

Eastern Trail Reroute Alternatives: Reroute option 1

- Residents' privacy would increase, but distance is shorter than they'd prefer
- Trail users' experiences would improve

Eastern Trail Reroute Alternatives: Reroute option 2

- Residents would benefit from increased privacy
- Trail users would experience the natural instead of built environment
- Best flow of reroute alternatives

Eastern Trail Reroute Alternatives: No Action

- No improvements to residential privacy or the trail user experience
- Current alignment is sustainable
- Comments were generally opposed to a reroute
- No additional human impact to the area
