Chief of Police

## APD Notables...

### Field Services Bureau

#### Field Services Bureau - East

#### Southeast Area Command...

- In May, the Southeast Area Command had 12,245 calls for service, wrote 2,162 reports, and issued 745 citations. There were 303 felony arrests, 324 misdemeanor arrests, and 46 driving while intoxicated (DWI) arrests. 13 community meetings were attended.
- On May 4, Detective Hotle assisted federal agents with the apprehension of a suspected career criminal. The subject had absconded from parole and was known to be armed. Detective Hotle initiated surveillance at a local hotel and located the subject. An additional subject, a known drug dealer, was also with the subject. Both were seen carrying firearms. Detective Hotle, along with federal agents, conducted a high risk stop resulting in recovery of a weapon. The vehicle was seized by federal agents and the subject was booked on weapon charges. In addition, the subject was taken into custody and booked on enhanced federal weapon and drug charges. The subject is facing a mandatory minimum of 20 years in federal prison.
- On May 5, Officer McBrayer was dispatched to a motor vehicle accident. One of the vehicles involved in the accident bore a Colorado plate which was reported as stolen. Four of the five occupants of the stolen vehicle ran away from the scene prior to the officer's arrival. The one occupant who stayed behind was identified and found to be a missing juvenile who had a warrant for his arrest. At the conclusion of the investigation, Officer McBrayer was able to identify the four outstanding subjects who ran from the scene including the driver of the stolen vehicle.
- On May 5, officers were dispatched to a possible robbery call. The subject attempted to take items from a gas station without paying for them. When confronted, the subject lifted his shirt and exposed a handgun in his waist band. The victim indicated the subject reached for his gun but was taken down by the victim and assisting witnesses. The firearm was recovered by officers. A search of the subject's backpack revealed methamphetamines. Detectives arrested the subject for the above charges.
- On May 9, Officer Kelly was at an intersection when he heard multiple gun shots. He drove around the corner and saw a vehicle leaving at a high rate of speed. Officer Kelly was able to catch up with the car and conduct a traffic stop and three subjects were detained. Through his investigation, Officer Kelly was able to determine one of the passengers was the one who shot at the apartment building. The vehicle was sealed pending a warrant.
- On May 11, Officers Arnold and Galvan were dispatched to a disturbance call. Upon arrival, they were flagged down by two individuals in the parking lot advising two unknown males were inside one of their vehicles. After the offenders were confronted by the owner of the vehicle, they fled on foot. A friend of the victim ran after one of the males and was able to detain him until police arrived. Officer Arnold confirmed he was the person in the driver's seat of the victim's vehicle. The male was placed under arrest. While on scene, Officer Galvan spotted the second offender that had run from the vehicle and placed him into custody. Both subjects were charged with multiple felonies and booked into the Metropolitan Detention Center.
- On May 11, Officers Rodriguez and Hernandez were dispatched to a commercial burglary in progress. A neighbor observed a male subject entering the business through a back window. Officers established a perimeter and took two males into custody after they exited the building with stolen property. The business was cleared with the assistance of K-9 and both offenders were arrested for commercial burglary and conspiracy and booked into the Juvenile Detention Center.
- On May 12, Officer Haugh was dispatched to assist undercover detectives following a stolen vehicle. Officer Haugh attempted to initiate a traffic stop but the vehicle fled. Officer Haugh remained vigilant and observed three subjects walking in the area that matched the description of the occupants of the stolen vehicle. The three individuals were subsequently arrested for being in possession of the stolen vehicle.
- On May 13, Southeast Impact detectives obtained incriminating evidence against a suspected repeat property crime offender. Detective Lueckenhoff immediately began working leads and re-establishing contact with the numerous victims whose vehicles had been burglarized. Detective Lueckenhoff was able to construct a strong multi-count case against the suspect. Detective Lueckenhoff obtained an arrest warrant for the suspect who is now in

- custody at the Metropolitan Detention Center.
- On May 13, Officer Landavazo was dispatched to a found stolen motor vehicle. The witness called 911 after he located the pickup truck belonging to his niece. The caller observed a male subject, carrying a gas container, returning to the vehicle. The caller made conversation with the male in order to stall him until officers arrived. Officer Landavazo arrived and located the subject attempting to put gas into the vehicle. The suspect provided a false identity. He was subsequently booked on felony receiving/transferring a stolen motor vehicle.
- On May 15, Southeast Impact detectives were dispatched to a shots fired call. Field officers stopped a vehicle that reportedly was in the area during the call. A suspect was taken into custody and arrested on the charge of shooting from a motor vehicle. A search of the vehicle revealed a firearm and different types of ammunition.
- On May 20, officers were dispatched to two suspicious subjects climbing into an apartment window. Officers did not locate the two subjects in the apartment but later located them in the area. Officers conducted a thorough investigation and found the two subjects to be in possession of stolen property and having outstanding warrants.
- On May 25, Officer Galvan was dispatched to an aggravated assault call. As officers arrived on scene, they observed a male holding a female down on the ground and hitting her in the face. The male was detained. Officer Galvan learned the male had pulled a gun on the female while they were riding in the car. The female also indicated she was choked, almost causing her to blackout. The male was arrested and booked into the Metropolitan Detention Center on felony domestic violence charges. The firearm was located inside the vehicle and the vehicle was sealed pending a search warrant.
- On May 27, officers were dispatched to a recovery of vehicles belonging to a local rental car agency. The vehicles were found to be in the possession of one of their employees. Detectives arrested the employee and obtained a search warrant resulting in the recovery of four vehicles valued at over \$100,000. The employee also admitted to a fifth vehicle that had been taken. He gave the location of the vehicle, and that vehicle was also recovered.
- On May 30, Southeast Impact detectives responded to investigate a male subject who had fled from and intentionally crashed into

