3 Auto Burglaries: 12400-block of Manitoba St NE, 11000-block of Skyline Rd NE, 1200-block of Nakomis Dr NE. **Entries** were via leaving vehicles unlocked, breaking a window. **Items left in vehicles that were stolen:** Wallet full of credit cards and cards being used for fraudulent purchases. Back pack, personal documents, two shirts.

Trending Tuesday: The APD Crime Analysis Unit tells us that APD took **142 auto burglaries over the 7-day** period of October 15-21. The numbers ranged from a high of 35 (South East Area Command) to a low of 14 (South West Area Command) and the **Foothills Area Command logged 21 auto burglary reports for that week.** For the Foothills Area Command, we still have a huge gap in prevention and the perception in the community that it's totally okay and a good practice to leave items in a parked vehicle. **Just changing that one habit would reduce so many people's odds of being a victim of auto burglary.** Making it a practice to clear out that vehicle when you park and pare down what you drive around with and leave in the vehicle would make a big difference in our auto burglary rates. For the past 7 days, Foothills was right in the middle of the 6 APD Area Commands for numbers of reported auto burglaries.

Hot Wheels Report: The APD Crime Analysis Unit reports that APD took **64 stolen vehicle reports the week of October 15-21.** The **auto theft numbers continue to decline** for auto thefts: October 1-7 APD took 96 stolen vehicle reports; the week of October 8-14 APD took 94 stolen vehicle reports. For the week of October 15-21 the stolen vehicle numbers ranged from a high of 21 (South East Area Command) to a low of 6 (Valley and North West Area Commands) and the **Foothills Area Command logged 10 stolen vehicle reports,** placing us as the second-lowest among Area Commands of the 6 APD Area Commands.

The most popular places to steal vehicles for the past week across Albuquerque were: residences (20), apartments (14), hotels (6), businesses (5), retail (3), car dealerships/mechanics (2), medical (2) and houses of worship (2). The most popular vehicles to steal over the past week were: Hondas (10/4 Civics, 4 CRVs), Fords (8/4 of 8 were pick-ups), Nissans (6).

APD Coat and Blanket Drive: The latest news is that we are in **great need of coats** – all sizes, either gender. We are doing well with blanket donations, but coats are lacking. **The last day to donate is Thursday, October 25th** and you can drop off donations to any APD or BCSO substation or CYFD offices. If you are in the Foothills, you can donate anytime Mondays through Fridays between 8:00 a.m. and 5:00 pm. at 12800 Lomas Blvd NE (between Tramway and Juan Tabo).
