- 13 information that should be included in the Comp Plan update.
- 14 SECTION 3. EFFECTIVE DATE AND PUBLICATION. This legislation shall
- 15 take effect five days after publication by title and general summary.
  - SECTION 4. SEVERABILITY CLAUSE. If any section, paragraph, sentence, clause, word or phrase of this resolution is for any reason held to be invalid or unenforceable by any court of competent jurisdiction, such decision shall not affect the validity of the remaining provisions of this resolution. The Council hereby declares that it would have passed this resolution and each section,
  - paragraph, sentence, clause, word or phrase thereof irrespective of any
  - provisions being declared unconstitutional or otherwise invalid.

### CITY of ALBUQUERQUE TWENTY SECOND COUNCIL

COUNCIL BILL NO.	O-16-9	ENACTMENT NO.	0.2016.014
CONCODED DV	Don Harris		

CC	UNC	IL BILL NO. 0-10-9 ENACTMENT NO.
SP	ONS	ORED BY: Don Harris
	1	ORDINANCE
	2	AMENDING SECTION §2-12-1 TO RESERVE 2% OF THE GENERAL
	3	OBLIGATION BONDS OF THE CAPITAL IMPLEMENTATION PROGRAM FOR
	4	OPEN SPACE LAND ACQUISITION.
	5	BE IT ORDAINED BY THE COUNCIL, THE GOVERNING BODY OF THE CITY OF
	6	ALBUQUERQUE:
	7	SECTION 1. FINDINGS
	8	The Council finds that:
	9	(A) The City of Albuquerque Open Space Program provides the public
	10	with a variety of facilities and uses through which to enjoy the natural
on	11	environment. Albuquerque is listed as having the highest percentage of
u - New - Deletion	12	parkland and Open Space for small cities in the United States.
		(B) The economic recession has provided the City of Albuquerque with
rial a	14	opportunities to purchase open space at lower costs, but the City has been
Aate	15	unable to identify funds to purchase these lands. As land development in the
BP A	16	City and Bernalillo County resumes, properties identified for open space
ikethrough M	17	purchase are likely to increase in value and or could be developed.
1	18	(C) Additional funding resources are required to protect the unique
ted/Strikethrough Material	19	natural environment in and around Albuquerque. Existing sources are not able
ted	20	to provide sufficient resources to acquire Open Space in a consistent and

23

24

25

timely manner. Open Space has historically been acquired through the City's General Obligation Bond Program, a Quality of Life Quarter Cent Tax and the Open Space Trust Fund. The Quality of Life Quarter Cent Tax for Open Space has expired, and due to the economic downturn, the Capital Implementation Program Bond capacity has decreased by 30%. The principal balance of the

1	Open Space Trust Fund has not yet reached a level necessary to generate the
2	interest earnings to fund acquisition of open space.

- (D) To have a viable Open Space Acquisition program, the City must establish a savings mechanism so that funds are available as opportunities to purchase Open Space arise. These opportunities are dependent on the individual choices of property owners and market conditions that occur independent of the City's funding cycles.
- SECTION 2. A new paragraph (O) is inserted into §2-12-1 CAPITAL IMPROVEMENTS PROGRAM INTENT SCOPE to read as follows:
- "(O) Two percent of the General Obligation Bond Program shall be reserved for the acquisition of lands identified for Open Space Land and capital restoration of Open Space.
- (P) The term of the CIP Set Aside for Open Space Acquisition shall be for the following General Obligation Bond Cycles, 2017, 2019, 2021, 2023, 2025, 2027, 2029, 2031, 2033 and 2035."
- SECTION 3. The City shall use quantifiable metrics for decisions on individual purchases.

SECTION 4. SEVERABILTY CLAUSE. If any section paragraph, sentence clause, word or phrase of this ordinance is for any reason held to be invalid or unenforceable by any court or competent jurisdiction, such decision shall not affect the validity of the remaining provisions of this ordinance and each section, paragraph, sentence, clause, word or phrase thereof irrespective of any provisions being declared unconstitutional or otherwise invalid.

SECTION 5. COMPILATION. Section 2 of this ordinance shall be incorporated in and made part of the Revised Ordinance of Albuquerque, New Mexico, 1994.