officers in his attempt to escape. The subject was initially a suspect in battering another male subject with a crowbar. While officers were on their way to that disturbance, they encountered the subject who fled in his vehicle. The subject ran a stop sign crashing into another vehicle traveling east bound on Central Avenue. As officers approached, the subject drove head-on into the officers. The subject was later taken into custody in the area of San Mateo and I-40 where he crashed into another police vehicle in an attempt to evade officers. In an interview, the subject indicated he was attempting to bait officers into shooting him in hopes of committing suicide. The subject is facing numerous counts of aggravated battery on a peace officer, aggravated assault, battery, reckless driving, and leaving the scene of an accident.

- Officer Tapia was dispatched to a subject who may have outstanding warrants. Officer Tapia checked the residence and located the suspect who had a \$3 million warrant for child abuse, aggravated assault against a household member, breaking and entering, felon in possession of a firearm, attempt to commit a felony, criminal damage to property, and stalking.

### **Northeast Area Command...**

- In May, the Northeast Area Command had 10,468 calls for service, wrote 1,988 reports, and issued 1,252 citations. There were 156 felony arrests, 151 misdemeanor arrests, 73 driving while intoxicated (DWI) arrests, and 75 warrants issued. 27 community meetings were attended.
- In May, the Northeast Area Command conducted numerous traffic stops in a zero tolerance enforcement plan. Each officer was assigned a day to conduct his/her plan. This resulted in 30 traffic citations, 32 panhandling citations, two recovered stolen vehicles, and 28 graffiti referrals.
- On May 4, the Northeast Impact detectives arrested a subject on a warrant for criminal sexual penetration, attempted murder, aggravated battery with a deadly weapon, and tampering with evidence from a March 7, 2015 incident.
- On May 6, Officer Guerrero and the Northeast Impact Unit worked a joint investigation with the Corrales Police Department and APD SWAT. A sergeant from the Corrales Police Department asked for assistance on a jewelry store robbery he was investigating. With the help of the

Northeast Impact Unit and APD SWAT, the offender was arrested and charged. The jewelry was recovered after a search warrant of his vehicle was executed. The hand gun the offender used to commit the robbery was also recovered.

- On May 9, Detective Baker conducted an investigation on aggravated assault with a deadly weapon. The suspect stalked his girlfriend and fired two shots into her car. Projectiles were recovered from the vehicle's headrest. Detective Baker was able to obtain an arrest warrant and, with the help of Probation and Parole, was able to locate the suspect and arrest him. He is currently in custody on a no-bond warrant for the probation violation and \$100,000 cash only bond for the shooting.
- On May 10, officers were dispatched to assist with a domestic dispute call where the offender stated he was armed with a bomb and was threatening to blow up the motel. Officers established a perimeter around the motel and the SWAT Team was activated. After a standoff with the SWAT Team, the offender was taken into custody without further incident.
- On May 11, Officer Molina stopped a suspected stolen motor vehicle and subsequently took three individuals into custody. The driver was arrested for transferring and/or receiving a stolen motor vehicle while the two passengers each had an outstanding felony warrant for their arrest.
- In the month of May, Officer Molina had a total of ten felony arrests, recovered seven stolen vehicles, had three in custody arrests, wrote 30 offense/incident reports, and handled 107 dispatched calls for service.
- On May 16, Officer Dubois responded to the robbery of a local restaurant. While canvassing the area, Officer Dubois located a subject matching the description of the offender. The subject attempted to elude the officer on foot, but Officer Dubois was able to apprehend him. A subsequent positive identification was made of the offender and he was booked.
- On May 20, Officers Cook and Drobik were dispatched to a male subject armed with a knife. Officer Cook arrived on scene and made contact with the caller (security guard). According to the caller, the suspect made a threat with a knife when he was told to get off of the property. The suspect then fled the area. Officer Drobik located the suspect entering a vehicle with a stolen license plate. Officers Drobik and Cook approached the suspect and placed him into

custody without incident. After a search incident to arrest, a folding knife was located in the suspect's pant pocket. The suspect was charged with aggravated assault with a deadly weapon.

