

January 3, 2012

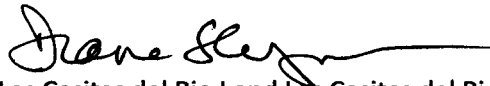

To: Catalina Lehner and Carmen Marrone

City of Albuquerque Planning Department

Re: Petition Opposing Project #1003859

Please place these petitions and summary of the data gathered in the project file.

Thank you,

A handwritten signature in black ink, appearing to read "Diane Flynn", with a long horizontal flourish extending to the right.

Diane Flynn for Las Casitas del Rio I and Las Casitas del Rio II

3604 Grama Ct NW

Albuquerque, NM 87120 505-977-5705

PETITION SUMMARY:

1037 signatures were gathered between November 1, 2011 and January 1, 2012. Of the total, 923 individuals are citizens of the City of Albuquerque, residing in 1 of the 9 City Council Districts. Those who volunteered to gather signatures were registered voters and residents of the west side, all residing in Council District 5.

The full language of the petition follows:

"We are Albuquerque City residents who live by, or benefit from using Rio Grande Valley State Park. We enjoy being part of a river city and appreciate the cultural heritage that follows the beautiful Rio Grande. We enjoy using the Bosque for many activities and pursuits. We use this resource as individuals, and as members of various clubs or social groups. **We use our State Park and our Bosque and our Nationally Ranked Paseo del Bosque Bike Trail for: Walking-Running-Relaxation-Bicycling-Bird Watching-Hiking-Photography-Horseback Riding-Family Fun-Education-Tourism-Quality of Life for all Albuquerque Residents, Visitors and Stakeholders.** We ask that developments at the southeast corner of Coors and Montano ONLY be approved if they reflect the vision, goals and objectives set forth by the existing Albuquerque City Rank 1, 2, and 3 Plans concerning this unique and valuable property. These plans clearly provide guidelines and procedures to "preserve the unique features and encourage the appropriate development of the Coors Corridor." (Quote is from Coors Corridor Plan.)

Appropriate development does NOT include a big box store in the middle of a heavy traffic intersection, a bridge crossing, a school, and a State Park with natural and cultural heritage value. We DO understand this southeast corner will be commercially developed, but WE ASK FOR SMART DEVELOPMENT that highlights existing resources and further supports the recommendations laid out in the above plans.

By signing this petition, I declare I am an Albuquerque resident and in support of the above statements and ask the Environmental Planning Commission and Albuquerque City Council Members to vote against big box development at Coors and Montano."

Signatures were gathered at the entrances to Rio Grande Valley State Park at Coors and Montano, and at Alameda. Among other places signatures were gathered were businesses in the Montano Plaza, events featuring recreational paths near the River, and door-to-door in neighborhoods close to the southeast corner of Coors and Montano.

Council Districts with the most signatures are Districts 5 and 2. Sixty-five % of the 923 City of Albuquerque signatures are from those 2 districts.

Council District distribution of the 923 City residents who signed is as follows:

Council District 1	83 (8.99%)
Council District 2	188 (20.37%)
Council District 3	74 (8.02%)
Council District 4	72 (7.80 %)
Council District 5	411 (44.53%)
Council District 6	34 (3.68%)
Council District 7	29 (3.14%)
Council District 8	24 (2.60%)
Council District 9	8 (0.87%)

Besides Council District, the 923 City residents who signed also reported favorite Bosque activities. The list includes walking, biking, dog walking, horseback riding, jogging, sketching, bird watching, wild life spotting, ballooning, hiking, running, enjoying scenery and views, and quiet meditation.

This petition, by virtue of asking for Council District and favorite Bosque activities, yields survey-like data, though no claim is made that this is a representative sample. It is a sample of people who live close to, use and value the Bosque. It carries 923 signatures of Albuquerque citizens who do not think a big box store is the right commercial development for the southeast corner of Coors and Montano.

