Trending Tuesday: Our APD Crime Analysis Unit reports for the week of November 19-25 APD took 126 auto burglary reports. The numbers across the city for that week ranged from a high of 32 (North East Area Command) to a low of 13 (North West Area Command) and the ***Foothills Area Command logged 18 auto burglary reports, coming in 4th highest of the 6 APD Area Commands.***

The Foothills Area Command auto burglaries last week were somewhat dispersed throughout the Area Command, but we had a few sites that were targeted: ***trail head parking lots, gyms and business locations.***

Hot Wheels Report: APD Crime Analysis reports that for the same week (11/19-25) APD took 44 stolen vehicle reports city-wide. This is a big downward slide! The week of 11/12-18 APD took 69 stolen vehicle reports and the week of 11/5-11 APD had 85 stolen vehicle reports on file. ***The steady downward trend in the middle of 'warm up auto theft' season is good news!***

The auto theft numbers for 11/19-25 show a high of 13 stolen vehicles (South East Area Command) to a low of 1 stolen vehicle reported (South West Area Command) and the ***Foothills Area Command logged 11 stolen vehicle reports that week***, coming in 2nd highest of the 6 APD Area Commands. Definitely ***room for improvement in the Foothills*** Area Command to drive down that number.

The most popular places to steal a vehicle last week were: single family residences (17), apartments (13), businesses (3), retail (2), and 1 each across the city reported from lodging, parking lots, restaurants, gas stations, parking garages, and medical facilities.

The most popular vehicles to steal last week were Chevrolets (9/6 of 9 were pick ups), Hyundais (5, Sonatas and Tucsons), 3 Kias (2 of 3 were Optimas).