- On May 22, Officer Ramirez was on random patrol when she ran the plate of a parked vehicle which indicated it was stolen. The vehicle was occupied by a male subject. The driver was detained and later placed under arrest for receiving and transferring a stolen motor vehicle, possession of a controlled substance, and a felony warrant. The vehicle was filled with miscellaneous property. A music instrument taken during a residential burglary was among the items in the vehicle.
- On May 24, officers were dispatched to a traffic accident. An unknown witness stated he observed a male running south. Officers stopped the subject, who was later identified as the male driving the vehicle causing the traffic accident. The subject was arrested for driving while intoxicated (DWI), reckless driving, and leaving the scene of an accident.
- On May 27, Detective Roach investigated an auto burglary which started with store surveillance video of an unknown person using a stolen credit card. Two offenders were identified and at least eight additional auto burglaries will be cleared through their arrests.
- On May 29, Detective Baker assisted field officers who had apprehended a subject for auto-theft. It was determined this was the same subject who committed an auto burglary earlier in the day. The offender was arrested and charged with receiving and transferring a stolen motor vehicle, receiving and transferring stolen property, auto burglary, and aggravated eluding a police officer.
- On May 30, officers were dispatched to a suspicious person call where the offender fired a shot at the caller. The offender fled the area but was located nearby by officers. The vehicle was stopped and the offender was arrested. There was a young child located inside the offender's vehicle. The offender was booked on an aggravated assault with a deadly weapon charge.

### **Foothills Area Command...**

- In May, the Foothills Area Command had 7,092 calls for service, wrote 1,326 reports, and issued 826 citations. There were 164 felony arrests, 176 misdemeanor arrests, 19 driving while intoxicated (DWI) arrests, and 40 warrants issued.

- On May 1, a victim called police to report a male removed a handgun from a female's purse, pointed the handgun at him and his neighbor, and threatened to shoot them. The offenders left the area running on foot and were located by police in a drainage ditch. Both the male and female were detained. At that time, the male was unarmed. Officers conducted an exhaustive search and Officer Surran located a handgun hidden underneath a trash can. Both subjects were arrested on two charges of aggravated assault with a deadly weapon and tampering with evidence. The male concealed his identity. However, once he was correctly identified, it was revealed he had four felony warrants and one misdemeanor warrant for his arrest.
- On May 2, Officer Lujan worked with University of New Mexico (UNM) police in locating an armed robbery suspect. The suspect had committed an armed robbery on the UNM main campus. Officer Lujan received a last known residence and, with assistance from Officer Marquez, located the offender and took him into custody without incident.
- On May 5, Officer Phillips, Officer Luthi, and Sgt. Velarde were dispatched to a single vehicle crash. Upon arrival, officers discovered the driver was under the influence of an intoxicating substance and the vehicle was stolen. Officers notified a Driving While Intoxicated (DWI)/ Drug Recognition Expert (DRE) officer and auto theft detective to assist with the investigation. Methamphetamines were in plain view and burglary tools were discovered in the trunk of the vehicle. The offender was arrested on multiple felony crimes.
- On May 8, Officer Smith was dispatched to a shoplifting and aggravated assault incident. The female suspect stole a drill, was confronted by loss prevention, and threatened loss prevention with a handgun. She was captured by Officer Smith and arrested for aggravated assault with a deadly weapon and felon in possession of a firearm. One firearm was also seized. The subject also had a prior felony conviction for murder.
- On May 10, Officers Forsberg and Shannon were dispatched to a domestic dispute at a local motel. Upon arrival, the victim advised officers that her boyfriend held her against her will, strangled her unconscious, and battered her. The victim stated she was in fear for her life due to the boyfriend being armed and possibly involved in a homicide. Officers were advised the boyfriend was likely at a northeast location. Officers arrived at that location and saw a subject matching the boyfriend's description run inside the residence. A perimeter was established and ten different subjects exited the residence, most confirming the boyfriend was hiding inside the house. SWAT was called to assist with the scene and after nearly 14 hours, the boyfriend was taken into custody. The boyfriend was charged with aggravated battery on a household member and kidnapping.
- On May 11, Officer Sanchez was dispatched to a suspicious subject call. She arrested a male subject on an active felony arrest warrant for murder violations issued by the United States Marshal's Office. He was also arrested for being in possession of three grams of methamphetamine.
- On May 13, officers were dispatched to the area of a local middle school. A subject armed with a rifle and scope was laying down in a prone position. Upon arrival, officers deployed on foot and approached the subject tactfully with the assistance of air support. The subject was safely taken into custody for questioning and the weapon was found to be an airsoft gun. The subject had outstanding warrants and was arrested.
- On May 14, Officer Smith was dispatched to an infant that had stopped breathing and was unresponsive. Officer Smith performed CPR and revived the seven-month-old infant. Officer Smith was nominated for the APD Life Saving Award.
- On May 15, Officers Durham and Abeyta were dispatched to a vehicle driving through the neighborhood shining flash lights into homes and vehicles. Officer Durham located the vehicle and discovered it was stolen. A stop was conducted and two subjects were taken into custody. The subjects were charged with receiving/transferring a stolen motor vehicle and conspiracy.
- On May 15, Officer Ledford was dispatched to a suspicious person at a residence that the Criminal Nuisance Abatement Unit had declared unsafe. The residents arrived to obtain diapers for their eight-month-old. Rather than arrest the subjects for trespassing, Officer Ledford transported them to a family member's residence, explained to them how to reach APD risk management, and purchased diapers for the eight-month-old with his own money.
- On May 17, APD was contacted by United

States Marshals who requested Foothill units to assist in apprehending a male subject who had fled from California. The male absconded from parole for murder and had an additional warrant for rape, both out of California. Foothill officers assisted the United States Marshals and the subject was apprehended without incident.

