1% of estimate if above items are zero (0)	1%	x	\$ _____	=	\$ _____
Design Deposit Fee Total					\$ _____

This Design Deposit Fee shall be deposited with the City Treasury and held for a period of one (1) year after the date of deposit. During this one-year period the Design Deposit Fee may be applied to the required Engineering Fee. Design Deposit Fee not utilized within the above one-year period will be forfeited and no refunds will be made. The Engineering Fee is based on 3.25% of actual contractor work order costs and is collected prior to release of work order. Rates may be periodically adjusted.