SECTION 6. EFFECTIVE DATE. This ordinance shall take effect five days after publication by title and general summary.

### CITY of ALBUQUERQUE TWENTY-FIRST COUNCIL

0.2015-022 COUNCIL BILL NO. 0-15-52 SPONSORED BY: Isaac Benton

1

#### ORDINANCE

- 2 AMENDING CHAPTER 2, ARTICLE 12, SECTION 1 ROA 1994 RELATING TO
- THE 3% FOR ENERGY CONSERVATION AND RENEWABLE ENERGY SET-A-3
- 4 SIDE FOR CAPITAL IMPROVEMENTS.
- BE IT ORDAINED BY THE COUNCIL, THE GOVERNING BODY OF THE CITY OF 5
- 6 ALBUQUERQUE:
- 7 SECTION 1. AMENDING SECTION 2-12-1 (J) ET SEQ., ROA 1994 AS FOLLOWS:
- (J) Three percent of each biennial Capital Improvements Program shall be 8
- 9 reserved to fund the design, installation, purchase, user training and
- monitoring of Energy Conservation and/or Renewable Energy projects that 10
- 11 reduce fossil fuel based energy costs for General Fund and Enterprise Fund
- Programs and that will demonstrably reduce energy consumption. This fund
  - shall be known as the 3% for Energy Conservation and Renewable Energy Set-
  - A-Side for Capital Improvements. The Planning for the fund shall be
  - consistent with the requirements set forth in Article 2-12 ROA 1994.
  - (K) The Department of Finance and Administrative Services will budget 3% of the General Obligation Bond Program for the 3% for Energy Conservation
  - and Renewable Energy Set-A-Side for Capital Improvements. (L) Departmental applications for the 3% for the Energy Conservation and Renewable Energy Set-A-Side for Capital Improvements shall be submitted to
- the Facility, Energy & Security Management Division. A committee of City
- fiscal and technical staff shall approve selected projects based on established
- criteria. The committee may consult with subject matter experts outside of the 23
- City Government in the selection of projects. Criteria shall include but are not 24
- limited to: 25

[Bracketed/Underscored Material] - New 15 16 17 18 19

31 32

16

17

1	<ol> <li>The capital expenses of a project should be regained from energy</li> </ol>
2	savings generated from the project within the expected life of the equipment,
3	provided that an amount, not to exceed ten percent (10%) of the 3% for Energy
4	Conservation and Renewable Energy Set-A-Side for Capital Improvements
5	fund, may be utilized for solar or wind renewable energy projects not
6	otherwise meeting that life cycle criteria, if at least eighty-five percent (85%) of
7	the capital expenses for such solar or wind projects are reasonably expected
8	to be regained within the expected life cycle of the project. Projects using
9	renewable energy shall, subject to the foregoing allowance for solar or wind
10	projects, have a lower life cycle cost than a project using conventional energy
11	based on the projected cost per unit by year for an energy resource as
12	published in the United States Department of Energy, Energy Information
13	Administration, Annual Energy Outlook Report or other sources identified by
14	the committee. Preference shall be given to alternatives that meet the energy
15	cost criteria.

- (2) If a proposal is for construction or installation, the scope of the project shall only be for Energy Conservation and/or Renewable Energy in existing facilities.
- (3) The monetary amount allocated to any one project shall not exceed 40% of the funding allocated to the 3% Energy Conservation and Renewable Energy Set-A-Side, during any one bond cycle unless approved by the City Council.
- (4) The project shall be consistent with the requirements set forth in Paragraph (D) of this Section.
- (M) The Mayor shall obtain a Certificate of No Effect or a Certificate of Approval for each project that meets the applicability criteria of Ordinance 25-2007 and that is part of the Capital Improvements Program or the Component Capital Improvements Program prior to construction of the project.

Housing Plan and Needs Assessment and shall conduct an annual review of 1 2 Plan progress.

