

ATTACHMENT B : EOI INFORMATION FORM

1. Identify which of the properties and fields identified above in Section III that your entity is interested in farming. *[1500 character limit]*

2. Describe your farming experience and methods. Be detailed and provide locations and dates. *[2500 character limit]*

3. List the maximum number of acres you have farmed at any given time (the OSD typically desires experience farming five acres or more) [*1500 character limit*].

4. Provide examples of how your farming practices will meet each of the following goals as they have been described above in Section II [2500 character limit]:

- Regenerative agriculture and farming practices
- Soil health and restoration
- Optimizing wildlife habitat
- Pest management
- Drought tolerant crops
- Programming

5. The OSD supports agriculture that is economically viable while supporting the goals and objectives outlined in this REOI. List the crops you have experience growing and the acreage of each of which you have maintained. *[2500 character limit]*

6. In order to sustain a standing wildlife crop throughout the year, the OSD requires a cutting schedule that prevents farmers from cutting/harvesting wildlife crops during certain times of the year. Please outline and describe how you would accommodate this requirement for cutting and maintaining wildlife crops? *[1500 character limit]*

7. Please identify and describe any experience you have working with the public or offering public programs that involved teaching about farming and gardening to pass down to future generations. Please provide examples of how you have educated, or would be willing to educate, future farmers and other members of the public for this purpose. *[2500 character limit]*

8. Farmers with whom the City of Albuquerque contracts are required to work closely with Open Space staff and partners to achieve the City's goals and objectives. Describe how you have worked in the past with community groups and other agencies. *[2500 character limit]*

9. OSD farms are irrigated using flood irrigation and infrastructure provided by the Middle Rio Grande Conservancy District ("MRGCD"). Please cite your experience using this type of irrigation including working with an external agency to schedule flood irrigation and maintenance of ditches. *[2500 character limit]*

10. List the equipment and resources you currently own and have access to in order to farm a variety of crops. (i.e. tractors and attachments, bush hogs, hay rakes, equipment for weeding and maintaining irrigation ditches, etc.) *[1500 character limit]*

11. Farmers with whom the City of Albuquerque contracts are required to submit to the OSD a crop plan. Please describe your experience with and your ability to use a template provided by the OSD to illustrate your crop plan. *[2500 character limit]*

12. List your certifications for using herbicides, pesticides, and fertilizers. All farmers with whom the City contracts are required to maintain accurate records of any applications of the above products. *[1500 character limit]*

13. Describe your experience maintaining and repairing farm equipment and infrastructure and provide examples. *[2500 character limit]*

14. Describe your experience maintaining and repairing flood irrigation including ditches and gates and provide examples. *[2500 character limit]*

- 15 . Identify and describe what human resources you would have available for the farming described in this REOI such as staff, contractors and/or volunteers. *[2500 character limit]*

16. Please confirm that you either already have or are willing and able to acquire the following types and amounts of insurance coverage and are willing and able to agree that as to all required coverages other than workers' compensation, the City shall be named an additional insured, and that all coverages afforded shall be primary with respect to operations provided. *[1500 character limit]*

(a) Commercial General Liability Insurance. A commercial general liability insurance policy with combined limits of liability for bodily injury or property damage as follows:

\$1,000,000	Per Occurrence
\$1,000,000	Policy Aggregate
\$1,000,000	Products Liability/Completed Operations
\$1,000,000	Personal and Advertising Injury
\$ 50,000	Fire - Legal
\$ 5,000	Medical Payments

Said policy of insurance must include coverage for all operations performed for the City by the Contractor.

(b) Automobile Liability Insurance. An automobile liability policy with liability limits in amounts not less than \$1,000,000 combined single limit of liability for bodily injury, including death, and property damage in any one occurrence. Said policy of insurance must include coverage for the use of all owned, non-owned, hired automobiles, vehicles and other equipment both on and off work.

(c) Workers' Compensation Insurance. Workers' Compensation Insurance for its employees in accordance with the provisions of the Workers' Compensation Act of the State of New Mexico.
