Major Public Open Space

The City of Albuquerque is built upon the legacy of shared public lands and has been involved in land preservation through property acquisition since 1963. Currently, the City manages 30,603 acres of MPOS.

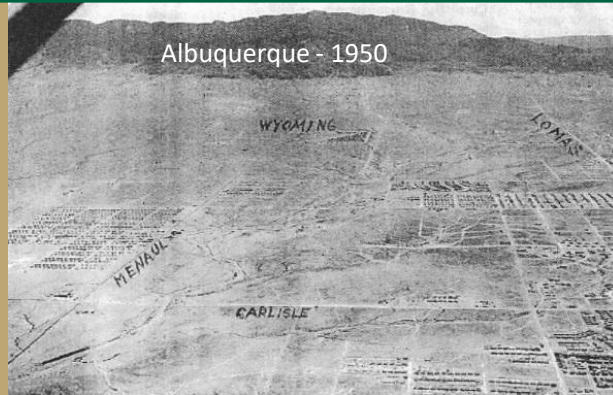

The OSD has management responsibilities for the Rio Grande Valley State Park through State Statute and a Joint Powers Agreement with the Middle Rio Grande Conservancy District.

Phoenix - urban sprawl

Albuquerque - 1950

- Picnic Area
- Small Boat Launch

INFORMATION

As the northern the primary gateway to the Rio Grande Bosque, Alameda Open Space provides both natural and hard surface trails that run along the length of the Albuquerque Bosque. Characterized by cottonwood forests and riparian wetland habitat, the area is home to waterfowl, fish, porcupines, coyotes, and many more species.
