All attendees (members) are encouraged to submit recommendations, provide input concerning recommendations, ask questions, and submit topics for discussion. Comments and questions should be limited to approximately two minutes to facilitate discussion by the greatest number of participants.

CPC Goals:

The goal of each Community Policing Council is to engage in candid, detailed and meaningful dialogue between Albuquerque Police and the citizens they serve. Councils are independent from the City and Department. They are encouraged to formally recommend changes to Albuquerque Police Department policies and procedures. They are also asked to make recommendations and identify concerns, problems, successes and opportunities within each area command and for the department as a whole. <http://www.cabq.gov/police/community-policing-council/>
