Penny Hoe stated that reservations are requested to ensure sufficient handouts and meeting space.

5. **Chief Gordon Eden, APD on the state of the Settlement Agreement and APD** (6:50 – 7:40)

Celina Espinoza presented on behalf of Chief Gordon Eden. Annie Onderdonk expressed disappointment that the chief did not attend the meeting and noted that better communication should be in place.

The presentation covered the development of new APD policies under the settlement agreement, including changes to the policy development process; training for officers in the new policies; APD compliance with the settlement agreement; and the roles of the Community Policing Councils under the settlement agreement. Handouts were available, and the presentation will be posted online by the end of the month.

Nicole Chavez-Lucero, APD’s new community outreach coordinator, introduced herself and stated that her role will be to work with the CPCs and increase involvement between APD and the community. Her contact information is nchavez-lucero@cabq.gov, 505-768-2420 (office), and 505-382-7621 (cell).
Meeting participants asked questions and discussed staffing needs, the monitor’s reports, the APD culture, 12-hour officer shifts, the possibility of a night court, and the possibility of a grand jury. Suggestions for recommendations included:

- Creation of a night court. Others noted that because this is within the judiciary system, it is outside the realm of CPC recommendations.
- Limiting APD responses so officers are not obligated to respond to non-injury traffic accidents or private alarms at homes.
- Increasing APD staffing levels, particularly for patrol officers.

6. **NE CPC Business (7:40 – 8:00)**

Meeting participant discussion limited the time available for NE CPC business. Annie Onderdonk stated that the September, October, and November meeting times would be changed, and information would be distributed via email.

7. **Adjourn (8:00)**

The meeting adjourned at 8:27 PM.
