Chair Eric Olivas stated that NECPC Secretary Stacy Oliva had submitted her resignation and that she would be missed. He invited meeting participants to apply to serve on the board, or to serve on the board of another CPC in Albuquerque.

NECPC members distributed a survey to meeting attendees. The purposes of the survey are to gather information about the demographics of people attending the meetings and to gather ideas for future meeting topics. The survey is voluntary and anonymous.
Eric Olivas noted that the NECPC has not yet received a response from APD to the three resubmitted recommendations, and there should be an acknowledgement of receipt within 20 days and a response within 60 days of submission. Nicole Chavez-Lucero stated that there is a delayed response because these are part of an older group of recommendations and they are working on a table of responses.

Eric Olivas stated that he has received communication from Nicole Chavez-Lucero regarding the NECPC guidelines and the recommendation regarding education for teen drivers, and thanked Nicole and APD for their efforts.

Eric Olivas presented a new recommendation regarding increasing the number of bicycle patrols. (See Attachment A.)
