# IT TAKES A VILLIAGE MENTORSHIP GRANTS

It Takes a Village Mentorship Program is a grant program of the City of Albuquerque Office of Equity and Inclusion that brings together a group of community-based organizations who mentor Black and other youth who are in middle school or high school in Bernalillo County. These organizations match mentors with mentees and engage in activities that support the healthy development of youth, such as African “Rites of Passage” activities, referrals to services that assist with educational, social and health interventions, and positive adult-youth relationships. The Office of Equity and Inclusion will coordinate and monitor the achievement of program objectives through youth-serving organizations who receive a grant.
