## Improvements are coming!

The City of Albuquerque and NMDOT are planning improvements to **West Central Avenue from Sarracino to 98th Street** to enhance safety, drainage, and accessibility. This is a vital corridor and it's time to make it safer and more accessible for everyone who uses it.

### Improvements include:

- ➔ Continuation of Frontage Road reconstruction and widening
- ➔ Storm drain system improvements
- ➔ Designated bike and pedestrian facilities
- ➔ Decorative street and pedestrian lighting
- ➔ Safety and access improvements at 98th Street, Bridge Boulevard, and 90th Street intersections
