The Downtown Public Safety ECHO Project is a first-of-its-kind effort bringing downtown residents, workers, and businesses together in an online, social space to share skills, increase knowledge, and solve problems.

This is a community-driven, empowering, and data-based approach to stopping crime and making downtown safer for all of us.

- Adaptable model that is proven in community health, applied to community policing.
Easy-to-access, social, low-barrier, convenient – in person, online video, call in.
Not a feel-good initiative- it’s about identifying real problems and providing real solutions.
Shares best practices, taps community learning, succeeds based on the people who choose to get involved.

Brings people together, engages a data-based approach, and shows real results.

COMMUNITY POLICING COUNCIL

Greetings ~ Our meeting in April will be on the 28th from 6:00 pm to 8:00pm

The topic is the Bernalillo County Metropolitan Courts Specialty Courts program.

◆ Here is a list of the various courts:

- Behavioral Health Court
- Behavioral Health DWI Court
- Community Veterans Court (C.V.C.)
- Competency Court
- Courts to School
- Domestic Violence Early Intervention Program (DVEIP)
- Domestic Violence Solutions Treatment Education Program (DVSTEP)
- DWI Recovery Court
- Outreach Court
- Pre-Adjudication Animal Welfare (P.A.W.) Court
- Urban Native American Healing to Wellness Court

The courts were initiated to serve as an alternative to jail, they offer the participants structure and guidance through counseling and treatment, judicial oversight, and court supervision. The cost of the programs to taxpayers is about ¼ the cost of incarceration. The Independent Monitor for the DOJ/City agreement mentioned them as a useful resource in his most recent report.

Our recent meeting about the city External Force Investigation Team (EFIT) was highly successful and very informative. For next month's meeting we will have a report on the updates to the most recent Monitor Report, which will take, about half an hour, the rest of the meeting is still to be set.

If you think you might be interested in joining our council, the CPC's webpage is at the following link. <https://www.cabq.gov/cpoa/community-policing-council> and there you will find the connection to submit a statement of interest. If you have any questions for us, our email is cpcvalley@gmail.com.

Our meetings as always continue to be webinar ones, though we are beginning to explore the possibility of hybrid meetings, which will be both face-to-face and webinar. However, for the present time we are still using the webinar format. As attendees, you will neither be seen nor heard, but you will be able to submit comments and questions in the chat.

The link for an invitation to our meetings is https://cabq.zoom.us/webinar/register/WN_7Z1t-WbR9-9-s1dEYOjIA

Hoping to 'see' you at the meeting.

Siembra Leadership High School— Ed Café—Save the Date!

Hello Community Partners!

It is that time of the year again where we will host our Virtual Ed Cafe to co-create projects.
