Hello Northwest. The weather is getting noticeably hotter and hopefully everyone is managing to stay cool. We had a great turnout at the Coffee with a Cop event hosted at the Donut Mart this month. You all had great questions for our officers and provided great information on your concerns. Call volume for the Northwest is increasing along with the warmer weather. Our officers are working hard to take these calls in a timely manner. In the past month we experienced a slight increase in residential and commercial burglaries.

To help deter burglary, please remember to keep your doors and windows secure. Our Crime Prevention Specialist, Pete Gelabert is always happy to help explain how to make your home or business less susceptible to crime. If you're planning a vacation, take a look at last month's newsletter for tips on securing your home before leaving on vacation. Northwest patrol officers and the Proactive Response Team are working hard to keep the area command safe. Officers are taking higher numbers of offenders off the street and through proactive contacts with individuals, they are identifying and arresting numerous individuals with outstanding warrants. As always, everyone is encouraged to participate in your neighborhood associations, business coalitions and well established entities like WSCONA and NWPCP. If you see any recurring crime or quality of life issues within the NW, please email me at dsaladin@cabq.gov and bring them to my attention.

Northwest Swing Shift Updates. As always, your swing shift officers are working hard for the area command. As the days get longer officers are being sent to more loud party calls at residential homes. If there is a loud party happening in your neighborhood and it gets unruly or goes beyond 10:00pm feel free to call 242-COPS and we will send officers to quiet it down. We continue to enforce traffic laws in the area command and will especially focus on busy stretches of Coors and Unser. If your neighborhood is experiencing a problem with speeders or drivers running stop signs or red lights please reach out and let us know. We can then send officers to increase traffic enforcement. As always, please keep in mind how important it is to report crime and suspicious activity when you see it. This helps us track where we need to apply our resources.

Hello Northwest Area Command!! It is almost the 4th of July! Your Northwest Graveyard officers have been doing an outstanding job patrolling business and high traffic intersections. This 4th of July we will be patrolling with the Fire Department to try and reduce the number of illegal fireworks being used. I hope you all are enjoying this beautiful weather.

Northwest Area Command Problem Response Team Corner

Over the past month, the Northwest PRT Team has focused on citizen's quality of life and safety throughout the Northwest area command. We understand that quality of life is the most important issue to our community partners. As a team, we try to shape the Northwest into a thriving and vibrant community free of the fear of crime.

The NW PRT team serves the citizens of the NW area command by aggressively enforcing ALL crimes committed within the area command. As a Team, we hold criminals accountable through a collaborative strategy using internal and external enablers to identify, track, and apprehend violent and repeat offenders. NW PRT aggressively and proactively addresses the community's concerns by effectively communicating, enabling community partners, community outreach, and enforcing ALL crimes committed. NW PRT started riding the buses in the area to ensure the safety of the citizen utilizing the public service.

We want to hear from you about all your concerns. If you see something....say something.

Personal Safety Walking Tips

- Avoid walking alone.
- Walk on streets where there are other people.
- Stay alert to your surroundings at all times. Observe people and activities around you. Look confident and purposeful when you walk.
- Plan and use the safest and most direct route to your destination.
- Choose busy, well-lighted streets and avoid isolated areas, alleys, vacant lots, abandoned buildings and construction sites.
- Walk near the curb and do not pass too close to shrubbery, dark doorways and other places of concealment.
- Become familiar with stores and gas stations that stay open late at night as well as your Albuquerque Police Department Area Command Sub-Station and Fire Department.
- Walk facing traffic so you can see approaching cars. Carry a flashlight during hours of darkness.

CPC meeting , 3rd
Wednesday of every
month.

Council Goals

The goal of each Community Policing Council is to engage in candid, detailed and meaningful dialogue between Albuquerque Police and the citizens they serve. Councils are independent from the City and Department. They are encouraged to formally recommend changes to Albuquerque Police Department policies and procedures. They are also asked to make recommendations and identify concerns, problems, successes and opportunities within each area command and for the department as a whole.

Council Membership

The NWCPC meets in person at the Don Newton Multi Generational Center or alternatively, meetings can be attended via zoom. The CPC members are made up of eleven volunteers. CPC members are composed of members from the community and voting members. Voting members must reside within or have businesses within the boundaries of their area command. All attendees (members) are encouraged to submit recommendations, provide input concerning recommendations, ask questions and submit topics for discussion.

Northwest Area Command Community Partnership and Outreach Corner

Community Partnership and Outreach:

APD'S COAST Outreach (Crisis Outreach and Support Team):

The COAST team continues to work with the West Side Homeless shelter, service providers and Field Officers to ensure that the homeless and most vulnerable are being offered shelter and resources. Service providers are continuing to do homeless outreach throughout the City.

Coffee with a Cop: at various restaurant locations:

Coffee with a Cop is an opportunity to interact with the officers assigned to their neighborhoods and ask questions, voice concerns, and get to know the police officers in your community.

Cop on the Corner: at various neighborhood locations.

The Albuquerque Police Department launched a new program called "Cop on the Corner" to help build relationships with the communities where officers patrol. The program will give people the opportunity to attend police field briefings where they can interact with the officers assigned to their neighborhoods. The day shift officers and swing shift officers hold briefings at various neighborhoods.

Business Coalition meetings:

We have three community business locations. The Westside area businesses, Riverside area businesses and the Cottonwood area businesses. We are working with the businesses to identify and reduce criminal activity. In the meetings we will identify the business stakeholders that will be involved, concerns on any type of criminal activity. We will talk about resources that can be used to deter and reduce criminal activity and provide crime prevention training, business security assessments and educate the businesses concerning property crimes.

Crime Prevention, Neighborhood Watch Program:

The NW Area Command has over 100 neighborhood watch programs and block captains. We have established an excellent rapport and understanding of the needs and concerns of the neighborhoods and block captains within their respected neighborhoods. The block captain/officer initiative program strengthens the ties between the officers, and the community.

ADAPT Program (Abandoned & Dilapidated Abatement Property Team):

The program identifies and addresses abandoned and/or dilapidated properties that become public nuisance because they have a pattern of calls for service, serious criminal activity or because they pose a public safety threat. The goal is to work with property owners to increase the health, safety, and welfare of the buildings and the community. Through community policing we will reduce crime and increase quality of life in the area.

COMMUNITY OUTREACH

APD'S COAST (Crisis Outreach and Support Team) is continuing to work with the West Side Homeless shelter , service providers and Field Officers to ensure that the homeless and most vulnerable are being offered shelter and resources. Along with this collaboration , we are stressing the importance of education for this population due to limited access or knowledge to some of the safety measures. Masks , hygiene, water and food are being provided on a daily basis to those that are not wanting to go to the shelters. Service providers are continuing to do homeless outreach throughout the City. The Westside Emergency Housing Center is continuing to remain open 24 hours, 7 days a week and will accommodate as many people as possible. The City opened up hotels to assist with shelter numbers, this is helping keep the most vulnerable and families safe and provide social distance. The staff at the shelter has been working hard to keep everyone safe.