- On May 23, officers were dispatched to multiple calls of a disturbance. The callers described a female, with blood on her face, body and clothing attempting to flee from a male subject. The callers observed the male force the female into a vehicle and flee the area. One of the callers provided a license plate number and officers located the vehicle and took the driver into custody. The female was transported to the hospital. The male driver was charged with kidnapping, aggravated battery and probation violations for over ten other felony charges.
- On May 26, Officers Small and Reeder were dispatched to a disturbance call. Upon arrival, they located an elderly female screaming and crying because her son had pushed her and locked her out of the house. There were two young children in the house. Officers got permission to enter the house, located the back door unlocked, and entered the residence. Once inside they located the children, and observed some injuries to the facial area of one of them. The child with injuries was transported to the hospital for further observation.

### **Field Services Bureau - West Valley Area Command...**

- In May, the Valley Area Command had 7,862 calls for service, wrote 1,129 reports and issued 904 citations. There were 98 felony arrests, 120 misdemeanor arrests, 43 driving while intoxicated (DWI) arrests and 48 warrants issued. 14 community meetings were attended.
- On May 2, Officer Schroeder was flagged down about a suspicious individual. Officer Schroeder conducted surveillance of the individual and determined him to be associated with a vehicle that was in the parking lot. Officer Schroeder checked the vehicle through the National Crime Information Center (NCIC) database prior to contact and discovered it was a stolen vehicle. He then made contact with the suspicious individual and was able to directly connect him to the stolen vehicle.
- On May 2, Officer Miera, along with other Valley dayshift officers attempted to apprehend a

subject on a felony warrant when he fled on foot. Officer Miera quickly called out her location and established a perimeter prior to air support arrival. Air Support immediately located the subject who continued to elude officers by running from yard to yard. The subject was observed entering a residential dwelling that did not belong to him. Due to safety concerns of possible residents, officers entered the dwelling through an unsecured door and took the subject safely into custody without incident. The home owner arrived on scene and stated she did not know the offender and confirmed he was wearing a shirt belonging to her. The subject was also armed with a razor knife.

- On May 6, Officers Carter and Miera responded to an auto burglary. Multiple area residents, including the victim, provided a detailed description of the offender. Sergeant Armijo observed a subject matching the description and, along with other officers, detained him. The victim positively identified the subject as the offender she observed inside of her vehicle. A search of the suspect, pursuant to arrest, revealed a small handgun on his person. A check through the National Crime Information Center (NCIC) database, confirmed the subject was a convicted felon. The subject was booked on an aggravated burglary charge. The Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) was notified and will follow-up for potential federal charges.
- On May 8, detectives responded to a stabbing. The offender jumped a fence and stabbed his neighbor with a piece of glass. When Officer Taylor and Sergeant Johnston arrived, the offender became combative, fled, and barricaded himself in his residence. A SWAT situation ensued. A search warrant was issued and the offender was taken into custody and charged with aggravated battery with a deadly weapon, aggravated battery on a police officer, three counts of child abuse, and aggravated assault with a deadly weapon.
- On May 9, Officers Shrouf, Clemons and Garcia were dispatched to a stabbing call. Upon arrival, officers located the victim bleeding heavily from a deep laceration to his right arm. Due to the severity of the injury, rescue personnel (along with the primary officer) performed a "scoop and run" with the victim to the hospital while assisting officers contained the scene. After conducting a brief interview with the victim, officers were able to gather enough information

on a possible offender's name and location. Contact at the offender's address was made; however, the subject was not on scene but fresh blood was located around the property. As officers stood by awaiting a field investigator, the offender returned to his residence and was taken into custody.

- On May 10, Officer Taylor was dispatched to an armed robbery call. Once on scene the subject became very aggressive towards officers and was subsequently arrested for aggravated battery on a peace officer as well as a misdemeanor warrant.
- On May 15, Officers Camp and Smith were dispatched in response to a crash. As they were en route, they were advised one of the subjects had pulled out a gun and fled the area on foot. The subject was quickly apprehended and found to be in possession of a stolen handgun.
- On May 16, a neighbor called 911 and advised they had witnessed a suspect attempt to force open a door that was bolted shut, then break a window in the rear of the residence and climb inside. Upon arrival, officers located the suspect in the back yard of the residence. The neighbor positively identified the suspect. The owner of the residence was out of state but was contacted and provided an exact description of some of his collectible coins the offender had in his possession. The offender also had a camera bag with approximately 50 pounds of coins also believed to be the victims. The suspect was taken into custody without incident.
- On May 16, Officers Lee and Armijo were dispatched to an auto burglary in progress. The calling party was a Crisis Intervention Team (CIT) detective. The detective advised he heard the alarm to his unmarked unit going off, went outside, and found an unknown female inside his vehicle. He was able to take the woman into custody without incident. When officers arrived, they took over and identified the subject. The subject was found to have a history of property crimes and was booked for auto burglary.
- On May 18, Officer Silva recovered a stolen vehicle at Rio Grande and I-40. Through investigation, he determined the property in the car was also stolen. He was able to identify and contact the victim and return the property.
- On May 26, a northwest service station was robbed at gunpoint. Sergeant Armijo and his team were part of a pursuit of the suspect through the city. The suspect was taken into custody by detectives and found to be the

offender in the Rio Rancho officer homicide.

