PARKS AND RECREATION DEPARTMENT
ADULT LEAGUE RULES/POLICIES AND PROCEDURES
(All rules in this document supersede the affiliate rule book.)**

TIME OF PLAY Games shall start at the time designated on the schedule. A five (5) minute “grace period” will be granted if a team does not have enough players for the 6:30 game on the weekday and the 5:30 game on Sunday. However, if you can field a team at your scheduled game time, officials will not wait for specific participants. Clock starts at scheduled game time. A forfeit will be called if a team fails to appear on the field, or being on the field, refuses to begin the game for which it had been scheduled at the time the game was assigned.

RULES AND REGULATIONS Softball games will be governed by a 2018 softball affiliate unless superseded by this document and where smaller fields, walls, dimensions, or clearances exist at City facilities. Then such circumstances will supersede all. Please visit www.ussa.com for all other rules.

RUN RULE Slow-Pitch Softball (Men – Women – Coed) will use the ten (10) run rule after five complete innings or any inning thereafter.

PITCHING RULE Before starting the delivery pitch, the pitcher shall comply with the following:

- A.** When taking the pitching position in contact with the pitcher’s plate, the pitcher must have their hands separated and must have the ball in either the glove or the pitching hand.
- B.** The pitcher shall not be considered in the pitching position unless the catcher is in position to receive the pitch.
- C.** Both feet must be on the ground within the 24-inch length of the pitcher’s plate. The shoulder shall be in line with the first and third bases. The pitcher shall take a position with their pivot foot in contact with the pitcher’s plate and their non-pivot foot in contact with or behind the pitcher’s plate.
- D.** While on the pitcher’s plate, the pitcher shall take the signal or appear to take a signal with the hands

separated. The ball must remain in either the glove or pitching hand.

- E. The pitcher shall bring the hands together for not less than one second and not more than 10 seconds before releasing the ball. A backward step may be taken before, simultaneous with or after the hands are brought together. The pivot foot must remain in contact with the pitcher's plate at all times prior to the forward step. Effect, any infraction of A-E is an illegal pitch. If the batter strikes at any unfairly delivered pitch, it shall be declared a strike with no penalty for the unfairly delivered ball. The ball remains in play if batted by the batter. All action as a result of the batted ball stands. No option is given. When a runner passes a base, the runner is considered to have touched that base.

Legal delivery

1. The pitcher must not make any motion to pitch without immediately delivering the ball to the batter.
2. The pitcher must not use the pitching motion in which, after bringing the hands together, the pitcher removes one hand from the ball, and returns the ball to both hands.
3. The pitcher must not make a stop or reversal of the forward motion after separating the hands.
4. The pitcher must not make two revolutions of the arm on the windmill pitch. A pitcher may drop the arm to the side and to the rear before starting the windmill motion.

6. The pitch shall be delivered on the throwing arm side of the body and not behind the back or through the legs.
7. The release of the ball and the follow through of the hand and wrist must be forward and past the straight line of the body.
8. In the act of delivering the ball, the pitcher must take one step with the non-pivot foot, simultaneous with the release of the ball. The step must be forward toward the batter. It is not a step if the pitcher slides the pivot foot across

- the pitcher's plate toward the batter, or if the pivot foot turns or slides in order to push off the pitcher's plate, provided contact is maintained with the plate. Raising the foot off of the pitching plate and returning it to the plate creates a rocking motion and is an illegal act.
9. Pushing off with the pivot foot from a place other than the pitcher's plate is illegal.
 10. Pushing off and dragging the pivot foot in contact with the ground, or if both feet are in the air, having the toes of the pivot foot in the downward direction is required.

1. Pitchers have the option of using the screen. If the pitcher starts with the screen he/she must finish with it.
2. A batted ball striking the pitcher's screen shall be deemed a dead ball. If the courtesy has already been used, the ball will be dead and the batter will be called out. If the batter hits the screen twice in the same bat, he/she will be called out.
3. 3/2 count with a courtesy foul ball will be in effect.
4. The pitcher is responsible for positioning the screen; right-handed pitcher must pitch from the third base side of the screen and left-handed from the first base side. The screen is to remain upright at all times.

8. The pitching screen includes any and all parts; frame, tires, etc.
9. No tampering with the pitching screen.

TIME LIMIT

The last completed batter must start at second base. A courtesy runner may only be inserted only after the runner on second base has advanced to third base. Upon proper protest the umpire will have participant produce a pictured ID (ie: driver's license, school ID, etc.) and game will resume. The umpire will note the protest and inform the Sports Office the following workday. If the questioned player is not on the roster, the game will be forfeited. Failure to present a pictured ID card at the field, during a protest, will result in a forfeit.

PENALTY:

1. Manager(s) may be suspended for one calendar year and must appear before the Advisory Board, if using suspended/unregistered participants. Managers using suspended/unregistered participants will automatically forfeit game at point of detection.
2. All other forfeit rules apply.

FORFEITS

If a team fails to appear on the field with the appropriate number of players the game will be forfeited. All slow-pitch games must start with at least eight (8) participants, and finish with no less than eight (8) participants. At fields where a forfeit has occurred, teams may scrimmage after signing a waiver, releasing the City of any liability.