(2) Workforce Housing Plan and Needs Assessment. The Committee. with the staff support of the Department of Family and Community Services (the Department) or its successor and technical support from representatives of the Office of Economic Development and the Planning Department, shall develop a Five Year Workforce Housing Plan (the Plan), which shall be updated every five years. The Plan shall be based on a thorough needs assessment conducted by the Department showing the housing conditions of families at and below 80% of median income broken out by community planning areas, income classification, special needs, seniors, homeless and addressing the displacement of low income families. The Plan shall identify the change in the City of Albuquerque of the number of market rate, affordable and non-affordable housing units, by income category and tenure, over the previous five years. The Plan shall include all resources available to address affordable housing needs including, but not limited to, CDBG, HOME, other grants, the City General Fund, Enterprise Funds, other City Housing Funds. State of New Mexico, and Low Income Housing Tax Credits, five year goals and objectives and one year objectives, recommended strategies for implementation and standards for monitoring and evaluation of completed projects. The Plan shall include a matrix showing the annual and five year housing production goals and objectives and organizations committed to its production. The Plan shall address expansion of the capacity of the non-profit housing development organizations and identify resources necessary to carry out needed expansion. The Plan shall identify, based on housing market data standards, city neighborhoods as "stable", "disinvesting", or "gentrifying" and shall make it clear that different housing and affordable housing strategies are being pursued within the different categories of neighborhoods. The Committee shall hold at least three public hearings on the draft plan prior to making recommendations to the Mayor and the Council. The Plan shall serve as the housing component of the Consolidated Plan after review and comment by the Albuquerque Citizen Team. The Plan shall be conveyed by the Mayor to the Council by a resolution within 12 months of the enactment of this article

and shall be adopted by the Council with or without amendments. The Plan shall be reviewed and progress evaluated annually by the Committee and a report sent to the Council.

- Priorities and Uses of Funds. At least 50% of the available funds in any five year program shall be used for land acquisition for workforce housing projects and subdivisions in areas designated as Metropolitan Redevelopment Areas, Centers and Corridors and land zoned for mixed use development under the yet to be approved zones called for in the adopted Planned Growth Strategy (Planned Village Development, Transit Oriented Development Centers and Corridors, Commercial Center, Campus, Infill Development, and Conservation Subdivision). Up to 50% of the available funds in any five year program may be used for zero to low interest or, in certain cases, loans that may be forgivable that meet the requirements of the Workforce Housing Opportunity Act and fall within the geographic areas described above. At least 25% of the funds shall be used for scattered site, single-family housing purchase, rehab, lease-to-own and resale of existing housing stock. The priorities for use of all funds shall be determined by reference to the program elements as shown in § 14-9-5, but in all cases the following requirements shall be met.
- Resources shall be allocated according to need in any five year program with at least 50% of all resources benefiting families at or below 50% of AMI and at least 30% of all resources benefiting families at or below 30% AMI. Loans that may be forgivable may be considered for use only in projects benefiting families whose income is at or below 30% AMI.
- Not more than 20% of resources shall be used for project related soft development costs as defined by the Plan.
- Projects shall be sponsored by city approved, locally based. non-profit housing development organizations. It is recognized that nonprofits will partner with for-profit builders and developers to accomplish workforce housing projects. Criteria for approval of non-profits and sponsorship shall be included in the Workforce Housing Plan.
- Projects receiving funding or land under the Workforce Housing Opportunity Act shall leverage non-city funds by at least a 4:1 ratio (non-city

to city resources). The Plan may make exception to this ratio for certain hard to develop projects to be defined. Federal and state funds flowing through the city are not considered city funds for purposes of this requirement.

(4) Project Priorities. The Committee shall develop a policy-based ranking system so that proposed projects can be prioritized. The system of ranking shall be included in the Workforce Housing Plan. Priority shall be given to financially sound proposals that rank the highest according to the priorities based on guidelines found in the Program Elements. Priority with respect to newly constructed projects shall also be given to proposals that demonstrate a commitment to energy efficiency and utility conservation. The Committee can establish minimum standards below which a project will not be approved. The Department shall issue a standing request for proposals so that developers have adequate time to secure land and formulate proposals for city consideration."

Section 2. SEVERABILITY CLAUSE. If any section, paragraph, sentence. clause, word or phrase of this ordinance is for any reason held to be invalid or unenforceable by any court of competent jurisdiction, such decision shall not affect the validity of the remaining provisions of this ordinance. The Council hereby declares that it would have passed this ordinance and each section. paragraph, sentence, clause, word or phrase thereof irrespective of any provision being declared unconstitutional or otherwise invalid.

