SIEMBRA LEADERSHIP HIGH SCHOOL

Building the Future of Downtown— Siembra Leadership High School

Expanding into old Duel Brewing Building -and Bringing LIFE to Downtown Daily.

Downtown, Albuquerque has been through a number of iterations. For years it's been a place where locals and visitors might visit for means of a few drinks, a museum or show - and to experience your usual "night out on the town." However, that is changing - these days, if you head downtown on any given weekday what you will be delightfully surprised to see, is teens! Yes, teens - young people are walking around, contributing to local economy by shopping at local coffee shops and vendors at the new 505 Food Hall, and bringing happiness, life, and laughter to Central Avenue.

Siembra Leadership High School

is one of the reasons you see bright shining faces walking down city center streets.

This 200+ student Albuquerque charter high school, is a school that focuses on entrepreneurial mindset training, and helps high school students to access opportunities in the realm of micro and small business ownership during their high school studies!

Rolling into Spring of 2023, Siembra Leadership High School will be occupying the ground floor of the Anasazi building at 6th and Central for means of their administrative offices, and expanding into their new home for students as they grow their student population exponentially. The new building is at 606 and 610 Central SW, and will boast a dual level interior and rooftop learning space for young people looking for a different approach and perspective on high school education.

So - downtown isn't just alive at NIGHT anymore; there's a new business in town, downtown - the business of teaching young people about what it's like to do business in Albuquerque. If you are the parent of, or know a young person who might be interested in this approach to education, visit their page and [ENROLL TODAY.](#)

ST. MARY'S CATHOLIC SCHOOL

On May 24, Thirty-eight students graduated from St. Mary's Catholic School in downtown Albuquerque. What began as a year of masks and social distancing, ended in prayer at our graduation mass inside of Immaculate Conception Catholic Church. The class of 2022 experienced what finally felt like a "normal year" as they had the chance to return to hands on project based learning, sports tournaments, academic clubs, and other after school programs.

Events such as the Father Daughter Dance, Mother Son Bowling, Fall Festival, and even a team building escape room became memories for our 8th graders to take with them to high school. This year, our 8th graders engaged in a Life Skills class, where they explored important topics such as the habits of highly effective teens, introduction to finances, and communication skills.

Graduating students will be attending St. Pius X Catholic High School and various local public and private schools. We wish the class of 2022 the best of luck in their future endeavors! Always remember you have a home here at St. Mary's!

Have a blessed week ahead!

Monica Cozza,
St. Mary's Assistant Principal
 224 7th Street NW
 Albuquerque, NM 87102

Valley Community Policing Council

Come to our meeting this month on the 24th and learn about the city's plan to set up encampments/safe spaces for the unhoused throughout the city. Also, take the chance to give your opinion and state your concerns. You can either come in person to the Johnny Tapia Community Center or stick with the webinar format. The link to get an invitation to the webinar is https://cabq.zoom.us/webinar/register/WN_7Z1iT-WbR9-9-s1dEYOjiA the meeting will run from 6:00 pm to 8:00 p. We always devote the last half hour to talk with the APD representatives about issues and concerns that are arising from your communities.

We need more council members, we are actually five short of our optimum number. The level of commitment is entirely up to you. The minimum is two meetings a month, a planning meeting and our public one, though actually there is many opportunities to do more. If you want more information, feel free to contact us at cpcvalley@gmail.com. If you think you might like to submit a statement of interest go ahead and get on the CPC webpage at <https://www.cabq.gov/cpoa/community-policing-council>. To join you have to live, or work, within the Valley Area Command boundaries: east to 1-25, west to the river, and north and south to the city boundaries.

Hoping to 'see' you online or see you at the Johnny Tapia Community Center.

All the best,

You're Valley Community Policing Council

OPEN SKIES—HEALTHCARE

2022 Summer Behavioral Respite