**PETITION TO ALBUQUERQUE ENVIRONMENTAL PLANNING
COMMISSION AND CITY COUNCIL MEMBERS,
SIGNED BY ALBUQUERQUE AND/OR NEW MEXICO RESIDENTS WHO
ARE
AGAINST A BIG BOX STORE, AND FOR BETTER LAND USE AT THE
SOUTHEAST CORNER OF COORS AND MONTANO**

By signing this petition, I declare that I am an Albuquerque AND/OR New Mexico Resident who uses the Bosque around the Coors/Montano area and ask the Environmental Planning Commission and Albuquerque City Council Members to vote against big box development on the SE corner of Coors and Montano. I urge the Commission and City Council to follow the vision and goals set forth in the Albuquerque, West Mesa, and Coors Corridor plans which provide guidelines to "preserve the unique features and encourage the appropriate development of the Coors Corridor". Please make the right decision for this neighborhood and for Albuquerque, help preserve the views and the Bosque, and prevent further traffic overload at this already busy intersection, don't allow a big-box next to a school right along the Bosque. Smaller, new type of businesses that do not already exist on Coors, pedestrian and bike friendly developments including outdoor cafes will be welcome in this area and will help alleviate traffic on the Montano bridge that is too often used by West-side residents to get to those East-side businesses not available on the West side. Coors already has enough big boxes, nail salons, pharmacies and Pizza places to last us for a life time!

No to Walmart

1 message

S.J. Kunitz <sjldk@aol.com>

Fri, Oct 28, 2011 at 6:56 AM

To: CoorsMontanoPetition@gmail.com

I am strongly opposed to a Walmart at the corner of Coors and Montano. The traffic at that intersection is already a challenge when getting to work, coming home from work, going to Volunteer job, and more. There already is a Walmart not far away (at Cottonwood area). My husband and I walk in the Bosque daily for health reasons. The lovely Bosque park would be obscured by construction at that site. A huge Walmart would be highly detrimental to that area.

Isadora Kunitz, 6135 Deergrass Cir NW, City District 5. ←

Reply-To: Ron Goldsmith <rorgoldsmith@yahoo.com>

To: coorsmontanopetition@gmail.com

I am strongly opposed to the proposed LRF activity at the SE corner of Coors & Montano NW. The proposed Walmart would create a huge traffic problem at an already very busy intersection at the entrance to one of the few bridges crossing the Rio Grande River. The additional pollution from the parking lot and building litter would negatively impact the Bosque.

Respectfully,
Ronald Goldsmith

Subject: Petition - No Walmart at Coors and Montano

I am strongly opposed to the proposed LRF activity at the SE corner of Coors & Montano NW. The proposed Walmart would create a huge traffic problem at an already very busy intersection at the entrance to one of the few bridges crossing the Rio Grande River. The additional pollution from the parking lot and building litter would negatively impact the Bosque.

Respectfully,
Ronald Goldsmith
Albuquerque, NM 87110

I oppose any Big Box or Large Retail store being built @ Coors and Montano. My concerns include traffic increase, pollution, crime and safety issues, noise and light pollution, and that this type of business does not promote a healthier neighborhood or enhance the natural beauty of the Bosque nearby.

I am from the Taylor Ranch Neighborhood Association and took one of your petitions to the Bosque parking lot Saturday before the rally. My daughter and I obtained all 40 signatures on the petition. Who shall I return it to?

Also, I would like to attend the rally on Dec. 6.

Finally, can you provide the first and last names of the Winterhaven area residents that attended the TRNA meeting last Wednesday? I would like to include that info in my minutes.

Thank you!

I live in this area and know how busy that intersection, Coors and Montano, is almost any time of day. I cannot imagine having a big box store on that corner to add to the already horrific traffic problem. When does a city have enough big box stores? It seems to me that this particular location does not need another big box store. We have them on all sides of us now. I would like to think that most people in the area would much rather have the view of the bosque than an ugly, big store. I am, therefore, most strongly against this development.

**PETITION TO ALBUQUERQUE ENVIRONMENTAL PLANNING COMMISSION AND
CITY COUNCIL MEMBERS,
SIGNED BY ALBUQUERQUE AND/OR NEW MEXICO RESIDENTS WHO ARE
AGAINST A BIG BOX STORE, AND FOR BETTER LAND USE AT THE
SOUTHEAST CORNER OF COORS AND MONTANO**

