A MESSAGE FROM THE MAYOR

Friends,

With winter behind us and spring in full bloom, the Parks and Recreation Department is ramping up for another healthy summer in the Duke City!

Our Summer 2013 Summer Resource Guide is full of information about quality, affordable recreational activities for you and your family. From golf to rock climbing, our programs and facilities are tailor made to help you get the most out of the summer season and improve your health in the process. Also included are highlights from our Cultural Services and Family and Community Services Departments.

Please see page 3 in this resource guide Guide, which highlights my health and wellness initiative called **"Step It Up Albuquerque!"** I encourage everyone to join me and get active by visiting our parks, recreation facilities, Open Space and Trails.

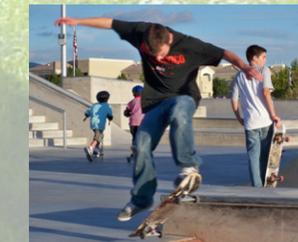

Enjoy your summer!

MAYOR

Esperanza Community Bike Shop
 Esperanza means hope. At the Esperanza Community Bike Shop we hope to create a better Albuquerque by promoting bicycle education and transportation. With some basic knowledge and access to the necessary equipment bicycling can be a safe, healthy, dependable, inexpensive, and fun way to get around. The Esperanza Community Bike Shop will introduce people of all ages to the joy and freedom of bicycle riding, and provide opportunities for them to learn how to repair bicycles. At the Bike Shop we will not fix your bike for you; instead, we show you how to fix it yourself. In our classroom, participants will build confidence, critical thinking skills, self-esteem, leadership and life skills. They will also learn what it means to give back to their community - through logging community service hours, participants can earn their own bicycle and also discover they have valuable skills to offer others in need. Operating as a cooperative shop, we will provide affordable ways to acquire and maintain a bike, offer youth programs, encourage re-use and recycling, and work with community groups to get more people on bicycles.

- Programs**
- APS and Government/civic groups**
- Flat tire repair: 2 hour class approx 20 youth max.
 - Earn a bike: 6-8 sessions class 1.5 hours per session 12 youth max
 - Mechanic classes: one time 6 hours class (other arrangement can be made) 12 youth max
 - Work study: Length and time arranged on an individual basis
- General public**
- Bicycle library: One of the best features of the Esperanza Community Bike Shop is the "Bike Library" program. Youth and adults can check out bikes for a period of a month by completing the required bicycle education courses. This provides community members the opportunity to test out biking for the first time or to have access to free transportation.
 - Advanced Bicycle Mechanics classes: The bike safety education program offers 4, one day, 6 hour Advanced Mechanics classes per year
 - Bicycle Commuting Essentials classes: The bike safety education program offers at least 4 of these 2.5 hour classes. Topics to be covered are bike safety and flat repair.
 - Traffic Skills classes: This 8 hour class offers for people who want an in-depth class on most aspect of cycling. This class is required for future League of American Bicyclists (LAB) instructors.

Bike classes

Commuting Essentials: 6/8, 7/13, 8/10

Advanced Mechanics: 6/1, 8/3

SWIM LESSONS

Classes are arranged by age:

- Parent Tot: 6 months - 3 years
- Preschool: 3 - 5 years
- Child: 6 - older

Child classes are organized by "waves," or skill levels.
 •We do not offer private swim lessons at any of our pools.

CHILD LESSON WAVES

Children over the age of 5 are divided into waves based on skill level. When your child masters the skills listed below, he or she will earn a certificate and move to the next wave.

Wave 1 - Beginner

Students learn basic water skills, floating, submerging, breath holding, and safety skills and rules.

Wave 2 - Beginner

Students learn front crawl stroke (freestyle), how to use a kickboard, jumping in, and safety skills and rules.

Wave 3 - Intermediate Beginner

Students review and improve on front crawl, learn to swim on back, introduced to deeper water, and safety skills and rules.

Wave 4 - Advanced Beginner

Students learn elementary backstroke and review front crawl skills, large emphasis on safety, how to dive, and by the end of the class they should be able to swim 25 yards of front crawl and elementary backstroke.

Wave 5 - Intermediate

Students review strokes, learn elementary back crawl, breast stroke, and underwater swimming.

Wave 6 - Intermediate

Students learn side stroke, starts and turns, distance swimming, and butterfly stroke.

Wave 7 - Metro Aquatic League (ages 5-14)

Learn and master the basic skills of competitive swimming. Students will participate in organized swim meets and a City Championship at the end of the summer.

TENNIS

Jerry Cline Tennis Complex 7205 Constitution NE Phone: 224-6682

The new Jerry Cline Tennis and Community Recreation facility provides Albuquerque tennis players a place to prepare before hitting the hard courts: complete with a drive up drop off circle, locker rooms and restrooms for park users. This facility consists of 18 tennis courts; thirteen are lighted. You may reserve the courts by phone or in person. Reservations are taken two days in advance beginning at 8:00 am. On Thursdays, reservations may be made for both Saturday and Sunday. See below for court rates and pass information. A ball machine is available for \$8 per court hour. Call for seasonal hour changes.

Sierra Vista West Tennis Complex 5001 Montañó NW 897-8815

This complex consists of 10 courts and a swimming pool. The reservation policy for Sierra Vista is the same as Jerry Cline. Sierra Vista has a ball machine as well. Court and ball machine charges are the same. Call for seasonal hour changes. Both sites offer a variety of programs including instruction, leagues, junior development, novice groups, tournaments, and drop-in tennis.

