

SIGN POSTING AGREEMENT – Zoning Hearing Examiner

All persons requesting a hearing before the Zoning Hearing Examiner are responsible for the posting and maintaining of one or more signs on the property.

Failure to maintain the signs during this entire period may be cause for deferral or denial of the application.

Per Integrated Development Ordinance 14-16-6-4(K)(4): **The applicant shall post at least 1 sign on each street abutting the property that is the subject of the application, at a point clearly visible from that street, for at least 15 calendar days before the public hearing and for the appeal period of 15 calendar days following any decision, required pursuant to Subsection 14-16-6-4(V)(3)(a)1.**

1. LOCATION

- A. The sign shall be conspicuously located within twenty feet of the public sidewalk (or edge of public street).
- B. The face of the sign shall be parallel to the street, and the bottom of the sign shall be at least two feet from the ground.
- C. No barrier shall prevent a person from coming within five feet of the sign to read it.

2. NUMBER

- A. One sign shall be posted on each paved street frontage. Signs may be required on unpaved street frontages.
- B. If the land does not abut a public street, then, in addition to a sign placed on the property, a sign shall be placed on and at the edge of the public right-of-way of the nearest paved City street. Such a sign must direct readers toward the subject property by an arrow and an indication of distance.

3. PHYSICAL POSTING

- A. A heavy stake with two crossbars or a full plywood backing works best to keep the sign in place, especially during high winds.
- B. Large headed nails or staples help prevent tearing and are best for attaching signs to a post or backing.

Signs must be posted from 15 days prior to the hearing to 15 days after the hearing.

Applicant/Agent Signature _____ date _____

Sign(s) were issued for the property located at _____