Section 3. COMPILATION. This ordinance shall be incorporated in and made part of the Revised Ordinances of Albuquerque, New Mexico, 1994.

Section 4. EFFECTIVE DATE. This ordinance shall take effect five days after publication by title and general summary.

### ARTICLE 12: CAPITAL IMPROVEMENTS

#### Section

- 2-12-1 Capital improvements program intent; scope
- 2-12-2 Definitions
- 2-12-3 Adopting the capital improvements program; publication
- 2-12-4 City council participation
- 2-12-5 Amending the capital improvements program
- 2-12-6 Progress reports
- 2-12-7 Trails and bikeways set aside
- 2-12-8 Metropolitan Transportation Plan and Transportation Improvement Program submittals

#### § 2-12-1 CAPITAL IMPROVEMENTS PROGRAM INTENT; SCOPE.

- (A) The Capital Improvement Program (CIP) plan shall include, and take as a starting point, an inclusive perspective of all capital expenditures regardless of fund source (including, but not limited to City, State, Federal funds, and private contributions-in-aid) including those expended by the City directly and those undertaken by other public agencies within the city limits that are related to the City's adopted goals. The City-funded public purposes capital improvements shall be considered as a component of this over-all perspective.
- (B) The Capital Improvement Program shall be linked to the City's adopted Five Year Goals, Program Strategies, and to the Performance Plan of city departments.
- (C) The Capital Improvement Program shall be consistent with and carry out the policies contained in the City/County Comprehensive Plan.
- (D) The first priority of the City's Capital Improvement Program shall be to rehabilitate, replace, and maintain in good condition the capital assets of the City. Pursuant to this priority, facility plans shall be developed and maintained by all City departments, coordinated according to a common set of standards by the CIP office. These plans shall include the condition of the City's major capital assets and a program of necessary annual capital expenditures to restore, replace, and maintain the facilities, vehicles and equipment in good condition. These inventories and plans shall be completed by the 2003 CIP. The plan for streets and hydrology shall be based on the Planned Growth Strategy findings.
- (E) City-funded public-purpose capital improvements are undertaken in order to implement the city's adopted goals and objectives: normally, these have been adopted in city plans for urban development and conservation. In order to maximize the effectiveness of capital improvements in advancing such goals and objectives in a coordinated manner, and in order to efficiently use public funds, the Mayor shall develop and submit to the Council a proposed Capital Improvements Program, which shall include all city-funded public-purpose capital projects proposed to be built within ten years. The program shall include but is not limited to all projects financed by general obligation bonds, revenue bonds, Urban Enhancement Fund monies, Tax Increment Fund monies, Consolidated Plan monies, tax and rate revenues, Federal and State grants, metropolitan redevelopment bonds and special assessment districts. Projects built with industrial development bonds are not normally included.
- (F) The proposed Capital Improvements Program shall consist of a ten-year plan of capital expenditures, including a more detailed two-year Capital Improvements Budget. The proposed Capital Improvements Program shall include a listing of projects in order of priority and proposed year of construction or acquisition. Data on each project shall include:
  - (1) The anticipated capital cost of each project;
  - The anticipated source of capital funds for each project;

