A courtesy runner must be announced before the next legal pitch. In coed allow one courtesy runner per gender, per inning.

FENCES

Due to the maintenance problems, we request that you **DO NOT** bat balls against, or scale the chain link fences.

PITCHING

Before starting the delivery pitch, the pitcher shall comply with the following:

- A. When taking the pitching position in contact with the pitcher's plate, the pitcher must have their hands separated and must have the ball in either the glove or the pitching hand.
- B. The pitcher shall not be considered in the pitching position unless the catcher is in position to receive the pitch.
- C. One foot must be on the ground within the 24-inch length of the pitcher's plate. The shoulder shall be in line with the first and third bases. The pitcher shall take a position with their pivot foot in contact with the pitcher's plate and their non-pivot foot in contact with or behind the pitcher's plate.
- D. While on the pitcher's plate, the pitcher shall take the signal or appear to take a signal with the hands separated. The ball must remain in either the glove or pitching hand.
- E. The pitcher shall bring the hands together for not less than one second and not more than 5 seconds before releasing the ball. A backward step may be taken before, simultaneous with or after the hands are brought together. The pivot foot must remain in contact with the pitcher's plate at all times prior to the forward step. Effect, any infraction of A-E is an illegal pitch. If the batter strikes at any unfairly delivered pitch, it shall be declared a strike with no penalty for the unfairly delivered ball. The ball remains in play if batted by the batter. All action as a result of the batted ball stands. No option is given. When a runner passes a base, the runner is considered to have touched that base.

Legal delivery

1. The pitcher must not make any motion to pitch without immediately delivering the ball to the batter.
2. The pitcher must not use the pitching motion in which, after bringing the hands

together, the pitcher removes one hand from the ball, and returns the ball to both hands.

3. The pitcher must not make a stop or reversal of the forward motion after separating the hands.
4. The pitcher must not make two revolutions of the arm on the windmill pitch. A pitcher may drop the arm to the side and to the rear before starting the windmill motion.
5. The delivery must be an underhand motion with the hand below the hip and the wrist not farther from the body than the elbow.
6. The pitch shall be delivered on the throwing arm side of the body and not behind the back or through the legs.
7. The release of the ball and the follow through of the hand and wrist must be forward and past the straight line of the body.
8. In the act of delivering the ball, the pitcher must take one step with the non-pivot foot, simultaneous with the release of the ball. The step must be forward toward the batter. It is not a step if the pitcher slides the pivot foot across the pitcher's plate toward the batter, or if the pivot foot turns or slides in order to push off the pitcher's plate, provided contact is maintained with the plate. Raising the foot off of the pitching plate and returning it to the plate creates a rocking motion and is an illegal act.
9. Pushing off with the pivot foot from a place other than the pitcher's plate is illegal.
10. Pushing off and dragging the pivot foot in contact with the ground, or if both feet are in the air, having the toes of the pivot foot in the downward direction is required.
11. The pitcher shall not make another revolution after releasing the ball. The pitcher shall not deliberately drop, roll or bounce the ball in order to prevent the batter from hitting it.
12. The pitcher has 5 seconds to release the next pitch after receiving the ball or after the umpire indicates "play ball."

The pitcher's box consisting of the area from the front of the pitcher's plate, 50 feet from home plate, and extending back six feet perpendicular to the pitcher's plate shall be used. The pitcher's box acts as an optional extension of the pitcher's plate. All pitching rules will apply. **NO JUCKING ALLOWED**

PITCHING SCREEN

1. Pitchers have the option of using the screen. If the pitcher starts with the screen he/she must finish with it.
2. A batted ball striking the pitcher's screen shall be deemed a dead ball. If the courtesy has already been used, the ball will be dead and the batter will be called out. If the batter hits the screen twice in the same at-bat, he/she will be called out.
3. **0/0 count with a NO COURTESY FOUL BALL will be in effect.**
4. The pitcher is responsible for positioning the screen; right-handed pitcher must pitch from the third base side of the screen and left-handed from the first base side. The screen is to remain uprights at all times.
3. Pitching screen must be placed in front of the pitcher's plate with the brace at the outside corner tip of the plate.
4. Once the screen is set it can't be touched by any participant.
5. On defense the screen is part of the field and the ball is live. The screen may not be touched by any participant and must remain upright.
6. The pitching screen includes any and all parts; frame, tires, etc.

7. No tampering with the pitching screen.

PLAYERS

All slow-pitch games must start with at least nine (9) participants, and finish with no less than NINE (9) participants. However, an out shall be declared when the 10th position in the lineup is scheduled to bat.

Managers can add the 10th participant at the end of the lineup upon arrival. If a participant is injured he/she can be scratched out of the lineup and each player after will move up in the batting order. If a participant is ejected and there are no substitutes every time that batter appears in the lineup, he/she will be declared an out.

