Golf Advisory Board (GAB) Member Comments

Paul Bernier: Asked about the netting on #8, tree's along #14 and asked David about the rings on the greens, Paul asked about weeds around town and the golf course.

David Salas: Purchase of netting is in the works, 10 trees were planted along #14 and rings on the greens are fairy ring, it is a fungus but not a dangerous one. It comes from saturation. Weeds are London Rocket and are a very invasive weed; we did apply an application of pre-emergent within budget allowance.

Sharon Harrington: Spoke in behalf of Karla asking about the trash/waste pile between holes 14 and 16 at Los Altos, also asked about new teeing areas at Ladera and Los Altos

David Salas: Green waste dumped there thorough the year and compost smaller leafs and brush. Will clean up the garbage. Will get with Pro's on new forward tee boxes. We also had some discussion about new tee markers and marquees.

Lucy Gray: Sharon asked Lucy for a list of priorities; Lucy discussed the branch on #9 at Los Altos.

David Salas: We have not got the branch yet, working with Parks and their lift truck to get it.

Sally Hebert: Advised Dave that she had played at Puerto on Monday and that workers wouldn't move

David Salas: Will talk with Henry about this

Bernie Butterfield: Questioned status of pending Board members, talked about trees, asked about the rakes at PDS and said ADO was good.

David Salas: Mark and Karla are in the works, I spoke with Constituent Services office. Will discuss rake issue with Henry.

Denise Foor: Denise talked about the Ladies restroom door at the BearTrap restroom still not repaired; she also discussed the movement of a forward tee on #14 at ADO, uneven fairways at Los Altos Exec. 9, and potholes at the entrance of the club.

David Salas: I'm sorry I advised staff and was told it was done, I will follow up with John Allen. Will get with Tony and John about #14 Tee. Had talked with Loisel about uneven fairways and will address the potholes.

Dana Lehner: Dana provided a JR PGA golf update

Margarett Terpening: Had no updates

Old Business:

Los Altos Well – we still have a few minor issues that are being addressed relevant to the shutdown switches.

New Business:

2019 Goals

- No Goals reported
- Maybe Fiscal to provide a report at the next GAB meeting

Next meeting will be held at Arroyo Del Oso Golf Course on May 16, 2019.

Meeting Adjourned: 4:00pm.
