- William Street Recommendation

- BE IT RESOLVED, THE GREATER ALBUQUERQUE BICYCLING ADVISORY COMMITTEE FORMALLY RECOMMENDS TO CITY COUNCIL THAT:

- Section 1: William Street SE be designated a Class III Bicycle Route from the intersection of Pacific Avenue to the North, to Woodward Avenue to the South.

- Section 2: Pacific Avenue be similarly designated as a Class III Bicycle Route from its intersection with Edith Blvd. SE to the East, to the intersection with William Street SE to the West.

- Section 3: The City of Albuquerque provide adequate wayfinding signage for William Street and Pacific Avenue making it possible for users to knowledgeably navigate this vital connection to other bicycle facilities in the area.

- Section 4: City of Albuquerque's online bicycle map immediately include the portions outlined above, and that such revision take place in the next iteration of the City's printed official bicycle map.

- Silver Bike Boulevard Recommendations

- Parking Lane Proposed Ordinance Revision

- Parking Code does not prohibit parking in bike lanes. GABAC recommends the parking ordinance be revised to prohibit parking in bike lanes. A member of the public suggested the citation amounts be increased with the difference in fee being diverted to an account dedicated to future bicycle improvement projects. Ms. Luna suggested Nathan Todd (Santa Fe) as a resource for an ordinance revision.
