

ANIMAL WELFARE DEPARTMENT	District Boundaries
OPERATIONS POLICY AND PROCEDURES	EFFECTIVE DATE: 10/13/15

The City of Albuquerque is currently divided into four areas for Field Officer assignments. These areas are currently:

- Northeast:** Bounded from Central Blvd., north to the city limits and from the railroad tracks east to the city limits.
- Southeast:** Bounded from Central Blvd., south to the city limits, and from the railroad tracks east to the city limits.
- Northwest:** Bounded from Central Blvd., north to the city limits and from the railroad tracks west to the city limits.
- Southwest:** Bounded from Central Blvd., south to the city limits and from the railroad tracks west to the city limits.

Currently all animals picked up west of the railroad tracks are routed to the West Side facility for housing and animals picked up east of the railroad tracks are routed to the East Side facility for housing.