- (3) The estimated annual operating cost or savings for each project;
- (4) The estimated completion date of each project;
- (5) The adopted plan or policy, if any, which each project would help to implement;
- (6) The viable alternatives that were considered for each project and the reasons the proposed project is the most cost-effective and practical alternative for meeting the stated objective;
- (7) The project's ranking in whatever sequencing/priority-setting system is used as a basis for proposed programming; and
- (8) The impacts of proposed capital improvements on user rates (for enterprise fund projects); and
- (9) The percentage allocations of each project as "growth", "rehabilitation", "deficiency", and "mandate", which categories are defined in Bill No. F/S R-37 (Enactment 118-2000), establishing priorities for the 2001 Capital Improvement Plan; and
- (10) The capital projects of the enterprise funds shall be evaluated by the Capital Improvements Program staff in a similar manner as those for the General Fund.
- (G) All assets included in projects to be funded in part or in total from proceeds of general obligation bond issues or revenue bond issues shall have a minimum service life expectancy at least equal to the term of the relevant bond issue.
- (H) All CIP project items with a two year programmed amount in the General Fund and a one year programmed amount in the Enterprise Funds of \$100,000 or more shall be included in the CIP bill as a separate line item.
- Separate bond issues shall be sold to fund vehicles and equipment, the term of which bonds shall not exceed five years.
- (J) Three percent of each biennial Capital Improvements Program shall be reserved to fund the design, installation, purchase, user training and monitoring of Energy Conservation and/or Renewable Energy projects that reduce fossil fuel based energy costs for General Fund and Enterprise Fund Programs and that will demonstrably reduce energy consumption. This fund shall be known as the 3% for Energy Conservation and Renewable Energy Set-A-Side for Capital Improvements. The Planning for the fund shall be consistent with the requirements set forth in Article 2-12 ROA 1994.
- (K) The Department of Finance and Administrative Services will budget 3% of the General Obligation Bond Program for the 3% for Energy Conservation and Renewable Energy Set-A-Side for Capital Improvements.
- (L) Departmental applications for the 3% for the Energy Conservation and Renewable Energy Set-A-Side for Capital Improvements shall be submitted to the Facility, Energy & Security Management Division. A committee of City fiscal and technical staff shall approve selected projects based on established criteria. The committee may consult with subject matter experts outside of the City Government in the selection of projects. Criteria shall include but are not limited to:
- (1) The capital expenses of a project should be regained from energy savings generated from the project within the expected life of the equipment, and projects using renewable energy shall have a lower life cycle cost than a project using conventional energy based on the projected cost per unit by year for an energy resource as published in the United States Department of Energy, Energy Information Administration, Annual Energy Outlook Report or other sources identified by the committee. Preference shall be given to alternatives that meet the energy cost criteria.
- (2) If a proposal is for construction or installation, the scope of the project shall only be for Energy Conservation and/or Renewable Energy in existing facilities.
- (3) The monetary amount allocated to any one project shall not exceed 40% of the funding allocated to the 3% Energy Conservation and Renewable Energy Set-A-Side, during any one bond cycle unless approved by the City Council.
- (4) The project shall be consistent with the requirements set forth in Paragraph (D) of this Section.

(M) The Mayor shall obtain a Certificate of No Effect or a Certificate of Approval for each project that meets the applicability criteria of Ordinance 25-2007 and that is part of the Capital Improvements Program or the Component Capital Improvements Program prior to construction of the project.

('74 Code, § 1-10-1) (Ord. 34-1975; Am. Ord. 8-1986; Am. Ord. 56-1988; Am. Ord. 23-1992; Am. Ord. 16-2001; Am. Ord. 52-2002; Am. Ord. 9-2005; Am. Ord. 35-2006; Am. Ord. 25-2007; Am. Ord. 2012-002)

#### § 2-12-2 DEFINITIONS.

For the purpose of this article, the following definitions shall apply unless the context clearly indicates or requires a different meaning.

**BEST ENERGY PRACTICES.** Management of energy production and consumption to reduce energy use and costs, implement renewable energy, promote clean energy sources and the efficiency and maintenance of the city's energy infrastructure.

**ENERGY CONSERVATION.** Building materials, equipment and machinery and supplies that reduce energy costs for Enterprise and General Fund Programs by demonstrably reducing energy consumption or by furthering the implementation of renewable energy sources.

**RENEWABLE ENERGY.** Any energy resource that is naturally regenerated over a short time scale and is generated by use of low- or zero-emissions technology with substantial long-term production potential or generated by renewable energy sources that may include (1) solar, wind, hydropower and geothermal resources; (2) fuel cells that are not fossil fueled; and (3) biomass resources, such as agricultural or animal waste, small diameter timber, salt cedar and other phreatophyte or woody vegetation, landfill gas and anaerobically digested waste biomass and new technologies as they emerge. **RENEWABLE ENERGY** does not include electric energy generated by use of fossil fuel, waste products from fossil sources or nuclear energy. (Ord. 35-2006)

### § 2-12-3 ADOPTING THE CAPITAL IMPROVEMENTS PROGRAM; PUBLICATION.

- (A) The Mayor shall submit by November 21 of each even-numbered year, except as provided by division (C) of this section, the proposed Capital Improvements Program to the Environmental Planning Commission. The Environmental Planning Commission shall conduct at least one public hearing on responsibilities of the Commission for plans and policies on development and on protection of the environment as delineated in §§ 14-13-3-1 et seq. The Environmental Planning Commission shall submit its recommendations on the proposed program to the Mayor by December 1 of each even-numbered year. The Mayor is not required to revise the proposed Capital Improvements Program to incorporate the recommendations of the Environmental Planning Commission but may do so.
- (B) The Mayor shall submit the proposed Capital Improvements Program, including any recommendations of the Environmental Planning Commission, to the Council by January 3 of each odd-numbered year, except as provided by division (C) of this section.
- (C) The Capital Improvements Programs for the Air Quality, Aviation Enterprise, Parking Enterprise, Refuse Disposal, and Golf Enterprise Funds shall be developed in accordance with the following procedure:
- (1) The capital improvements appropriations for the above referenced funds shall be developed by the Mayor in conjunction with operating budgets and supporting rate proposals, if any, and shall be submitted to the Council no later than April 1 of each year.

- (2) The Mayor shall submit to the Council any proposed rate increases required for the proposed Capital Improvements Programs of the above referenced funds along with the operating budget no later than April 1st of each year. These Capital Improvement Program budgets shall be fully integrated into the proposed ten year program by the CIP Office.
- (D) The Council shall approve the Capital Improvements Program as proposed or shall amend and approve it. Council action shall be within 60 days after it has been submitted by the Mayor. This period begins on the date of introduction of the CIP bill at a City Council meeting. The Council shall hold at least one public hearing on the proposed program.
- (E) The city shall promptly publish the Capital Improvements Program as approved. ('74 Code, § 1-10-2) (Ord. 34-1975; Am. Ord. 8-1986; Am. Ord. 56-1988; Am. Ord. 35-1994; Am. Ord. 40-1995; Am. Ord. 16-2001; Am. Ord. 9-2005; Am. Ord. 35-2006; Am. Ord. 5-2007)

#### § 2-12-4 CITY COUNCIL PARTICIPATION.

- (A) Prior to the first City Council meeting in November of odd numbered years, the Mayor shall submit a resolution to the City Council with proposed policy guidelines for the upcoming Capital Improvements Program. The City Council shall adopt the resolution as submitted, or as amended by the City Council, on or before January 31 of even numbered years. Should the Council fail to provide policy guidelines on or before January 31, the Mayor's guidelines shall direct the development of the Capital Improvements Program.
- (B) During the preparation of the proposed Capital Improvements Program by the Mayor, he shall furnish any requested information on departmental requests to the staff of the City Council and shall cooperate with City Council staff so that it may monitor the program development process and prepare preliminary analyses and other information for the City Council.
- (C) A representative of the Council shall be allowed to attend the meetings during which the Mayor and CAO formally review the program recommendations by the CIP Review Group or other similar body.

(Ord. 26-1993; Am. Ord. 40-1995; Am. Ord. 16-2001; Am. Ord. 35-2006; Am. Ord. 2014-014)

#### § 2-12-5 AMENDING THE CAPITAL IMPROVEMENTS PROGRAM.

- (A) When it appears to the Mayor that sound Capital Improvements Planning requires amending that part of the Capital Improvements Program which is included in the two-year Capital Improvements Budget before presentation of a new program is due, he may change the amount designated for a specific project without Council approval under any of the following circumstances. For purposes of this section, a "project" is defined as a capital-related activity for which there is a specific and unique Council appropriation.
  - (1) The change does not significantly alter the project's scope and the total change:
- (a) Does not exceed 20% of the amount appropriated for that project in the Capital Improvements Program as approved if the appropriated amount for the project is less than one million dollars, and
- (b) Does not exceed 10% of the amount appropriated for that project in the Capital Improvements Program as approved if the appropriated amount for the project is between one million dollars and five million dollars, and
- (c) If the amount appropriated for the project is greater than five million dollars or the total increase or reduction will exceed the applicable percentage in subsections a and b herein of the amount designated for that project in the Capital Improvements Program, the Mayor shall submit his proposed change to the Council for approval.
- (2) The change combines parallel projects, usually in succeeding bonding years, and does not change the nature of any project involved in the combination. The Mayor shall notify the Council of the change in writing at the next regularly scheduled Council meeting after the change takes place.

