It is time to begin scheduling groups for our Group Use program for the upcoming 2014 summer season. Pools are available for Group Use from **June 2nd to August 1st**. We have twelve sites all together, seven outdoor and five indoor. The times and days you may choose from these pools will be on weekdays from 12:30-2:00 PM or from 2:00-3:30 PM (except for West Mesa Aquatic Center which will be 12:30-2:00 PM or 3:00-5:00 PM and Sandia Pool which is from 12:30-2:00 PM and 2:30-4:00 PM). The total number of children per group will be a maximum of 30. Scheduling at each pool varies, so please clearly indicate the day and time your group would like to come. It is possible to request more than one day a week. If this is something you are interested in please indicate which days on your request form and the pool will do their best to accommodate you. Please keep in mind that summer is our busiest season and there are numerous activities conducted at all of our sites. We will do our best to honor your first request. However, due to the high number of requests we may not be able to accommodate the exact day of the week or time you prefer, so please fill in your alternate preferences.

In order to maintain the safety of your group, **CHILDREN MUST BE ABLE TO STAND ON THE POOL BOTTOM** with their heads above the water. The shallow end of most pools is THREE (3) FEET DEEP with the exception of the Los Altos pool which is deeper (shallowest end is 3.5 FEET). We require that you have group leaders *in the water* with your participants (1 leader to every 10 children). **WADING POOLS ARE OFF LIMITS FOR GROUP USE BECAUSE OF THEIR LIMITED SIZE.** All children must be 6 years of age or older to participate in the Group Use program. Also, be advised that children should come dressed ready to swim. This will eliminate the distraction of watching clothing. **ALL CHILDREN AND ADULT SUPERVISORS MUST WEAR PROPER SWIMMING ATTIRE:** bathing suits with liners - no gym shorts, bike shorts or street clothes.

There are several options for the submission of your Group Use request. A blank request form can be filled out and sent back to the aquatics staff. You can either email the form back, fax the form or mail the form. Our newest form of submission can be found on the City of Albuquerque's Aquatics website. Here you can find a copy of this letter as well as an online request form. You can fill out the information so that it can be sent directly to our aquatics staff for processing. As it has been stated before our pools fill up quickly as this is a first come first serve program. We recommend sending your requests via email or via the online form as to make this process more efficient.

Below is our information for emailing, faxing or mailing your request form:
