

WR66SDP: Results of on-line survey about project recommendations (10/19/12 - 10/29/12)

1. Would you like to proceed through the survey by area or by project type?

By area	13
By project type	12
Total	25

[Note: the results by area and project type have been combined below to show the total results for each question]

2. Provide at all transit stops on Central Avenue a minimum of: ADA access, a shade structure and seating to improve conditions for passengers and encourage transit use. What priority level would you give this project?

Low	2
Medium	6
High	14
Total	22

3. Plan a multi-purpose trail corridor between Central Ave and the north frontage road for recreational use, as a new attraction on Route 66 and a means of capturing stormwater runoff. What priority level would you give this project?

Low	4
Medium	5
High	11
Total	20

4. Complete bike lanes on the south side of Central Ave. from 98th St. to 86th St. that conform with City standards for arterial roads, to improve conditions for cyclists and encourage more people to cycle. What priority level would you give this project?

Low	7
Medium	8
High	6
Total	21

5. Develop a streetscape and way-finding plan to create an identity for the proposed Major Activity Center between 86th St. and Coors Blvd. and to support economic development opportunities. What priority level would you give this project?

Low	6
Medium	8
High	7
Total	21

WR66SDP: Results of on-line survey about project recommendations (10/19/12 - 10/29/12)

6. Improve access to, and circulation within, the proposed Major Activity Center between 86th St. and Coors Blvd., by extending the street and multi-use trail network. What priority level would you give this project?

Low	4
Medium	12
High	5
Total	21

7. Complete the public library at the northwest corner of Central Ave. and Unser Blvd. What priority level would you give this project?

Low	3
Medium	11
High	7
Total	21

8. Complete the design for multi-modal improvements and widening of the Central/Unser intersection, and secure funding for implementation. What priority level would you give this project?

Low	5
Medium	9
High	7
Total	21

9. Plan improvements to pedestrian and cyclist safety and to traffic movement for all modes at the Central/Coors intersection. What priority level would you give this project?

Low	3
Medium	9
High	9
Total	21

10. Plan for improvements to road safety and traffic movement by all modes--motor vehicles, pedestrians and cyclists--at the Central/Yucca/Old Coors intersection. What priority level would you give this project?

Low	5
Medium	7
High	9
Total	21

WR66SDP: Results of on-line survey about project recommendations (10/19/12 - 10/29/12)

12. Plan and implement way-finding for all modes of transportation to direct people across the river (in both directions) to Route 66 destinations such as Atrisco Plaza, bosque trails, the Bio Park and Old Town. What priority level would you give this project?

Low	5
Medium	7
High	8
Total	20

13. Improve access and parking for bosque trails west of the Rio Grande. Include an interpretive exhibit on the history of acequias and their continued use for agricultural irrigation. What priority level would you give this project?

Low	4
Medium	10
High	7
Total	21

14. Design and build a pedestrian/bike/equestrian bridge across the Rio Grande that parallels the Central Ave. bridge, to expand the public right-of-way and to enhance recreational opportunities for residents and visitors. What priority level would you give this project?

Low	6
Medium	5
High	10
Total	21

15. Pursue design and implementation of the 2010 West Central Corridor Concept Plan between Atrisco Dr. and Rio Grande Blvd. including pedestrian and bike crossing at New York Ave. and intersection improvements at Rio Grande Blvd. What priority level would you give this project?

Low	4
Medium	5
High	11
Total	20

16. Redevelop the El Vado motel in a way that educates people about its historic significance and provides public access. What priority level would you give this project?

Low	9
Medium	4
High	9
Total	22