- (3) The change combines all or parts of several projects into an approved or new project and does not change the nature of any project involved in the combination. The Mayor shall notify the Council of the change in writing at the next regularly scheduled Council meeting after the change takes place.
- (B) When it appears to the Mayor that sound Capital Improvements Planning requires amending that part of the Capital Improvements Program which is included in the two-year Capital Improvements Budget before presentation of a new program is due, and the Mayor is not permitted to make the change under the terms of division (A) of this section, he shall act as follows:
- (1) Before submitting an amendment to the Council the Mayor shall submit it to the Environmental Planning Commission for its evaluation; this need not involve a public hearing. However, this evaluation by the Environmental Planning Commission is not required in the following situations:
- (a) The project is not contrary to adopted city plans, and would not significantly affect city public utility systems, neighborhood land use, transportation, or the environment; or
- (b) The Environmental Planning Commission could not or does not provide an evaluation within the time that the Mayor feels is available in order for the city to respond to the special opportunity or need.
- (2) The Mayor shall submit to the Council for approval his proposed amendment, including any recommendations of the Environmental Planning Commission, according to the following schedule:
  - (a) In March, he shall submit amendments to the Council.
- (b) In October, he shall submit amendments to the Council which could not be foreseen when either the previous Capital Improvements Program or the previous March's amendments were presented to the Council, and in addition he finds that the amendments cannot prudently be delayed until the next Capital Improvements Program or March amendments.
- (c) At other times, he shall submit amendments only in unforeseen emergency or opportunity situations which cannot prudently be delayed until the following regularly scheduled submissions of changes.
- (C) Unless an amendment falls within division (A) or (B) above, the Capital Improvements Program shall not be amended until the next Capital Improvements Program is adopted.
- (D) In no case shall funds be designated or transferred under the provisions of this section without said funds having been previously appropriated by the City Council, either to a project or to the contingency activity within the respective purpose.

('74 Code, § 1-10-6) (Ord. 76-1975; Am. Ord. 47-1981; Am. Ord. 12-1983; Am. Ord. 84-1985; Am. Ord. 40-1995; Am. Ord. 52-1999; Am. Ord. 16-2001; Am. Ord. 35-2006)

### § 2-12-6 PROGRESS REPORTS.

The Mayor shall submit a status report to the Council summarizing the implementation of each Capital Improvements Program at annual intervals until all projects in the approved Capital Improvements Program are completed. The annual report shall be submitted by the first Council meeting in September of each year.

- (A) The annual report shall contain the following information for each current project in the Capital Improvements Program: (These requirements shall be included first in the September 2002 annual report.)
  - (1) Project name.
  - (2) Total estimate project cost.
  - (3) Total funding appropriated to project and also itemized as to source.
- (4) Status, e.g. feasibility study completed, design completed, date construction began or is anticipated to begin.
  - (5) Estimated completion date of project.

- (B) The status report shall also list every change made pursuant to § 2-12-5 and shall include the following information about each change:
  - (1) The specific project that was changed;
  - (2) The total amount originally approved by the Council for the project;
- (3) The amount of the increase or decrease that was authorized without prior Council approval;
  - (4) The reason(s) for the change; and
- (5) If the amount designated for a project was increased, the account(s) and project(s) from which the funds were transferred, or if the amount designated for a project was decreased, the account(s) and project(s) to which the funds were transferred.
- (6) If a change combines all or parts of projects, the individual account(s) and project(s) which were combined and the amount of funds involved from each.
- (C) An updated status report on Capital Projects shall be published on a quarterly basis on the city's website. Such report shall be user-friendly, accessible to the general public and contain graphic representation of Capital Projects in progress.