- In May, Officers Shrouf, Wickens, Drager and Public Service Aide Connors conducted a Sunday night cruiser tactical plan due to residents in the area complaining about the traffic and driving behavior of vehicles. During the course of their patrol, officers conducted numerous traffic stops, issued 43 citations, seized one vehicle, had one driving while intoxicated (DWI) arrest, and two domestic violence arrests.

### Southwest Area Command...

- In May, the Southwest Area Command had 5,136 calls for service, wrote 1,222 reports, and issued 571 citations. There were 45 felony arrests, 90 misdemeanor arrests, 22 driving while intoxicated (DWI) arrests and 25 warrants issued. 19 community meetings were attended.
- On May 5, Officer Maycumber was on random patrol when she saw a suspicious male standing next to a vehicle. She ran the license plate on the vehicle and found it was a stolen plate. The male fled the area on foot and Officer Maycumber gave out a description. Officers in the area located the male around the block. The offender had property on him linked to an auto burglary that occurred earlier that morning.
- On May 8, Officer Beem was dispatched to a missing person call. The male stated his wife and two daughters were missing. The male stated his wife had been diagnosed as bipolar with post-traumatic stress disorder and had recently been extremely paranoid. While talking with family members, it was learned that the female had been using methamphetamines and other illegal substances. Being concerned for the children, Officer Beem asked dispatch to "ping" her cell phone and notified Child Exploitation Detail detectives. The wife and her daughters were located a few days later in Las Vegas, Nevada.
- On May 20, Officers Michaud and Hinson were dispatched to a suspicious person call. When they arrived, they made contact with a male subject who matched the description given on the call. He took off running and a foot chase ensued. Officer Michaud was able to catch the subject and take him into custody. The subject had felony warrants for armed robbery.
- On May 21, officers responded to a subject that reported he had just stabbed and killed his younger sister. The suspect was taken into custody without incident. The sister was found

- mortally wounded in the residence.
- On May 24, officers were dispatched to a domestic violence call. Off duty officers were detaining a male that had been in a physical altercation with a female in a vehicle in traffic. When officers arrived, the male was safely taken into custody and arrested on felony domestic violence charges.
- On May 25, Officers Martinez and Hinson were dispatched to a shots fired call by a neighbor who thought a dog had been killed. When officers arrived, the residents were reluctant to let officers into the gate. Officers observed a large blood stain on the driveway of the home. Officers entered and a blood trail ended in the back yard where two paws could be seen sticking out of the ground. The male homeowner later admitted to shooting the dog with an AK-47 and was arrested for felony cruelty to animals.
- On May 28, members of the Southwest Area Command responded to a subject in a stolen vehicle call. The driver was a suspect in an earlier incident in which he attempted to use the vehicle as a weapon against a Southwest Area Command sergeant. As officers were responding, the subject attempted to run officers over a second time and in the process was shot.
- On the last week of May, Detective Piatt received a call regarding a female offender who fought with a bonds collector trying to take her into custody. The offender fired a weapon at the bonds collector and then stole a vehicle to escape. Detective Piatt obtained an arrest warrant for the offender. On May 28, Piatt located the offender and was able to take her into custody with the assistance of Bernalillo County Sheriff's Office SWAT Team. The offender was arrested on three felony warrants and two misdemeanor warrants.

### Northwest Area Command...

- In May, the Northwest Area Command had 5,054 calls for service, wrote 1,019 reports, and issued 838 citations. There were 33 felony arrests, 79 misdemeanor arrests, 22 driving while intoxicated (DWI) arrests and 27 warrants issued. Ten community meetings were attended.
- On May 5, Officers Enyart and Romero responded to an attempted burglary. The caller was passing through town when her vehicle broke down. She had been sleeping in her car waiting for the business to open when a suspect, attempting to break into cars, broke her rear

- windshield. The suspect left the area quickly upon discovering the vehicle was occupied. The female and her passenger were scared and anxious about the experience. The officers not only took the report but stood by with the two occupants until the business opened to fix the vehicle. Both officers received a letter from the victims thanking them for their assistance.
- On May 18, Officer Lujan and Sergeant Weber responded to a domestic violence call. Upon arrival, officers could see inside the apartment and could hear a disturbance coming from the bathroom. Offices were able to have the female exit the bathroom, but the male remained inside and stated he would not come out. The male made threats of suicide. The female advised she had been dragged by her hair and strangled. Officers were able to remove her child safely from a nearby bedroom and get the female the medical attention she needed. Sergeant Weber negotiated with the male for approximately 20 minutes and he eventually surrendered. He was charged with two felony counts of domestic violence.
- On May 23, Officer Acata investigated a commercial burglary in progress. Once on scene, Officer Acata located two construction workers doing a remodel to the closed business. These construction workers observed a male subject make entry into the business and attempt to exit with tools. The construction workers detained the male subject until the arrival of police.
- On May 24, officers were alerted to a shoplifting in progress. Asset protection had a camera on a female who was stuffing merchandise into large containers. The female had a male subject with her who was seen walking to and from the female's vehicle parked outside. An officer detained the male near the vehicle. The female then exited the store after her telephone calls to the male were not answered. Officers apprehended her as she left the store. The license plate on the car had been linked to other thefts as well. The female was arrested for felony shoplifting (\$1,767.54). The car was sealed and towed and Impact Units conducted a search warrant on the vehicle, finding more merchandise in the car and an envelope linking the male to the vehicle.
- On May 25, officers were dispatched to a local retailer concerning a shoplifting complaint. Upon arrival, officers were met by loss prevention and directed to a female subject

concealing items on her person. Officers escorted the female to the loss prevention office and began their investigation. Officers determined the subject had over \$1,000 worth of stolen merchandise. She was booked into the Metropolitan Detention Center for felony shoplifting and the recovered merchandise was returned to the retailer.

