APD Welcomes Graduates of the 117th Cadet Class

On June 1, APD welcomed 24 new police officers from the 117th Cadet Class. The cadets spent 27 weeks at the Academy where they received over 1,000 hours of training and ran 270 miles. These officers will have another 16 weeks of the on-the-job training. Congratulations to the 117th Cadet Class.

APD Hosting #TuesdayCopTalk

On the first Tuesday of each month, members of the department answered questions and listened to the community's concerns over Twitter. Community members can ask questions or follow along with the conversation by using the hashtag #TuesdayCopTalk. The cop talk is held from 3:30 p.m. to 4:30 p.m.

Bill Daniels True Blue Awards Honor APD Officers

Three APD Officers received the Bill Daniels True Award on June 12, 2107 for individual acts of compassion that went above and beyond their normal duties. Receiving the award during a ceremony were Officers P. Haugh, T. Nadas, and L. Canales. Officer Haugh was on patrol in Southeast Albuquerque when he came upon two young boys who had their bicycles stolen. Haugh, who was familiar with the two children had them accompany him to the store where he purchased new bicycles. Officer Nadas was providing security at a homeless shelter as part of Chief's overtime when the facility's electricity went out. Nadas went to a nearby McDonalds and bought food for the entire group. Officer Canales was on shift when he encountered a woman panhandling. The single mother of two young children said she was hungry and trying to feed her family. Officer Canales had the family meet him at a nearby restaurant where he bought them a meal and learned their circumstances. He subsequently bought and delivered groceries and other necessities to the family.

Northeast Area Command Officers Save Choking Puppy

While investigating a stolen vehicle, Sergeant J. Edison and Officer J. O'Guin saw a woman crying. When the woman told them her puppy was choking on some cheese, the officers immediately started trying to get the puppy breathing by patting his back. Eventually, the puppy began breathing on it own. The woman commended the officers for turning their attention to a puppy in need. The lapel video was later shown on ABC's World News.

Officers Help Expecting Parents

On June 18, Officer R. Holets was dispatched to a residential burglary where the tenants were victims of a fire that occurred three days prior. The couple had very limited income and were expecting their first child. After leaving the call, Officer Holets purchased numerous items for the expecting couple, such as clothes and a bouncy seat for the baby. Officer J. Gumble also purchased a \$200 gift card for the family to help replace items lost in the fire and burglary. Officer Holets contacted a few local Walmart stores who generously donated several boxes of diapers after hearing the story of the family in need. These selfless acts of kindness demonstrate Officers Holets and Gumble's personal commitment to helping the community.

Repeat Auto Theft Offender Arrested

The Auto Theft Unit conducted surveillance and re-acquired a suspect who had previously escaped apprehension. The subject was very active in auto thefts and detectives apprehended him after he abandoned a stolen vehicle and tried to carjack an elderly female. Detectives were able to prevent the carjacking and take the subject into custody. After interviews with the offender, detectives closed out several cases the offender was involved in. Several vehicles were also recovered. This offender also had a handgun in the stolen vehicle he was driving.

APD Launches New Mobile App

Residents will now be able to access APD's services in an easy way. In June, the department unveiled its new smartphone app called ABQ Police. The app will allow people to use their cell phones to file police reports, submit crime tips and receive important alerts. Users can also receive real time crime mapping, keep abreast of wanted suspects and learn about APD's community events. The ABQPolice Mobile app is available for Android and iOS systems and can be downloaded from your device's app store (iTunes and Google Play Store).

Northwest Officers Attend a Homeowners Association Meeting

Northwest Field Officers and Police and Community Together (PACT) team attended an annual homeowners association meeting. The attendees were educated on the PACT initiative and were given crime prevention tips from Northwest Crime Prevention Specialists. Attendees were also given updates on the crime statistics for their neighborhood and what Northwest officers are doing to address the issues.

Southeast Area Command Staff Attend Luncheon

On June 12, Lieutenant P. Duran and COAST representative D. Hovey-Thomas attended an Elder Abuse Awareness Luncheon. In attendance were Constituent Services Director, Alan Armijo on behalf of Mayor Richard Berry, and Councilman Pat Davis. APD personnel presented various crime prevention tips and resource that are available.

Valley Area Command Working the Downtown Area

On June 26, the Community Response (CR) unit started working on a comprehensive downtown operational plan as one prong of the mayor's five prong approach to clean-up downtown Albuquerque of crime. CR officers are working extended hours and the Valley Impact team is conducting plain clothes operations. The Special Investigations Division is conducting undercover operations and Valley field officers are increasing community contacts. APD's tactical and Gang units are also increasing their presence in the downtown area.