By signing this petition, I declare that I am an Albuquerque AND/OR New Mexico Resident who uses the Bosque around the Coors/Montano area and ask the Environmental Planning Commission and Albuquerque City Council Members to vote against big box development on the SE corner of Coors and Montano. I urge the Commission and City Council to follow the vision and goals set forth in the Albuquerque, West Mesa, and Coors Corridor plans which provide guidelines to "preserve the unique features and encourage the appropriate development of the Coors Corridor". Please make the right decision for this neighborhood and for Albuquerque, help preserve the views and the Bosque, and prevent further traffic overload at this already busy intersection, don't allow a big-box next to a school right along the Bosque. Smaller, new type of businesses that do not already exist on Coors, pedestrian and bike friendly developments including outdoor cafes will be welcome in this area and will help alleviate traffic on the Montano bridge that is too often used by West-side residents to get to those East-side businesses not available on the West side. Coors already has enough big boxes, nail salons, pharmacies and Pizza places to last us for a life time!

**PETITION TO ALBUQUERQUE ENVIRONMENTAL PLANNING COMMISSION AND CITY COUNCIL MEMBERS,
 SIGNED BY ALBUQUERQUE RESIDENTS WHO ARE AGAINST A BIG BOX STORE,
 AND FOR BETTER LAND USE AT THE SOUTHEAST CORNER OF COORS AND MONTANO**

TOTAL **22**

We are Albuquerque City residents who live by, or benefit from using Rio Grande Valley State Park. We enjoy being part of a river city and appreciate the cultural heritage that follows our beautiful Rio Grande. We enjoy using the Bosque for many activities and pursuits. We use this resource as individuals, and as members of various clubs or social groups. We use our State Park and our Bosque and our Nationally Ranked (in the Top 10) Paseo del Bosque Bike Trail for: Walking - Running - Relaxation - Bicycling - Bird Watching - Hiking - Photography - Horseback Riding - Family Fun - Education - Tourism - Quality of Life for all Albuquerque Residents, Visitors and Stakeholders. We ask that developments at the Southeast Corner of Coors and Montano ONLY be approved if they reflect the vision, goals and objectives set forth by the existing Albuquerque City Rank 1, 2 and 3 Plans concerning this unique and valuable property. These plans clearly provide guidelines and procedures to "preserve the unique features and encourage the appropriate development of the Coors Corridor" - Quote from Coors Corridor Plan. PLAN SMART FOR FAMILIES, RESIDENTS, AND VISITORS. PLAN SMART FOR RESOURCES, FOR ALBUQUERQUE AND FOR NEW MEXICO.

Appropriate Development does NOT include a big box store in the middle of a heavy traffic intersection, a bridge crossing, a school (6th through 12th) and a state park with natural and cultural heritage value. We DO understand this southeast corner will be commercially developed, but WE ASK FOR SMART DEVELOPMENT that highlights existing resources and further supports the recommendations laid out in the above plans.

"By signing this petition, I declare that I am an Albuquerque Resident and in support of the above statements and ask the Environmental Planning Commission and Albuquerque City Council Members to vote against big box development at Coors and Montano.

Check the district-map to see which district you live in.

**PETITION TO ALBUQUERQUE ENVIRONMENTAL PLANNING COMMISSION AND CITY COUNCIL MEMBERS,
SIGNED BY ALBUQUERQUE RESIDENTS WHO ARE AGAINST A BIG BOX STORE,
AND FOR BETTER LAND USE AT THE SOUTHEAST CORNER OF COORS AND MONTANO**

We are Albuquerque City residents who live by, or benefit from using Rio Grande Valley State Park. We enjoy being part of a river city and appreciate the cultural heritage that follows our beautiful Rio Grande. We enjoy using the Bosque for many activities and pursuits. We use this resource as individuals, and as members of various clubs or social groups. We use our State Park and our Bosque and our Nationally Ranked (in the Top 10) Paseo del Bosque Bike Trail for: Walking - Running - Relaxation - Bicycling - Bird Watching - Hiking - Photography - Horseback Riding - Family Fun - Education - Tourism - Quality of Life for all Albuquerque Residents, Visitors and Stakeholders. We ask that developments at the Southeast Corner of Coors and Montano ONLY be approved if they reflect the vision, goals and objectives set forth by the existing Albuquerque City Rank 1, 2 and 3 Plans concerning this unique and valuable property. These plans clearly provide guidelines and procedures to "preserve the unique features and encourage the appropriate development of the Coors Corridor" - Quote from Coors Corridor Plan. PLAN SMART FOR FAMILIES, RESIDENTS, AND VISITORS. PLAN SMART FOR RESOURCES, FOR ALBUQUERQUE AND FOR NEW MEXICO.

