## Concessionaire Comments

**Bill Harvey of Ladera** – Complimented the grounds keeping staff on the top dressing. He said it was the best he has seen.

## Golf Advisory Board (GAB) Member Comments

**Denise Foor reported:** There are bare spots at ADO on the back 9 and 15 going towards par 3, par 5. Dave stated that they were spraying and seeding. The cart paths on the dam 9 are looking good. Played the executive course at LA and noticed a lot of damage in front of the greens. There were no complaints from the ladies.

**Mark Holeman reported:** asked about gift cards and how they get awarded in tournaments. What is the split difference with the Golf administration and concessionaires and if they can be used at all the golf courses. Dave/Gabe replied that yes, the gift cards can be used at all the courses and there is a percentage of the cards that get split up when reconciled for greens fees and the concessionaires.

**Dan Hedges reported:** Stated the putting green at LA #8 netting may need to be added. The culvert does leak and suggested pouring concrete to fix issue. Dave let him know that Lorenzo was aware and was going to add cobblestone. Mentioned that the Brassbutton kill was successful and now is a good time to fill the holes with sand. There is a slow recovery on the back of 17 but just might be weather related.

**Dan Turnham reported:** Stated the putting green at LA #8 netting may need to be added. The culvert does leak and suggested pouring concrete to fix issue. Dave let him know that Lorenzo was aware and was going to add cobblestone. Mentioned that the Brassbutton kill was

successful and now is a good time to fill the holes with sand. There is a slow recovery on the back of 17 but just might be weather related.

**Karla DeGroft reported:** That she got compliments on the restrooms and food service area. Wondering if there could be more signage at the entrance noting that the course is for golf only so we can enforce at LA. There was an incident with the public causing a nuisance on the fairway. This is a safety concern. Dave suggested the best option is to call APD. She was concerned about the mistletoe up in the trees at Ladera. Was told by various that the mistletoe will not harm it has been in the trees for many years.

**Tommy Borst reported:** Played the 9 holes on Tuesday and said the greens were in good shape. Had an issue with maintenance workers on the greens while he was trying to play. Wondering if the workers should wear hard hats for any safety equipment. Dave suggested no due to them understanding and are trained on how to be knowledgeable about safety when on the field. What type of OSHA training do they get? Stone markers are not correct, but funding is needed to fix this. Discussed options on how to pay for it. Noted that Henry had stated the stone markers had been updated. They do have the split tee colors on them now, but the yardage is not adjusted.

**Cris Grover:** She noted that the restrooms, both on the course and in the clubhouse, need to be cleaned regularly. Field restrooms look bad, Deb requested that Dave get the paperwork for the actual date as to when the restrooms were upgraded.

**Deb Thrall reported:**

- 1) Changes in Agenda –
  - a. Addition of Current Projects to Mgmt. Report is well received
  - b. Addition of Suggested Time Allotment to the agenda - needs to be adjusted so that the Board can spend more time on talking about how they can share positive project information with the public and get public support for more funding.
- 2) Review of finances –
  - a. Set up meeting with (505) 768-5321 Joey Rowe in July
- 3) Written Reports –
  - a. To make it easier for Melissa to incorporate comments in the minutes and facilitate less time spent during meeting. Also, Dave can respond to reports prior to meeting if needed to also lessen time discussing during the meeting.
- 4) Parks and Rec Advisory Board - need to work cooperatively with this Board as per our directive.

**Concerns:**

**I – Non-safety/health concerns – Public Information Requirement – Dave said he sent to new city PIO for posting**

- 1) - Post agendas
  - a. 2021 - Oct, Nov
  - b. 2022 - Jan, Feb, March, April
- 2) - Post Minutes for
  - a. 2020 – November is only minutes posted for that year

- b. 2021 – April and June are only minutes posted for that year
- c.2022 – Need Jan, Feb and March

**II - Issues resolved from 3/17/22 report**

**1) Schedule maintenance of drainage for Ladera near the cart barn. (10/15/21)**

Sewer system is being investigated for a more permanent fix with a snake being run through it.

**2) Appropriate signage for Los Altos, PDS and Ladera on fences. (11/15/21)** Signs have been posted but need more around the course as public still enters from all sides.

**Dave Simon:** reported that he would like to attend meetings as often as he can and thanked everyone for their help. Talked about the importance of the GAB in sharing information with the members back at their courses, the public and elected officials. Talked about the funding received and how it will be spent. Spoke about the lifetime passes and that they are not guaranteed or an entitlement. Lifetime passes is based on multiple factors. These passes need to be advertised more by the city as many don't know about it. Was informed of the request by Maintenance workers at LA in terms of sharing parking with Animal Control as per moving large equipment around.