In coed a minimum of NINE (9) must start a game and finish with no less than NINE (9) players. In the event a team starts with nine (9) there must always be five (5) female players in the lineup. Teams starting with ten (10) players must also have 5 males and 5 females in the lineup. An out shall be declared for the ninth and/or tenth position in the lineup when that position is scheduled to bat. A ninth or tenth player may be added in the ninth and/or tenth position of the line up at any time before the end of the game. Male and female players must alternate in the batting order. Teams must have two males and two females in both the infield and the outfield and one male and one female as pitcher and catcher. Teams cannot have more males than females in the lineup. When a male batter receives a base on balls or intentional walk, he will be awarded first and second base with the next female batter having the option to walk or bat.

All Softball Leagues can bat an unlimited roster.

PROTEST

Two types of protest may be requested.

1. A protest based on the misinterpretation of a playing rule shall be filed by the manager/captain immediately, and before the next legal/illegal pitch is made to the batter. Should a manager/captain decide after play has resumed, or after the game is over, that he/she wished to protest, the protest will be denied. Field Supervisors will have the final decision on all protest.
2. A legal protest must include:
 - a. The date, time, and place of the game.
 - b. The decision and/or condition surrounding the cause for the protest.
 - c. All essential facts involved in the matter of the protest.
3. A protest based on the use of an illegal/unregistered participant. To do so the manager must protest after such participant is entered into the game and prior to such participant completing his/her second time a bat. Upon proper protest the umpire will have participant produce a pictured ID (i.e.: driver's license, school ID, etc.) and game will resume. The umpire will note the protest and inform the Sports Office the following workday. If the questioned player is not on the roster, the game will be forfeited. Failure to present a pictured ID card at the field, during a protest, will result in a forfeit.

PENALTY:

1. Manager(s) may be suspended for one calendar year and must appear before the Advisory Board, if using suspended/unregistered participants. Managers using suspended/unregistered participants will automatically forfeit game at point of detection.
2. All other forfeit rules apply.

RUN RULE

Slow-Pitch Softball (Men – Women – Coed) will use the ten (10) run rule after five complete innings or any inning thereafter.

SCORE CARD

The card should be signed at the end of the game to ensure accurate reporting of scores. Neither the score, nor the standings will be changed if the score card is not signed at the end of the game.

Make sure you verify the score before you sign the card.

SCORING

On a fair fly ball hit over the fence for a home run, the batter and all base runners are credited with a score. The batter and any runner on base do not need to advance and touch the bases. They should go directly to the dugout area. This would eliminate any base running appeals.

TIME LIMIT

Slow-Pitch games shall be fifty-five (55 minutes), or seven innings whichever ever occurs first. The inning in progress will be completed. If the home team is ahead, the bottom part of that inning will not be played.

In case of a tie game at the end of the time limit, or at the end of seven (7) innings whichever occurs first, one extra inning will be played, if teams are tied after the extra inning, it will remain a tie game. The last completed batter must start at second base. A courtesy runner may only be inserted only after the runner on second base has advanced to third base. A courtesy runner must be announced before the next legal pitch. If teams are still tied at the end of the extra inning, game will be declared a tie. A game called by the umpire or field supervisor shall be regulation if five or more complete innings have been played.

There will be no infield practice in any softball game, including between innings.

- ▶ HOME TEAM WILL BE DESIGNATED ON THE SCHEDULE.
- ▶ HOME TEAM WILL OCCUPY THE THIRD BASE DUGOUT.
- ▶ HOME TEAM WILL KEEP THE OFFICIAL SCORE. FAILURE TO HAVE A COMPETENT SCOREKEEPER MAY RESULT IN FORFEITURE OF THE GAME. THE VISITING TEAM HAS THE OPTION OF KEEPING SCORE AND BECOMING HOME TEAM, IF THE HOME TEAM DOESN'T HAVE A COMPETENT SCORE KEEPER.

UMPIRES

Umpires assigned will have the power to banish any manager, participant, or sponsor from the participant's bench or field for misconduct, delay of the game, or any other reason deemed necessary for the good of the game. The umpire's decision shall be final, except those regarding misinterpretation of the playing rules.

All umpires assigned will submit a written report to the Sports Office within twenty-four (24) hours after the game in which a ejection/banishment has occurred. The reports will focus on the team and participant conduct. Any participant causing a forfeit is suspended for a minimum of (2) two games. Any participant banished from the game by the umpire shall be required to leave **(OUT OF SIGHT, OUT OF SOUND)** and shall not be allowed to remain in the stands or vicinity of the playing field or direct remarks toward the umpire during the remainder of the game.

Any participant who is ejected from a game will automatically be suspended from his/her team's next scheduled game. They may be suspended further if they are required to go in front of the Sports Advisory Board.

Any participant who is banished and does not leave the playing area may cause the game to be forfeited.

Any player causing their team to forfeit will at minimum will be suspended for 3 games. Player may be required to go in front of the Sports Advisory Board. If player goes in front of the Board, they are suspended until their appearance and a decision is handed down by the board.

When a participant is ejected and your team doesn't have a substitute for the ejected participant that position will be an out every time the ejected participant is up to bat.

A participant is able to participate on more than one team, as long as he/she plays on teams that are within the same division/league.

NOTE: Once a participant has established themselves on a league, he/she **cannot** move to a different league.

Suspension: Violation of this rule may result in a one-year suspension from league play.
