

## **Public Participation:**

Consultation with the public on a new draft will occur prior to resuming the Environmental Planning Commission's public hearing.

A public meeting was held on **November 9, 2006**, at the Taylor Ranch Community Center to discuss further the revisions of the draft Coors Corridor Plan before submittal to the Environmental Planning Commission. The Planning Department presented one "Parkway" concept which would require a trail along on either side of the street to allow for improved pedestrian access. In addition, revisions to the height restrictions, along with the site and building design standards were discussed. Proposed Capital Improvement Projects (CIP) were presented as well.

An Open House was held on **May 24, 2006** at the Taylor Ranch Community Center to debut the draft of the Coors Corridor Plan (dated May 24, 2006) and to update property owners, developers, and residents of plan priorities – including View Preservation strategies and pedestrian facilities – and to gather resident's suggestions regarding the proposed CIP priorities. Responses varied widely regarding the effectiveness and appropriateness of the proposed plan elements. Copies of the draft plan and the graphic display boards were available at the Taylor Ranch Community Center for public comment between May 24, 2006 and May 27, 2006.

A Feedback Forum was held on **January 25, 2006** for developers and their agents, property owners, and any other interested parties. The purpose of the "Feedback Forum" was to inform stakeholders of work done to date on the Plan and to provide them with an opportunity to comment on the initial plan concepts.

A Charrette was held on Friday, **December 9, 2005** between the hours of noon and 5:30 pm. This workshop focused on the current design standards, especially preserving the view of the Bosque and Mountains. Participants also provided suggestions on how to improve pedestrian movement and circulation designs along Coors. The Charrette took place at the Taylor Ranch Community Center, 4900 Kachina NW.

The Coors Corridor Kick-Off Meeting was held on **November 1, 2005** at the Paradise Hills Community Center. Approximately 40 participants attended the meeting and provided information regarding their thoughts about Coors. Participants expressed concerns regarding the traffic along Coors and the lack of pedestrian opportunities. Issues related to existing and pending construction along the east side of Coors were reviewed with participants, and expressed positive and negative aspects of each development.

No other public meetings have yet been scheduled for the Coors Corridor Plan.
