

**AMAFCA**

**PUBLIC MEETING NOTICE  
UPPER PIEDRAS MARCADAS WATERSHED DRAINAGE  
AND STORMWATER QUALITY MANAGEMENT PLAN FOR  
VOLCANO HEIGHTS SECTOR PLAN AREA**

DATE: December 17, 2013

TIME: 4:00 – 8:00 p.m. Open House from 4-6:00 w/ Presentation to follow

LOCATION: Desert Greens Golf Course, 10035 Country Club Ln NW

The Albuquerque Metropolitan Arroyo Flood Control Authority (AMAFCA) will conduct a public meeting to discuss water quality and drainage management issues and alternatives for associated infrastructure for the 569 acre study area in the northwest heights. In addition, alternatives for reimbursement of constructed drainage and water quality infrastructure will also be discussed.

**We want your input.**

Please join our staff and staff from Wilson & Company, Inc., for an informative public meeting. If you have any questions, please contact Karen Stearns, AMAFCA Project Manager, at 505-884-2215 or visit <http://www.amafca.org/projects/upm-vh.html>.
