Open Space Outreach Programs

Call to set up a field trip, service project or to arrange a classroom visit by Open Space Staff as an introduction to outings or during those times of year when an outdoor field trip is not practical. Students will learn about the Open Space program, as well as many cultural and natural resources. Talks may cover a variety of topics such as animals and wildlife, the Bosque, agriculture, cultural artifacts and histories, geology or the formation of local features such as the volcanoes. Educators may request specific topics to complement current classroom curriculum. **TEACHERS!** Did you know that you can apply for a Get Into Open Space Transportation Award for Service Project outings to an Open Space area? Please check cabq.gov/openspace for information or contact Kyle Bality Open Space Education Coordinator at 452-5205, kbality@cabq.gov. for this or other Open Space activities.
