PROCEDURE

- If fences or rails are required or if pedestrian traffic is to be rerouted, provide Transportation Development with a site plan showing location of canopies, fences or rails and method of rerouting.
- Obtain fugitive dust permit and asbestos notification from Environmental Health Department.
- Prior to commencement of work, insure disconnection of all gas and electric supply systems by Public Service Company of New Mexico and Gas Company of New Mexico.
- Confer with Albuquerque Bernalillo County Water Utility Authority (ABCWUA) when a fire hydrant will be employed during the demolition (505-768-3647).
- Demolition of sidewalks or drive pads require permits from Construction Coordination Division, Plaza Del Sol, 4th floor.
- For further pertinent information, your attention is invited to the following codes: National Fire Protection Association and International Building Code, Section 3303.2, "Protection of Pedestrians during Construction or Demolition".
