Personal Integrity Questionnaire

Read the following instructions CAREFULLY!

DIRECTIONS: The Albuquerque Police Department has developed a comprehensive and intense officer selection process for its police applicants. This 15 Step Selection Process will consume a great deal of your time as well as expense and effort for the Albuquerque Police Department. This questionnaire is designed to acquaint you with certain standards which **MAY OR MAY NOT DISQUALIFY YOU AS A CANDIDATE DURING THIS SELECTION PROCESS.** This questionnaire is designed to save you time, money and energy early on in the selection process. Your **truthful** responses to the following questions and during the follow up interview with your Recruiting Officer will help to evaluate your chances and ability in continuing the selection process. Recruiting of all candidates is done without regard to race, color, national origin, ancestry, sex, age, religion or disability, in the provision of services, programs or activities. The City of Albuquerque is an Equal Opportunity/Reasonable Accommodation Employer.

All answers on this application form are subject to verification by use of the polygraph and an intense background investigation. Polygraph questions will be drawn from: 1) Personal Integrity Questionnaire (PIQ), 2) the Initial Application, 3) Background Investigation, 4) Personal History Statement, 5) any information you voluntarily offer. Deliberate inaccuracies, incomplete statements, minimization, rationalizations, omissions and /or misstatements must be corrected. If they are not, it may result in your disqualification from the selection process or termination from employment if hired.

It is to your advantage to respond honestly and openly to all of the following questions. Any negative factors in your background will be evaluated in terms of circumstances and facts surrounding the occurrence and its degree of relevance to the job. The Albuquerque Police Department is looking for mature, honest people who can admit their mistakes and discuss those mistakes honestly. For example, being fired from a job or having an arrest record is not, in itself, grounds for disqualification in many cases. During your interview, your background investigator will inquire into the facts surrounding the event. An evaluation will be made of the relevance of the facts to the requirements and guidelines of the job. It is your responsibility to be truthful. A negative factor in your background may not terminate you from the application process. Being dishonest about that negative factor will. Be honest. If you feel some event in your background is indirectly related to your application, even though it is not specifically listed, then disclose it. Save yourself a great deal of time, money, energy and effort if you know you will have to lie at any stage of the application process.

It is your responsibility to ask for clarification of any question or word that is not perfectly clear and understandable to you. Unless otherwise stated, each question refers to anytime, any reason, anyplace, anywhere at any age, in any jurisdiction, in civilian and military life, domestic or abroad or on any military installation, base, or federal land. **IT IS YOUR RESPONSIBILITY TO BE HONEST AND TRUTHFUL.**

Please fill out this form in **BLACK INK** only. It is your responsibility to write clearly and legibly. If we cannot read it, the public will not be able to read your police report either. Remember, neatness in writing, grammar, punctuation, spelling, clarity and ability to follow

written instructions are all evaluated as part of the selection process. There is no set time limit to complete this questionnaire.

You will need to write a short narrative to fully **EXPLAIN EACH YES ANSWER**. Make sure your writing is clear and legible. In your narrative answer the relevant questions of Who, What, When, Where, Why, How, How Often, etc. as each question requires. Write your narrative in **BLACK INK ONLY**. Again, it is important that your answers be honest, as the information will be verified by the polygraph and extensive background investigation.

Make sure you include sufficient detail in your report that your background investigator can read and fully understand the circumstances, of what happened, when and why.

Reference your **DRUG AND SUBSTANCE EXPERIMENTATIONS**, make sure you list the dates first used and last used. Don't rationalize or minimize the facts. If you can't remember the exact dates put down the month and year to the best of your recollection. If you need more room to write on any given page, continue writing on a separate sheet of paper, which will be provided by the recruiting staff.

When you are through, keep your questionnaire with you and go to the lobby. Write your name on the interview list located in the lobby and a Background Investigator will review the questionnaire with you. You will be informed what the next stage of the selection process will be. Thank you for your time, patience and cooperation in this matter.