('74 Code, § 1-10-7) (Ord. 12-1983; Am. Ord. 11-1991; Am. Ord. 52-1999; Am. Ord. 16-2001; Am. Ord. 35-2006; Am. Ord. 18-2007)

#### § 2-12-7 TRAILS AND BIKEWAYS SET ASIDE.

An amount not less than five percent of funding for the Public Works - Street purpose of the Public Works Department in the Capital Improvement Program shall be dedicated to trails and bikeways. The projects funded through this set aside shall be consistent with the adopted 1993 Rank II *Trails and Bikeways Facility Plan* or any subsequent updates to the plan. The funds shall be administered by the Capital Improvements Division of the Office of Management and Budget. A memorandum of understanding shall be developed between the Public Works Department, the Parks and Recreation Department, and the Planning Department for the purpose of administering the funds. The trails and bikeways set aside shall not be used as a justification to decrease funding for this purpose from other sources.

(Ord. 20-1994; Am. Ord. 16-2001; Am. Ord. 35-2006)

# § 2-12-8 METROPOLITAN TRANSPORTATION PLAN AND TRANSPORTATION IMPROVEMENT PROGRAM SUBMITTALS.

- (A) The Mayor shall submit a proposed resolution to the City Council setting forth projects recommended for inclusion in the Metropolitan Transportation Plan (MTP) and the Transportation Improvement Program (TIP) of the Albuquerque Metropolitan Planning Area at least 30 days prior to the deadline for project submittals as established by the Metropolitan Planning Organization (MPO). Projects shall only be submitted to the MPO for inclusion in the MTP and/or the TIP by City Council resolution.
- (B) The city in preparing the projects to be included in the MTP and the TIP shall adhere to the rules set forth in the Mid Region Council of Governments Manual on Policies and Procedures of the Transportation Improvement Program for the Albuquerque Metropolitan Area.
- (C) The City Council may amend the recommended projects contained in the proposed resolution prior to adoption of the resolution and submission to the MPO.
- (D) Except for adjusting Federal Transit Administration Grant amounts to reflect the Federal Register, amendments to the City of Albuquerque's adopted MTP or TIP project list shall be submitted to the City Council for approval before submittal to the Metropolitan Transportation Board if the change meets one or more of the following criteria:
  - A project is added to or deleted from the MTP or TIP.
  - (2) There is a substantive change to a project scope.
- (3) A funding timeline for the project is moved forward or backward by more than three years.

- (4) Funding is removed or added that increases or decreases the dollar value of the federal funding for the project by more than 40%.
- (5) Funding is removed or added that increases or decreases the dollar value of the federal funding for the project by more than two million dollars.
- (E) A resolution adopting a project, or an amendment to an adopted project, shall include the following information about each project:
  - (1) The title.
  - (2) The geographic boundaries.
  - (3) The council district(s) the project is within.
  - (4) The transportation mode(s) the project supports.
- (5) Whether the project procures rolling stock, capital facilities or planning and programming support.
- (6) The project purpose including: does it add capacity to a facility, rehabilitate a facility, convert a facility from one mode to another or provide infrastructure for an additional transportation mode.
  - (7) Whether the project will reduce congestion and improve air quality.
- (8) The city policies, plans or land use assumptions that authorize development of such a project.
- (9) Identification of land use measure(s) (LUM(S)) the project furthers, how it furthers the LUM(S) and how the project supports the LUM(S).
- (10) Goals and objectives established under the procedures of § 2-11-3 ROA 1994, that the project accomplishes or furthers.
- (11) Whether the project is included in the Capital Improvement Program Decade Plan and also the Component Capital Improvement Plan.
  - (12) Total dollar value of the project.
- (13) The value of federal funds requested for the project and the type of Federal Highway Administration or Federal Transit Administration funding category from which the funds are obtained.
- (14) The value of state funds supplied to the project and the funding source within the state government from which they are provided.
  - (15) The value of city funds supplied to the project and the funding source.
  - (16) The value of private funds supplied to the project and the funding source.
  - (17) A schedule of the funding to be acquired by year.
  - (18) Other information the Mayor or City Council deems appropriate.
- (F) The City Council may issue a request to the Mayor for "other information" pertaining to a project no later than five days before the first public hearing of the resolution. (Ord. 26-2007)