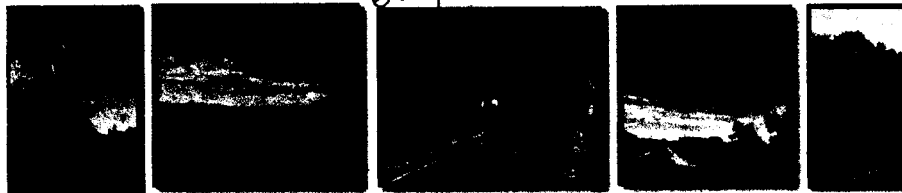

Appropriate Development does NOT include a big box store in the middle of a heavy traffic intersection, a bridge crossing, a school (6th through 12th) and a state park with natural and cultural heritage value. We DO understand this southeast corner will be commercially developed, but WE ASK FOR SMART DEVELOPMENT that highlights existing resources and further supports the recommendations laid out in the above plans.

"By signing this petition, I declare that I am an Albuquerque Resident and in support of the above statements and ask the Environmental Planning Commission and Albuquerque City Council Members to vote against big box development at Coors and Montano.

Check the district-map to see which district you live in.

**PETITION TO ALBUQUERQUE ENVIRONMENTAL PLANNING COMMISSION AND CITY COUNCIL MEMBERS,
SIGNED BY ALBUQUERQUE RESIDENTS WHO ARE AGAINST A BIG BOX STORE,
AND FOR BETTER LAND USE AT THE SOUTHEAST CORNER OF COORS AND MONTANO**

We are Albuquerque City residents who live by, or benefit from using Rio Grande Valley State Park. We enjoy being part of a river city and appreciate the cultural heritage that follows our beautiful Rio Grande. We enjoy using the Bosque for many activities and pursuits. We use this resource as individuals, and as members of various clubs or social groups. We use our State Park and our Bosque and our Nationally Ranked (In the Top 10) Paseo del Bosque Bike Trail for: Walking - Running - Relaxation - Bicycling - Bird Watching - Hiking - Photography - Horseback Riding - Family Fun - Education - Tourism - Quality of Life for all Albuquerque Residents, Visitors and Stakeholders. We ask that developments at the Southeast Corner of Coors and Montano ONLY be approved if they reflect the vision, goals and objectives set forth by the existing Albuquerque City Rank 1, 2 and 3 Plans concerning this unique and valuable property. These plans clearly provide guidelines and procedures to "preserve the unique features and encourage the appropriate development of the Coors Corridor" - Quote from Coors Corridor Plan. PLAN SMART FOR FAMILIES, RESIDENTS, AND VISITORS. PLAN SMART FOR RESOURCES, FOR ALBUQUERQUE AND FOR NEW MEXICO.

Appropriate Development does NOT include a big box store in the middle of a heavy traffic intersection, a bridge crossing, a school (6th through 12th) and a state park with natural and cultural heritage value. We DO understand this southeast corner will be commercially developed, but WE ASK FOR SMART DEVELOPMENT that highlights existing resources and further supports the recommendations laid out in the above plans.

"By signing this petition, I declare that I am an Albuquerque Resident and in support of the above statements and ask the Environmental Planning Commission and Albuquerque City Council Members to vote against big box development at Coors and Montano.

Check the district-map to see which district you live in.

PETITION TO ALBUQUERQUE ENVIRONMENTAL PLANNING COMMISSION AND CITY COUNCIL MEMBERS,
SIGNED BY ALBUQUERQUE RESIDENTS WHO ARE AGAINST A BIG BOX STORE,
AND FOR BETTER LAND USE AT THE SOUTHEAST CORNER OF COORS AND MONTANO