Daily Rates & Passes

Adult Drop In at Jerry cline

What is it? Drop-in is an informal, friendly tennis league sponsored by the City of Albuquerque and run by the Jerry Cline Tennis Center. One must have minimal intermediate skills to qualify (2.5 level), as determined by the director. Juniors are generally not permitted, but an occasional exception may be made. Players range from the 2.5 to the 4.0 levels. The cost for all Drop In sessions is \$3:00.

Morning Drop-in Days: Monday through Friday.

Time: Beginning May 1st, players sign in between 7:45 and 8:00 a.m. The last to arrive may have to begin with singles or the ball machine, or be left out, so one should arrive on the early side if possible. Players have a choice of playing one round until 8:30, two rounds until 9:15, or three rounds until 10:00 a.m. Courts are limited so arrive early.

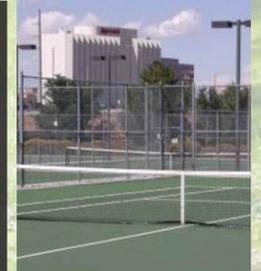

Evening Drop-in: Monday and Wednesdays.

Start Time: 1st round begins as players arrive shortly before 6 to about 6:15 p.m. Players have a choice to play one round until 6:40, two rounds to 7:15, or three rounds until 8:00 p.m.

Adult Drop In at Sierra Vista:

Sunday mornings: 8:30 a.m. start time (arrive early-limited spots). Friday Evenings at 5:30 p.m. (Starts May 13th). Call Sierra Vista for more information at 897-8815. Cost: \$3:00.

For more information on the City of Albuquerque Tennis Program, please call (505) 224-6682

BIKE RODEO

This program will teach the child how to "drive" their bike through a safety talk and hands-on experience. The lessons learned will help the child avoid injuries and how to follow the rules of the road. The program will provide bikes, helmets, props, signs, and the best instructor in the country. Groups must provide at least 15 youth, a smooth surface (parking lot or basketball court) and some adult help.

The bike rodeo is a **free event offered to all community centers.**

The Bike Rodeo is appropriate for children going into 3rd grade through 6th grade. The bike Rodeo will begin with a 45 minute safety presentation. The presentation is offered to all children at the center. After the presentation the children will be broken up into groups of 20-25 kids. The groups will rotate in 45 minute increments through the outside portion of the Bike Rodeo. The outside portion consists of the children riding through a simulated road. Cancellations may be appropriate if the weather does not permit it safe to ride, i.e. rain and lightning. If a cancellation occurs at your center our staff will do the inside presentation and accommodations will be made to bring the outside portion of the Bike Rodeo back to the Community Center.

Any group interested in hosting a bike safety clinic for youth ages 7-10 can call (505) 768-BIKE (2453) to schedule a Bike Rodeo.

MOBILE CLIMBING WALL

The Outdoor Recreation Section of the Parks and Recreation Department operates a portable climbing wall that can travel almost anywhere. We have auto and manual belay systems that can accommodate up to four climbers at once. This is a learning experience designed to introduce the sport of climbing and challenge the climber.

Scheduling: Users must have at least 25 climbers participating. Users can not charge or profit financially from the use of the climbing wall. The climbing wall is best utilized by schools, youth groups or other learning organizations. All participants must be taller than 43" and under 300 lbs.

Rental costs for the City of Albuquerque's climbing wall:

- Non-Profits: \$100 per four hours
- For Profit: \$500 per four hours

About Open Space Division

Open Space works to acquire and protect the natural character of land designated as major public Open Space in the 1988 revised City of Albuquerque Comprehensive Plan. These lands, which are more than 29,000 acres in and around Albuquerque, are managed to conserve natural and archaeological resources, provide opportunities for outdoor education, provide a place for high and low impact recreation, and define the edges of the urban environment.

Officers from the Albuquerque Police Department patrol Open Space areas by foot, vehicle, horseback, and mountain bicycle. These fully commissioned law enforcement officers make contact with the public to educate and oversee compliance with rules and regulations. Their dual mission is to protect the Open Space lands and resources while ensuring a safe and enjoyable visit. In addition to these officers, Open Space lands are regularly monitored by volunteers, who are trained to observe and protect the natural characteristics of the environment.

Veterans Memorial Park

The Veterans Memorial Park is a special place to respect our Veterans past, present and future who have served our country here and other places around the world. The design of the New Mexico Veterans' Memorial Park is intended to speak to all veterans about their experience. From the moment of decision to become a member in service to one's homeland, to the return home, veterans share certain experiences and memories. The design evokes those memories. The Memorial Rose Garden is located in the New Mexico Veterans' Memorial Park at the southern end of Phil Chacon Park in Albuquerque, New Mexico. It is a unique place to recall experiences common to many veterans such as The Call, The Preparation, The Battle, The Conversations, The Word From Home, The Fallen Friend, and The Homecoming. The gardens, the sculptures, and the beautiful Sandia Mountains provide settings for memories, but the memories of the visitors themselves are the true memorial. Covering 25 landscaped acres, the New Mexico Veterans' Memorial Park provides places for reflection and celebration of those that answered the call.
