5) Attorney Report

- a) Mr. Alden clarified questions from the September meeting. He shared that the current ordinance does not include language discrimination. He recommended expanding the ordinance to explicitly include language discrimination protections. While the Board could potentially hear complaints under the current framework under national origin or ancestry and interpret protections broadly, Mr. Alden advised that an amendment to the Human Rights Ordinance (HRO) would provide a more certain legal footing and formally expand the Board's jurisdiction. The Board has the authority to recommend such an expansion to the HRO.
- b) Concerning fundraising and financial limitations, Mr. Alden explained that the Human Rights Board, while sometimes perceived as similar to a nonprofit organization, is not a distinct legal entity. The Board's functions are clearly defined by ordinance, and city boards are generally not authorized to engage in fundraising activities. Any necessary expenses should be addressed through conversations with the appropriate city departments, including the Office of Equity and Inclusion (OEI). The Board cannot maintain its own bank account as it lacks separate legal entity status, and accepting or donating funds would violate anti-donation clauses. These activities fall outside the scope of the Human Rights Board's authorized functions.

6) Director's Monthly Report - OCR

- a) Gabriela Marques requested one-on-one meetings with board members to learn about their work.
- b) The online complaint form has been updated and a definitions list was added to the website for clarity.
- c) The OCR/OEI will be using social media to promote Human Rights Day on December 10th and to recruit new board members.
- d) The City requests switching from Zoom meetings to Zoom Webinar, all in-person, or Zoom with YouTube streaming to reduce public interruptions while maintaining public comment opportunities. The board needs to decide on this technology change by December 2025.
- e) The Quarter 1 fiscal year 2026 report was shared with the board.

7) OEI Quarterly Report – Dr Cooper, Deputy Director

- a) Acknowledged the Constituent Services Coordinator who supported the Office of Civil Rights for many months.
- b) Launch of the new Office of Asian Pacific Islander Native Hawaiian Affairs event on October 18th
- c) OBCE (Office of Black Community Engagement) is progressing with the Ujima Collective training program for entrepreneurs.
- d) OFE (Office of Financial Empowerment), the Financial Summit is scheduled for December 11th at 4pm at the Albuquerque Museum.
- e) OIRA (Office of Immigrant and Refugee Affairs) has a new podcast launched:

"Voices Across Borders"

- f) There were multiple celebrations held for Indigenous Peoples' Day throughout the City, and they are continuing through the month.

8) Discussion & Proposals

- a) Additional Matters
 - i) Discussed whether amending the HRO is something the board wants to pursue. It was indicated that time is needed to review the ordinance, agreeing that language-based discrimination should be addressed. The board agreed to conduct a systematic analysis of the gaps in the Human Rights Ordinance and present its recommendations.
 - ii) The board consulted on how to proceed with the technology for the future meetings. Vice-Chair Bolton moved to approve using Zoom Webinar with an in-person option, with posting the recording on the GovTV post-meeting. Chair Dass seconds. Motion approved 4-0-3.
- b) Planning for 2026
 - i) The Board discussed holding a retreat on Wednesday, December 10th, which is Human Rights Day. It was noted that the retreat space will serve as an opportunity to plan activities and goal-setting for 2026. The time discussed was 12pm to 2pm, OEI will provide lunch, and the location is to be confirmed in a City building.
 - ii) Elections for Chair and Vice Chair positions will take place at the November board meeting. The elected officers will begin their terms in January 2026.

9) Announcements

- a) Next Human Rights Board will take place Thursday, November 20, 2025, in the Plaza del Sol Hearing Room and on Zoom at 5pm.

10) Adjournment.

- a) Meeting adjourned at 6:13pm by Chair Dass, seconded by Vice-Chair Bolton.

3. The Office of Civil Rights was merged with the Office of Consumer Protection, both under the Office of Equity & Inclusion.

HRB Challenges 2025

- (1) Difficulties⁸ filling the Human Rights Officer equivalent position of the Office of Civil Rights resulted in;
 - o inconsistent data collection and unclear administrative practices relating to the fulfillment of CABQ Ord. No. 2024-010, which significantly

⁸ These challenges are being resolved by the Director position within the Office of Civil Rights & Consumer Protections at this time. This challenge impacted the Board's work from 2024 through April 2025.

expanded the scope of the Human Rights Ordinance; and

- Miscommunications relating to technical administrative responsibilities for hosting meetings and providing public notice as required; and
- Increased workload on administrative staff members who were assigned the responsibilities of the Human Rights Officer equivalent position of the Office of Civil Rights.

(2) The Board was under-utilized as a resource of both the administration & council considering the powers and duties described in the following sections of the Human Rights Ordinance: **§11-3-5 (B, F, G, I, J)**

(3) Numerous and frequent changes in federal policies have significantly hindered the Board's efforts to;

- "Promote mutual trust, understanding and respect among the citizens of the Albuquerque community and between the citizens and their governmental agencies.
- Endeavor that all citizens may enjoy their rights and pursue their opportunities on an equal basis without unlawful discrimination; and
- Conduct programs of research and investigation into the existence, cause, prevention, and remedy of inter-group tensions and hostility, and prejudice and discrimination within the community and to inform and educate the citizens as to the results of such research and investigation." (11-3-5 (E))

HRB 2026 Goal Setting

- 1.** The Board will make efforts to reconnect with outside boards and agencies that have been collaborative partners in previous years, including but not limited to:
 - a.** Office of Civil Rights & Consumer Protections
 - b.** Office of Equity & Inclusion