- On May 27, Northwest Impact detectives learned a subject attempted to steal two vehicles and led officers on a chase which ended in the bosque. The offender fled on foot leaving the stolen vehicle behind. Detectives searched the stolen vehicle and found store receipts along with property stolen from several auto and residential burglaries. The store receipts led detectives to surveillance footage and they were able to identify the offender. A background check revealed the subject had an extensive criminal history. Northwest Impact detectives located the subject and arrested him without incident.
- Officer Pina responded to a suspicious vehicle call. Officer Pina noticed several individuals in a vehicle which displayed a false plate. Officer Pina made contact and determined the vehicle was stolen. Further investigation generated two felony warrants, one stolen handgun recovered, and two stolen license plates recovered.

## Special Services Bureau

### Open Space...

- On May 2, Open Space officers assisted with the 2015 Law Enforcement Memorial Ride. Open Space officers assisted with set up at the starting line, traffic control, and repair and recovery on the bicycle route. Officer Melvin helped multiple riders repair flat tires so they could complete the ride. Officers helped with traffic control and followed slower riders to make sure they reached Santa Fe safely. Officer Melvin swept the route back to Albuquerque to make sure there were no riders left behind.
- On May 4, a 59-year-old woman and her husband were hiking on the Tree Springs trail. They were hit by heavy rain and hail when they got about three miles up the mountain. They turned around but the female fell and broke her ankle about two miles from the trail head. The Bernalillo County Fire Department contacted Open Space Search and Rescue for assistance. Open Space Search and Rescue and Albuquerque Mountain Rescue Council (AMRC) hiked to the patient and safely carried

her down the mountain.

- On May 14 and 15, Open Space Search and Rescue assisted in the search for a 24-year-old missing person in the Sandia Mountains. After conducting an extensive area search the first day, Search and Rescue team members met with Bernalillo County Sheriff's Office detectives to conduct a profile analysis and terrain assessment. Officers were able to narrow down several high areas of probability to search the second day. On May 15, Search and Rescue and Albuquerque Mountain Rescue Council (AMRC) team members joined together to conduct a search of these areas. After an exhaustive search, the victim's body was located approximately 300 feet below a cliff face. The joint team spent the next four hours conducting a technical recovery operation.
- On May 17, Open Space Search and Rescue team members responded to a call in the Sandia Mountains. A 63-year-old male subject had hiked up the mountain and gone off trail. He was having trouble breathing and began experiencing chest pains. Officers were able to ascend the mountain and locate him on a steep and rugged outcropping. They treated him for dehydration and shock and waited for advanced medical personnel. Once the Albuquerque Fire Department arrived on scene and ensured he was stable for transport, the subject was loaded in a back country litter and taken off the mountain to an ambulance.
- On May 18 through 21, Officer Melvin attended training with New Mexico State Game and Fish. The training covered how to avoid and investigate attacks by wildlife.

## Office of Emergency Management (OEM)...

- The CABQ Comprehensive Emergency Management Plan is complete. This plan will guide the City of Albuquerque's coordination efforts during emergency and disaster response and recovery actions. The plan will be submitted for mayoral and city council ratification.
- OEM is completing procurement process for more than \$500,000 in improvements to the Emergency Operations Center to be funded almost entirely from grant sources.

### **Prisoner Transport Unit (PTU)...**

- In May, the Prisoner Transport Unit processed 1,120 prisoners through the Prisoner Transport Center. The Albuquerque Police Department arrested 896 prisoners and other law enforcement agencies arrested 224 prisoners. The Prisoner Transport Unit made 211 trips to the Metropolitan Detention Center and accepted two walk-in prisoners at the Metropolitan Detention Center.
- The Albuquerque Police Department/Albuquerque Fire Department Public Inebriant Intervention Program (PIIP) Team continued to work Tuesdays, Thursdays, Fridays and Saturdays for a total of 17 days in the month of May. The PIIP Team made 63 field contacts; 34 public inebriants were transported to Metropolitan Assessment and Treatment Services (MATS), 19 public inebriants were transported by Emergency Medical Support, and ten public inebriants refused services.

### **Homeland Security Division (HSD)...**

- APD now has possession of two portable buildings obtained from the US Department of Defense. Both buildings have been disassembled and are on the contractor's storage lot in El Paso, Texas. Sites at the Southeast Area Command and the Tactical Range are being prepped for the buildings.

### **Metro Court Protection Detail (MCPD)...**

- In May, 65 individuals were remanded by the court and booked; one individual was remanded but bonded out on site; 37 individuals were booked with arrest warrants; 42 other individuals were booked with arrest warrants but bonded out on site; one juvenile warrant was cleared; and 77 misdemeanor and 14 felony warrants were cleared.
- In May, MCPD completed 976 calls for service and self-initiated activities.

