

## STAKEHOLDER SURVEY

Please help us to better understand your vision for the character of Coors Boulevard by responding to the following questions. Please circle only one response for each question. You may fill in the blank next to "Other" with a choice not shown.

I. What is the most important view to preserve along Coors? (Circle one.)

- 1) The Sandias
- 2) The River
- 3) The Bosque
- 4) Farmland
- 5) Open space or undeveloped land, generally
- 6) Other \_\_\_\_\_

II. Where do you appreciate the views most right now? (Circle one.)

- 1) From the car driving along Coors
- 2) From walking along Coors or one of the streets that intersects it
- 3) From my house or a neighbor's house
- 4) From open space or park areas such as the Calabacillas Arroyo or Piedras Marcadas
- 5) From shopping areas such as Montano Plaza
- 6) Other \_\_\_\_\_

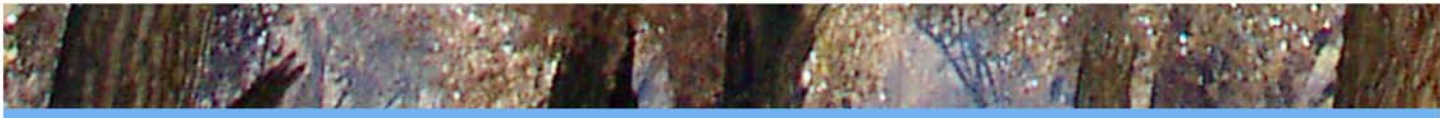

III. Where is it most important to be able to appreciate views in the future? (Circle one.)

- 1) From the car driving along Coors
- 2) From walking along Coors or one of the streets that intersects it
- 3) From my house or a neighbor's house
- 4) From open space or park areas such as the Calabacillas Arroyo or Piedras Marcadas
- 5) From shopping areas such as Montano Plaza
- 6) Other \_\_\_\_\_

IV. In your view, Coors Boulevard should be more like which of the following streets? (Circle one.)

- 1) Central Avenue (near University or Nob Hill)
- 2) Louisiana Avenue (near Winrock and Coronado Malls)
- 3) Tramway Boulevard
- 4) Paseo del Norte
- 5) Rio Grande Boulevard or Isleta Boulevard
- 6) Other \_\_\_\_\_

V. In the Westside area that includes Coors, how would you prioritize (1 through 7) the role of pedestrian facilities such as sidewalks and trails? (1 = highest priority; 7 = lowest priority)

- \_\_\_ Provide safe routes to schools
- \_\_\_ Make connections to the bosque and other open space areas
- \_\_\_ Create alternate transportation routes for commuters
- \_\_\_ Create connections to shopping areas
- \_\_\_ Provide recreation opportunities (e.g. hiking, walking, biking, equestrian)
- \_\_\_ Preserve historic routes and trails (e.g. ditches and arroyos)
- \_\_\_ Other \_\_\_\_\_

VI. In your own words, describe the character or *sense of place* that you would like to experience along the Coors corridor.

*Feel free to make copies of this newsletter or this page and give them to your neighbors or fellow members of your neighborhood association. Please mail them to the address listed above or bring them to the design workshop on December 9, 2005. The Planning Team will tally them during the meeting and use the results to inform workshop process. Thanks!*