Teams are expected to comply with the Field Supervisor’s request to clear the field. A twenty-five (\$25.00) forfeit fee must be paid before the forfeiting team’s next scheduled game. Fees will be waived if the forfeiting team’s manager or assistant manager calls the City Sports Office no later than 3:00PM on the day of the scheduled game.

Forfeits, which incur a \$25.00 fee, are:

2. Failure to have the required number of participants at game time.

Forfeits, which incur a \$50.00 fee, are:

1. Teams who have a no-show (no participants present at the end of the grace period.)

STANDINGS

Standings will be sent via email to each manager. Standings will not be given over the phone. Once standings are completed, two weeks will be given for any disputes, after that period standing will be final and awards will be ordered.

UMPIRES

Umpires assigned will have the power to banish any manager, participant, or sponsor from the participant’s bench or field for misconduct, delay of

the game, or any other reason deemed necessary for the good of the game. The umpire's decision shall be final, except those regarding misinterpretation of the playing rules.

All umpires assigned will submit a written report to the Sports Office within twenty-four (24) hours after the game in which a ejection/banishment has occurred. The reports will focus on the team and participant conduct. Any participant causing a forfeit is suspended for a minimum of (2) two games. Any participant banished from the game by the umpire shall be required to leave (**OUT OF SIGHT, OUT OF SOUND**) and shall not be allowed to remain in the stands or vicinity of the playing field or direct remarks toward the umpire during the remainder of the game.

Any participant who is ejected from a game will automatically be suspended from his/her team's next scheduled game.

Any participant who is banished and does not leave the playing area may cause the game to be forfeited. If this occurs, the player is suspended for three (3) leagues games.

When a participant is ejected and your team doesn't have a substitute for the ejected participant, that position will be an out every time the ejected participant is up to bat.

All Softball Leagues can bat an unlimited roster.

A participant is able to participate on more than one team, as long as he/she plays on teams that are within the same division/league.

NOTE: Once a participant has established themselves on a league, he/she **cannot** move to a different league.

Suspension: Violation of this rule may result in a one-year suspension from league play.

Managers can add the 10th participant at the end of the line up upon arrival. If a participant is injured he/she can be scratched out of the line up and each player after will move up in the batting order. If a participant is ejected and there are no substitutes every time that batter appears in the line up, he/she will be declared an out.

**PARTICIPANT
SUSPENSION
PROBATION**

Any participant that is on suspension is not allowed to participate in any game as a coach, scorekeeper, spectator, etc., suspension/probation is for any team, including tournaments. Suspended participants are not allowed at a City Sports run complex.

On a fair fly ball hit over the fence for a home run, the batter and all base runners are credited with a score. The batter and any runner on base do not need to advance and touch the bases. They should go directly to the dugout area. This would eliminate any base running appeals.

In coed a minimum of eight (8) must start a game and finish with no less than eight (8) players. However, there must always be four (4) female players in the lineup if a team starts with 8. In the event a team starts with nine (9) there must always be five (5) female players in the lineup. Teams starting with ten (10) players must also have 5 males and 5 females in the lineup. An out shall be declared for the ninth and/or tenth position in the line up when that position is scheduled to bat. A ninth or tenth player may be added in the ninth and/or tenth position of the line up at any time before the end of the game. That added player must be a male or both in the event a team starts with 8. Male and female players must alternate in the batting order. Teams must have two males and two females in both the infield and the outfield and one male and one female as pitcher and catcher. Teams cannot have more males than females in the lineup. When a male batter receives a base on balls or intentional walk, he will be awarded first and second base with the next female batter having the option to walk or bat.

COURTESY RUNNER

Any participant in the batting order may replace any runner at any time when time is called. Allow one (1) courtesy runner per inning. If the courtesy runner is due up to bat he/she will be called out. The runner will be removed from the base and a second courtesy runner cannot be substituted. The courtesy runner called out does not lose his/her turn at bat. This out could end the inning. You can replace an injured courtesy runner but he/she will not be allowed to play for that game. A courtesy runner must be announced before the next legal pitch. In coed allow one courtesy runner per gender, per inning.

CHEMICAL UNITS

The upkeep of chemical toilets is costing more, and we ask for your cooperation in keeping them clean.

Women's Slow	70 Feet
Men's Slow	70 Feet
Coed	70 Feet

DIVISION

A team may register for any division within the league. However, to ensure league balance the League Director may move a team up or down within the structure of the league. If moved, a team will enter the new division with a 0-0 record. Division winner will be determined by percentage of wins against games played.

LINE UP

Teams must submit line-up cards (provided by the City) five (5) minutes prior to the scheduled game time, to the home plate umpire. Line-up cards must have the participant's, number and name (first and last). Any participant not there at game time will be added as a sub. Failure to comply with full name and number may result in a forfeit. The umpire

may forfeit the game if there is un-warranted delay in providing a line up for batting order purposes.

SCORE CARD

The card should be signed at the end of the game to ensure accurate reporting of scores. Neither the score, nor the standings will be changed if the score card is not signed at the end of the game. Make sure you verify the score before you sign the card.