### **Special Operations Division...**

- The K-9 Unit assisted the SWAT team with the resolution of four tactical operations. The K-9 Unit also competed in the military working dog competition hosted at Kirtland Air Force Base.
- The K-9 Unit had two apprehensions in May.
- In May, APD's Bomb Squad responded to 13 callouts. APD's SWAT Team was assisted on two occasions and Bernalillo County Sheriff's Office SWAT Team had one assistance.

- On May 11, the Bomb Squad responded to a suspicious item call at the New Mexico Attorney General's Office. A woman walked into the office and placed a large bag on the secretary's desk and ran away. Bomb technicians checked the bag and determined there were no threats inside.
- On May 13, the team responded to suspected dynamite. After inspecting the items, they were determined to be old road flares.
- On May 26, the Bomb Squad responded to a live Vietnam-era military hand grenade filled with smokeless powder and shrapnel. There are currently no suspects for this device.
- There were six SWAT Team activations during May.

### **Metro Traffic Division...**

- In May, the Traffic Unit responded to 399 calls for service and investigated 203 crashes. The unit issued 1,428 citations.
- In May, the unit had 110 driving while intoxicated (DWI) arrests and one drug recognition expert (DRE) arrest.
- In May, the DWI Seizure Unit checked in 91 vehicles; had 419 vehicles on the lot; and returned 21 vehicles to their owners.

### **Investigative Bureau**

#### **Scientific Evidence Division...**

- In May, the Major Crime Scene Team responded to nine call-outs and Field Investigations responded to 1,161 calls for service.
- In May, field investigators completed 797 reports; collected 698 latent fingerprint cards; tagged 402 evidence items, and tagged 446 photograph CDs.
- In May, the Photo Lab worked on 289 cases resulting in 5,049 prints and 335 discs.
- In May, the Evidence, Identification and Disposition Unit supported the following backgrounds; 113 case dispositions, 45 employment, 30 firearms, 122 FBI and 30 CODIS requests. 32 RAP's and photos were distributed, 31 new APD applicants were fingerprinted, 1,695 fingerprints were classified in AFIS and 1,123 new and old arrests were processed into the TIBURON criminal history records.
- In May, the Evidence, Identification, and Disposition Unit received 8,458 evidence items, duplicated 3,364 audio/video recordings and supported 13 pretrial viewings. Efforts to

reduce inventory resulted in 252 items returned to owners; 1,297 items disposed; and \$602 received as auction proceeds. The unit also processed 4,667 case disposition transactions into the evidence history.

- In May, the New Mexico DNA Identification System (NMDIS) received 505 new convicted offender/arrestee DNA samples, with a cumulative total of almost 106,000 collected. 485 samples were analyzed, uploaded, and searched in CODIS, with a cumulative total of almost 99,000 searchable DNA profiles. As a result of these convicted offender/arrestee samples, 33 unsolved cases were matched to convicted offenders/arrestees, five case-to-case matches were made, with a resulting total of 39 investigations being aided.

## Property Crimes Division

### Auto Theft Unit...

- In May, Auto/NITe detectives conducted several VIN Etch Events around the city. Events were held at Cottonwood Mall and at the Public Safety Day at Intel in Rio Rancho. A total of 86 vehicles were etched resulting in almost 100 positive citizen contacts via these community oriented policing events.
- On May 9, Auto/NITe detectives received an electronic tracking signal activation at a local motel. Two suspects were successfully tracked and apprehended. Subsequently a search warrant was obtained and served on the suspect's vehicle allowing for the recovery of city owned property.
- On May 20, Auto/NITe detectives received an electronic tracking signal activation resulting in the arrest of two subjects who were in possession of city owned bait items. The two subjects were repeat property crimes offenders.
- On May 22, Auto/NITe detectives arrested two subjects after they stole a vehicle at a local department store, and then proceeded to burglarize a city owned vehicle. The pair was arrested after an extensive track, which led detectives to the Northwest Area Command. Both subjects attempted to flee on foot and were apprehended after a foot chase. One of the subjects had been arrested twice by Auto/NITe detectives within the last two months.
- On May 23, detectives were advised of a residence in the Southwest Area Command being used to move stolen vehicles. A search warrant was prepared and authorized. Detectives recovered two outstanding stolen vehicles.

- On May 27, Auto/NITe detectives were in the Northeast Area Command and located a vehicle taken in a carjacking approximately an hour earlier. The victim stated that a man walked up to her car and tapped on the glass with the butt stock of a rifle to get her attention. The man then pointed the weapon at her head and demanded she give him her car. The vehicle was pursued and subsequently stopped in the area of Eubank and I-40. The suspect fled on foot leaving the rifle in the vehicle. The suspect was located hiding a short distance away and taken into custody.