We are Albuquerque City residents who live by, or benefit from using Rio Grande Valley State Park. We enjoy being part of a river city and appreciate the cultural heritage that follows our beautiful Rio Grande. We enjoy using the Bosque for many activities and pursuits. We use this resource as individuals, and as members of various clubs or social groups. We use our State Park and our Bosque and our Nationally Ranked (in the Top 10) Paseo del Bosque Bike Trail for: Walking - Running - Relaxation - Bicycling - Bird Watching - Hiking - Photography - Horseback Riding - Family Fun - Education - Tourism - Quality of Life for all Albuquerque Residents, Visitors and Stakeholders. We ask that developments at the Southeast Corner of Coors and Montano ONLY be approved if they reflect the vision, goals and objectives set forth by the existing Albuquerque City Rank 1, 2 and 3 Plans concerning this unique and valuable property. These plans clearly provide guidelines and procedures to "preserve the unique features and encourage the appropriate development of the Coors Corridor" - Quote from Coors Corridor Plan. PLAN SMART FOR FAMILIES, RESIDENTS, AND VISITORS. PLAN SMART FOR RESOURCES, FOR ALBUQUERQUE AND FOR NEW MEXICO.

Appropriate Development does NOT include a big box store in the middle of a heavy traffic intersection, a bridge crossing, a school (6th through 12th) and a state park with natural and cultural heritage value. We DO understand this southeast corner will be commercially developed, but WE ASK FOR SMART DEVELOPMENT that highlights existing resources and further supports the recommendations laid out in the above plans.

"By signing this petition, I declare that I am an Albuquerque Resident and in support of the above statements and ask the Environmental Planning Commission and Albuquerque City Council Members to vote against big box development at Coors and Montano.

**PETITION TO ALBUQUERQUE ENVIRONMENTAL PLANNING COMMISSION AND CITY COUNCIL MEMBERS,
SIGNED BY ALBUQUERQUE RESIDENTS WHO ARE AGAINST A BIG BOX STORE,
AND FOR BETTER LAND USE AT THE SOUTHEAST CORNER OF COORS AND MONTANO**

We are Albuquerque City residents who live by, or benefit from using Rio Grande Valley State Park. We enjoy being part of a river city and appreciate the cultural heritage that follows our beautiful Rio Grande. We enjoy using the Bosque for many activities and pursuits. We use this resource as individuals, and as members of various clubs or social groups. We use our State Park and our Bosque and our Nationally Ranked (in the Top 10) Paseo del Bosque Bike Trail for: Walking - Running - Relaxation - Bicycling - Bird Watching - Hiking - Photography - Horseback Riding - Family Fun - Education - Tourism - Quality of Life for all Albuquerque Residents, Visitors and Stakeholders. We ask that developments at the Southeast Corner of Coors and Montano ONLY be approved if they reflect the vision, goals and objectives set forth by the existing Albuquerque City Rank 1, 2 and 3 Plans concerning this unique and valuable property. These plans clearly provide guidelines and procedures to "preserve the unique features and encourage the appropriate development of the Coors Corridor" - Quote from Coors Corridor Plan. PLAN SMART FOR FAMILIES, RESIDENTS, AND VISITORS. PLAN SMART FOR RESOURCES, FOR ALBUQUERQUE AND FOR NEW MEXICO.

Appropriate Development does NOT include a big box store in the middle of a heavy traffic intersection, a bridge crossing, a school (6th through 12th) and a state park with natural and cultural heritage value. We DO understand this southeast corner will be commercially developed, but WE ASK FOR SMART DEVELOPMENT that highlights existing resources and further supports the recommendations laid out in the above plans.

"By signing this petition, I declare that I am an Albuquerque Resident and in support of the above statements and ask the Environmental Planning Commission and Albuquerque City Council Members to vote against big box development at Coors and Montano.

Check the district-map to see which district you live in.

Appropriate Development does NOT include a big box store in the middle of a heavy traffic intersection, a bridge crossing, a school (6th through 12th) and a state park with natural and cultural heritage value. We DO understand this southeast corner will be commercially developed, but WE ASK FOR SMART DEVELOPMENT that highlights existing resources and further supports the recommendations laid out in the above plans.

"By signing this petition, I declare that I am an Albuquerque Resident and in support of the above statements and ask the Environmental Planning Commission and Albuquerque City Council Members to vote against big box development at Coors and Montano.

Check the district-map to see which district you live in.

