Longfellow Elementary Science Fair Project Day

Officers of the Downtown Public Safety Unit joined up to be judges at Longfellow Elementary School. Their assignment was to select winners for the 3rd, 4th and 5th grade science fair projects.

This was a great way to build connections and to have a one-on-one approach to help mentor while showing their support to the students, families and school staff members.

The students were also excited to have the Downtown Officer's help judge their science fair projects. This is just a sample of the support given from the Downtown Officer's.

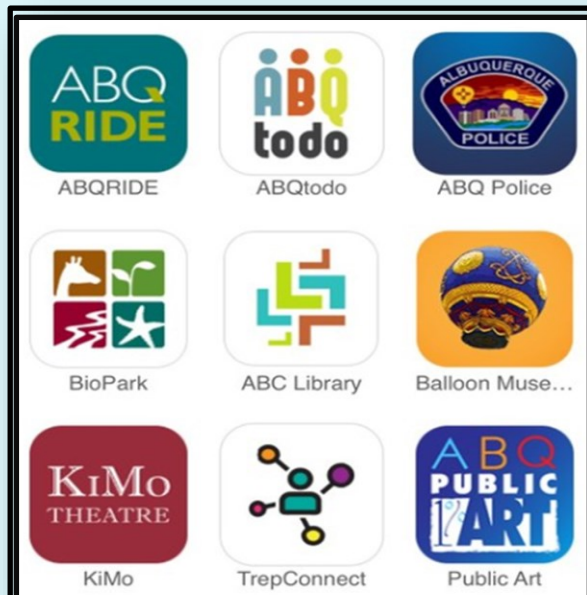

THANK YOU!

Valley Community Policing Council

The Valley Community Policing Council will be meeting via webinar on March 24th from 6:00 pm to 8:00pm. This is your opportunity to address issues and concerns directly to the Valley Command Area. The link for an invitation to the meeting is https://cabq.zoom.us/webinar/register/WN_7Z1iT-WbR9-9-s1dEYOjiA. As an attendee you'll not be seen or heard, but you will be able to submit comments or questions in the chat section.

Our mission as a CPC is: 'to promote and maintain inclusive, respectful, supportive, and cooperative interactions between diverse members of the community and the Albuquerque Police Department (APD) to ensure necessary reforms are met and sustained.'

We are part of the Court Approved Settlement Agreement (CASA) between the city and the department of Justice. However, we have an ordinance that ensures our continued existence after the CASA is done. To that end we also exist to address community issues and concerns,

We are always looking for new council members, working within the Valley Command Area boundaries is a qualification for membership as well as living within them. For more information about our council go to <https://www.cabq.gov/cpoa/community-policing-council>

If you think you might be interested in joining, in playing a part in bringing about necessary reforms, in defining community policing, and helping to ensure safety in our neighborhoods please apply. Our one basic requirement is attendance for the monthly meetings although there are many other opportunities for increased involvement. If you have any questions feel free to email us at cpcvalley@gmail.com
