# **HONOR Magazine's End-of-Year Updates**

**From the Editor**

**Jacky So**

FUSE Executive Fellow &  
HONOR Magazine Executive Editor

**This year marked a meaningful first step** for Asian Pacific Islander Native Hawaiian (APINH) communities in Albuquerque. Through new platforms, events, and partnerships, we focused on visibility, trust, and connection--showing what's possible when community voices are centered. This issue reflects both our progress and what comes next.

**APINH communities have been part of New Mexico since the 1800s**, yet until now there has been no centralized civic resource. That changed with the City of Albuquerque's launch of the **Office of APINH Affairs**, led by our inaugural Liaison, **Carlo James Aragón**. While New Mexico does not yet have a state population office or APINH Chamber of Commerce, the **Asian Business Collaborative** reports that APINH businesses contribute **nearly \$3 billion** to the state's economy.

**That's why this work matters.** HONOR Magazine and our new website, [cabq.gov/apinh](http://cabq.gov/apinh), help build the digital foundation for this effort. Together, they support transparent communication, responsible data practices, and systems that are increasingly **AI-ready**--ensuring our community is represented as technology shapes how decisions are made.

**Since our October launch**, your feedback has guided us. Our first **Community Impact Report** shows the **Progress & Trust score rising from 1.6 to 3.1 (out of 5)**. Many shared that cross-department collaboration and clear communication made them feel included. That partnership will remain central to how we work.

**HONOR Magazine is your platform.** With **three issues published**, we invite submissions for art, business profiles, career stories, photography, and resources. Our goal is **40 community contributions**--and we hope you'll share yours.

# What We Built Together: APINH Community Impact in 2025

Since we launched in October

In just a few months, the APINH Office launched new community infrastructure, reached hundreds of residents, and created new pathways for engagement and economic circulation.

This report highlights the milestones, partnerships, and outcomes that made 2025 a foundational year.

## You Shared / We Acted

### You Shared

You wanted visible, consistent City leadership and follow-through.

### We Acted

The APINH Liaison role was formalized, with ongoing cross-department collaboration and regular community engagement.

## What We're Improving Next

Based on community feedback, our next priorities are:

- Small business support & visibility
- Language access and inclusive communication
- Culturally centered events and spaces

## Have Your Say

Your feedback directly shapes this work.

Take the Progress & Trust Survey to help guide what we prioritize next.

# From Launch to Everyday Engagement

## Engagement & Reach: How the Community Showed Up

From our public launch to pop-up events and digital platforms, APINH residents and allies showed up and stayed engaged.

Website visits, magazine readership, and in-person participation reveal growing interest in City resources and APINH-led initiatives.

Tell us what you want to see more of as we expand our digital hub in 2026.

- A physical copy of the "HONOR Magazine" (Vol. 1, Issue 1, Oct 2025, EN) with a green cover featuring two stylized figures and the text "Building Belonging in Albuquerque".
- A QR code linking to the magazine.

# Health, Education & Civic Presence

## Showing Up Where It Matters: Health, Education, and Community Care

This year, APINH organizations and partners came together to meet community needs--through health fairs, educational events, and visible civic participation.

These moments reinforced a simple message: APINH communities belong in every civic space.

# Culture, Arts & Public Celebration

## Culture in the Public Square

From film festivals to heritage celebrations, APINH culture was visible, celebrated, and supported across Albuquerque.

These events created space for joy, storytelling, and intergenerational connection--while reinforcing that APINH culture is part of the City's shared identity.

# Economic Circulation: Supporting APINH Businesses

## Keeping Local Dollars Local

HONOR Magazine spotlighted APINH-owned businesses to encourage community support and local economic circulation.

By increasing visibility, we helped residents discover new places to shop, eat, and gather--strengthening small businesses across the city.

**33 APINH-Owned businesses  
represented in HONOR Magazine or outreach.**

# Spotlight: Talin Market Holiday Pop-Up Carnival

## Community, Culture, and Giving Back at Talin Market

More than 300 people gathered at Talin Market for a holiday pop-up carnival that combined culture, commerce, and community care.

The event raised funds for Roadrunner Food Bank while showcasing APINH gathering spots as a central component to uplifting local vendors and partners.

Thank you to our volunteers!

Tea Lab ABQ

Potato Cat Bakery

### Why this matters:

This event demonstrated how APINH-Owned businesses, like Talin Market, have capacity to serve as a hub for civic presence, business visibility, and community joy.

# Innovation Updates

## Innovation Rooted in Community

Innovation this year focused on building tools and spaces that help APINH communities participate, create, and lead.

From digital platforms to in-person experimentation, these efforts lay the groundwork for future growth.
