**National Coffee with a Cop Day is next week!**

Join the Foothills officers on Wednesday, October 3rd at Manzano Mesa Multi-Generational Center starting at 1:00 p.m. for coffee and conversation.

**Quick Take-Aways:** We have another gun on the streets thanks to a citizen leaving a handgun in an unattended, parked vehicle. A garage door opener was also stolen over the weekend during an auto burglary and then used to burglarize the home's garage and an attempt to burglarize the caller's second vehicle. The majority of the auto burglaries over the weekend in the Foothills Area Command were to vehicles left unlocked with items inside the vehicles. I hope our reduced numbers of auto thefts and auto burglaries can continue, but making it easy for criminals to target vehicles by leaving them unlocked is not going to help our communities/other homes on the block or the crime rate in Albuquerque.
