BOSQUE

IN THE GALLERY
July - September
Opening Reception
Sunday, July 5th 2 pm

For over one million years, the bosque has been a companion of the Rio Grande, expanding or shrinking depending on the whims of the water flow, offering sanctuary to wildlife and, more recently, people.

BOSQUE is a group exhibition focused on artists' expression of their relationship with the city's riverside forest. The show is a complex visual array, as complex and inspiring as the environment inspiring it.
