Have a National Night Out Event in Your Neighborhood

Attend National Night Out

Set aside the evening of **Tuesday, August 1st 2017** to attend a **National Night Out Party** in your neighborhood or on your block. The event officially occurs between the hours of **7-9 p.m.**; however, you and your neighbors may choose to begin your activities earlier, for example, 5-9 p.m., especially for larger Neighborhood Association events.

Meet friends and neighbors with the same purpose in mind - coming together to banish drugs, gangs and crime in your community. To schedule a block party in your area, contact the:

Citizen Contact Center at 3-1-1 by Thursday, July 27th, by 5 p.m.

Provide your name, address, and phone number where we can reach you on the night of the event, the location of the event, the name of your association, and if you are representing a Neighborhood Watch or Neighborhood Association.

Reminder

In order for an Association or Neighborhood Watch to win a cash prize, you must register your event by:

Thursday, July 27th by 5 p.m.

Call the Citizen Contact Center at 3-1-1 to register.

POLICE • COMMUNITY PARTNERSHIPS

- Heighten crime and drug prevention awareness;
- Generate support for, and participation in, local anticrime efforts;
- Strengthen neighborhood spirit and police-community partnerships;
- Renew old acquaintances and establish new friendships by getting to know your neighbor; and
- Send a message to criminals letting them know neighborhoods are organized and fighting back.

Events and programs may vary from block to block and party to party. Make yours unique and memorable; have a cookout, potluck, dessert party, ice cream social or just come together to visit.

Win Cash For Your Neighborhood

National Night Out (NNO) is a great way to win cash for your neighborhood Association or Neighborhood Watch. You can put the funds to good use by improving your neighborhood. NNO participation awards will be drawn at random a few weeks after the event.

Turn on the Lights for Pennies a Day

One way to deter crime and show your support for National Night out is to leave your porch light on the night of August 1st . Porch lights that are on from dusk to dawn every night help keep neighborhoods safe. Use a compact fluorescent bulb or LED to keep energy costs low.

Security lights protect our homes. Well placed outdoor lighting can make our homes less desirable targets for criminals. Timers, motion detectors and photocells can be installed to turn lights on and off automatically. Make sure the timer or photocell is compatible with your bulb. Interior lighting also discourages criminals from entering your home. Put one or two lamps on a timer and use efficient bulbs to save energy.