**PETITION TO ALBUQUERQUE ENVIRONMENTAL PLANNING COMMISSION AND CITY COUNCIL MEMBERS,
SIGNED BY ALBUQUERQUE RESIDENTS WHO ARE AGAINST A BIG BOX STORE,
AND FOR BETTER LAND USE AT THE SOUTHEAST CORNER OF COORS AND MONTANO**

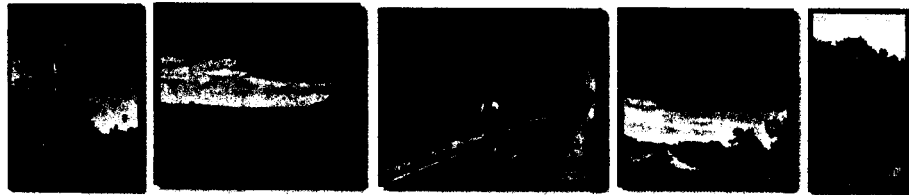

We are Albuquerque City residents who live by, or benefit from using Rio Grande Valley State Park. We enjoy being part of a river city and appreciate the cultural heritage that follows our beautiful Rio Grande. We enjoy using the Bosque for many activities and pursuits. We use this resource as individuals, and as members of various clubs or social groups. We use our State Park and our Bosque and our Nationally Ranked (In the Top 10) Paseo del Bosque Bike Trail for: Walking - Running - Relaxation - Bicycling - Bird Watching - Hiking - Photography - Horseback Riding - Family Fun - Education - Tourism - Quality of Life for all Albuquerque Residents, Visitors and Stakeholders. We ask that developments at the Southeast Corner of Coors and Montano ONLY be approved if they reflect the vision, goals and objectives set forth by the existing Albuquerque City Rank 1, 2 and 3 Plans concerning this unique and valuable property. These plans clearly provide guidelines and procedures to "preserve the unique features and encourage the appropriate development of the Coors Corridor" - Quote from Coors Corridor Plan. PLAN SMART FOR FAMILIES, RESIDENTS, AND VISITORS. PLAN SMART FOR RESOURCES, FOR ALBUQUERQUE AND FOR NEW MEXICO.

Appropriate Development does NOT include a big box store in the middle of a heavy traffic intersection, a bridge crossing, a school (6th through 12th) and a state park with natural and cultural heritage value. We DO understand this southeast corner will be commercially developed, but WE ASK FOR SMART DEVELOPMENT that highlights existing resources and further supports the recommendations laid out in the above plans.

"By signing this petition, I declare that I am an Albuquerque Resident and in support of the above statements and ask the Environmental Planning Commission and Albuquerque City Council Members to vote against big box development at Coors and Montano.

**PETITION TO ALBUQUERQUE ENVIRONMENTAL PLANNING COMMISSION AND CITY COUNCIL MEMBERS,
SIGNED BY ALBUQUERQUE RESIDENTS WHO ARE AGAINST A BIG BOX STORE,
AND FOR BETTER LAND USE AT THE SOUTHEAST CORNER OF COORS AND MONTANO**

We are Albuquerque City residents who live by, or benefit from using Rio Grande Valley State Park. We enjoy being part of a river city and appreciate the cultural heritage that follows our beautiful Rio Grande. We enjoy using the Bosque for many activities and pursuits. We use this resource as individuals, and as members of various clubs or social groups. We use our State Park and our Bosque and our Nationally Ranked (in the Top 10) Paseo del Bosque Bike Trail for: Walking - Running - Relaxation - Bicycling - Bird Watching - Hiking - Photography - Horseback Riding - Family Fun - Education - Tourism - Quality of Life for all Albuquerque Residents, Visitors and Stakeholders. We ask that developments at the Southeast Corner of Coors and Montano ONLY be approved if they reflect the vision, goals and objectives set forth by the existing Albuquerque City Rank 1, 2 and 3 Plans concerning this unique and valuable property. These plans clearly provide guidelines and procedures to "preserve the unique features and encourage the appropriate development of the Coors Corridor" - Quote from Coors Corridor Plan. PLAN SMART FOR FAMILIES, RESIDENTS, AND VISITORS. PLAN SMART FOR RESOURCES, FOR ALBUQUERQUE AND FOR NEW MEXICO.

Appropriate Development does NOT include a big box store in the middle of a heavy traffic intersection, a bridge crossing, a school (6th through 12th) and a state park with natural and cultural heritage value. We DO understand this southeast corner will be commercially developed, but WE ASK FOR SMART DEVELOPMENT that highlights existing resources and further supports the recommendations laid out in the above plans.

"By signing this petition, I declare that I am an Albuquerque Resident and in support of the above statements and ask the Environmental Planning Commission and Albuquerque City Council Members to vote against big box development at Coors and Montano.

