Total Amount of Deposit Fee			_____

Engineering Fee is based on 3.25% of actual contractor costs. Rates may be periodically adjusted. This deposit fee shall be deposited with the City Treasury and held for a period of one (1) year after the date of deposit. During this period the deposit fee may be applied to the required total engineering fee prior to release of the work order. Deposit fee not utilized within the above period of one year will be forfeited and no refunds will be made.