**PETITION TO ALBUQUERQUE ENVIRONMENTAL PLANNING COMMISSION AND CITY COUNCIL MEMBERS,
SIGNED BY ALBUQUERQUE RESIDENTS WHO ARE AGAINST A BIG BOX STORE,
AND FOR BETTER LAND USE AT THE SOUTHEAST CORNER OF COORS AND MONTANO**

We are Albuquerque City residents who live by, or benefit from using Rio Grande Valley State Park. We enjoy being part of a river city and appreciate the cultural heritage that follows our beautiful Rio Grande. We enjoy using the Bosque for many activities and pursuits. We use this resource as individuals, and as members of various clubs or social groups. We use our State Park and our Bosque and our Nationally Ranked (in the Top 10) Paseo del Bosque Bike Trail for: Walking - Running - Relaxation - Bicycling - Bird Watching - Hiking - Photography - Horseback Riding - Family Fun - Education - Tourism - Quality of Life for all Albuquerque Residents, Visitors and Stakeholders. We ask that developments at the Southeast Corner of Coors and Montano ONLY be approved if they reflect the vision, goals and objectives set forth by the existing Albuquerque City Rank 1, 2 and 3 Plans concerning this unique and valuable property. These plans clearly provide guidelines and procedures to "preserve the unique features and encourage the appropriate development of the Coors Corridor" - Quote from Coors Corridor Plan. PLAN SMART FOR FAMILIES, RESIDENTS, AND VISITORS. PLAN SMART FOR RESOURCES, FOR ALBUQUERQUE AND FOR NEW MEXICO.

Appropriate Development does NOT include a big box store in the middle of a heavy traffic intersection, a bridge crossing, a school (6th through 12th) and a state park with natural and cultural heritage value. We DO understand this southeast corner will be commercially developed, but WE ASK FOR SMART DEVELOPMENT that highlights existing resources and further supports the recommendations laid out in the above plans.

"By signing this petition, I declare that I am an Albuquerque Resident and in support of the above statements and ask the Environmental Planning Commission and Albuquerque City Council Members to vote against big box development at Coors and Montano.

Check the district-map to see which district you live in.

PETITION TO ALBUQUERQUE ENVIRONMENTAL PLANNING COMMISSION AND CITY COUNCIL MEMBERS,
SIGNED BY ALBUQUERQUE RESIDENTS WHO ARE AGAINST A BIG BOX STORE,
AND FOR BETTER LAND USE AT THE SOUTHEAST CORNER OF COORS AND MONTANO

We are Albuquerque City residents who live by, or benefit from using Rio Grande Valley State Park. We enjoy being part of a river city and appreciate the cultural heritage that follows our beautiful Rio Grande. We enjoy using the Bosque for many activities and pursuits. We use this resource as individuals, and as members of various clubs or social groups. We use our State Park and our Bosque and our Nationally Ranked (in the Top 10) Paseo del Bosque Bike Trail for: Walking - Running - Relaxation - Bicycling - Bird Watching - Hiking - Photography - Horseback Riding - Family Fun - Education - Tourism - Quality of Life for all Albuquerque Residents, Visitors and Stakeholders. We ask that developments at the Southeast Corner of Coors and Montano ONLY be approved if they reflect the vision, goals and objectives set forth by the existing Albuquerque City Rank 1, 2 and 3 Plans concerning this unique and valuable property. These plans clearly provide guidelines and procedures to "preserve the unique features and encourage the appropriate development of the Coors Corridor" - Quote from Coors Corridor Plan. PLAN SMART FOR FAMILIES, RESIDENTS, AND VISITORS. PLAN SMART FOR RESOURCES, FOR ALBUQUERQUE AND FOR NEW MEXICO.

Appropriate Development does NOT include a big box store in the middle of a heavy traffic intersection, a bridge crossing, a school (6th through 12th) and a state park with natural and cultural heritage value. We DO understand this southeast corner will be commercially developed, but WE ASK FOR SMART DEVELOPMENT that highlights existing resources and further supports the recommendations laid out in the above plans.

"By signing this petition, I declare that I am an Albuquerque Resident and in support of the above statements and ask the Environmental Planning Commission and Albuquerque City Council Members to vote against big box development at Coors and Montano.