### Burglary Unit...

- Detectives were able to arrest two individuals on 147 felony counts in a rash of commercial burglaries that occurred at a local self-storage facility between April 6 and April 20. A total of 81 storage units were burglarized. Detectives identified two male suspects that had been selling the stolen items at a metal recycler and two local pawn shops. Detectives were able to recover a large amount of stolen property including three firearms stolen from one of the units.
- On May 11, field officers took the male driver of a stolen pickup into custody. Detectives were able to link the driver with a residential burglary that occurred in the Northeast Area Command on April 29. Detectives were able to recover some of the victim's stolen property from inside the stolen pickup. A search warrant was obtained for the offender's backpack and stolen property was recovered from it as well.
- On May 18, field officers were dispatched to a possible burglary in progress. Upon arrival, officers found the victim and offender in an adjacent yard. Burglary detectives discovered the victim had caught the offender in his home, chased him on foot, and detained him until police arrived. The suspect was admitted to the hospital for injuries sustained prior to police arrival. Burglary detectives obtained a search warrant for a backpack abandoned by the offender and all stolen property was returned to the victim.
- On May 23, a serial burglar was arrested after he arrived at his apartment in a stolen vehicle with stolen merchandise. A search warrant for his apartment was executed and three guns were seized; one was confirmed to be stolen. Electronics and jewelry were also seized and found to be stolen. A rifle and other confirmed

stolen electronics were located in the recovered stolen vehicle. The offender was arrested for several felony warrants to include aggravated burglary, theft of a firearm, receiving and transferring stolen property, and conspiracy.

### **Organized Retail Crime Unit...**

- On May 6, Organized Retail Crimes, White Collar Crimes, Burglary Units and Southwest Area Command field officers conducted a crime suppression operation at two local retailers. During this operation, detectives observed three offenders steal items from the two stores, stealing significant amounts of makeup and other merchandise. The subjects entered a vehicle and a traffic stop was conducted. The subjects admitted they would sell the stolen items to support their narcotics addiction.
- On May 7, detectives with the Organized Retail Crime Unit, White Collar Crimes Unit, Rio Rancho Police Department and Bernalillo Police Department completed an extensive investigation involving a theft and fencing ring. In May, detectives became aware of the ring after repeated Albuquerque Retail Assets Protection Association (ARAPA) posts of the thefts. Two male offenders would shoplift high priced home and kitchen electronics from large retail stores in Albuquerque and Santa Fe. Expensive vacuum cleaners were a common target during the thefts. The male offenders would then transfer the items to one of three women who would pawn the items at local pawn shops. The main pawn shop they used was given photographs of the suspects taken from the ARAPA website. One offender entered the pawn shop and detectives were immediately contacted. The offender was placed into custody and interviewed. She identified all the members of the ring. Rio Rancho Police assisted in the arrests in their jurisdiction.
- On May 21, detectives with the Organized Retail Crime Unit and Officer McMurrough from the Southwest Area Command were investigating two subjects repeatedly committing thefts at a local retailer. The subjects were actively fencing the stolen items on social media. They primarily targeted cosmetics. The two subjects were identified and felony warrants were obtained. They were subsequently arrested at a residence with the assistance of Southwest Area Command field officers. Another subject in the residence was found to have a felony warrant and was arrested as well.

- On May 21, Detective Santistevan was contacted by a downtown metal recycler in regards to an unusual item an individual attempted to recycle. A transient had entered the business and attempted to sell a rare type of steel. The steel is highly valuable and sells at 25 times the amount of regular scrap steel. The business was concerned about a transient being in possession of the item. Detective Santistevan searched for the subject and found him nearby. The subject was found to have five warrants for his arrest and was booked.

### **White Collar/Financial Crimes Unit...**

- On May 19, a victim co-signed for an apartment for her son. The victim filled out the application with her personal and credit information. The following day, the victim's information was used to purchase items at a retail outlet. Interviews were conducted on the employees at the apartment complex, the credit-check company and at the retail outlet. The location of the breach was identified and all suspects were subsequently identified. One offender admitted to the theft of the credit information and transferring it to another person.
- On May 19, Detective Weber completed a case against a habitual forgery offender. The subject had been arrested by Detective Weber in 2014 for multiple incidents of forgery. The offender admitted to the thefts to support her addiction. The offender repeatedly failed to show for her plea hearings. Felony warrants were issued.

### **Criminal Investigations Division...**

- The Armed Robbery Unit responded to three robbery call-outs and cleared 45 cases this month. Of those 45 cases, 26 were sent to the District Attorney's Office for prosecution. The unit also made three in custody arrests and wrote two arrest warrants. Furthermore, they wrote and conducted 11 search warrants. The Robbery Unit had 23 new cases assigned this month and now has a total 125 active cases.
- The Sex Crimes Unit responded to two sex crime call-outs in May, and cleared 22 cases with six of those going to the District Attorney's Office. The unit also wrote four search warrants and one arrest warrant. There were 26 new cases assigned for investigation in May. The unit currently has 100 active cases.
- The FASTT Unit cleared ten cases in May with one of them going to the District Attorney's

Office. The FASTT Unit reviewed 166 cases this month. The FASTT Unit currently has five active cases.

- There were 88 new runaways/missing persons reported to the Missing Persons Unit this month. The unit cleared 98 total runaways/missing person cases. The unit currently has 126 active cases.
- In May, there was another Crisis Intervention Team (CIT) certification class. APD certified 15 officers in crisis intervention. APD now has 97% of its field officers CIT certified, 407 out of 416.
- Crisis Intervention Unit (CIU) detectives were assigned 25 new cases and closed out 16 cases. The detectives provided 76 training hours and received 90 training hours. They conducted 39 home visits and did 31 home visits with a psychiatrist. The unit had 101 CIU contacts, responded to nine calls for service, and did 27 threat assessments.
- Crisis Outreach and Support Team (COAST) had 106 individuals that they assisted and had 81 referrals to services. They had 27 home visits and had 58 mental health consumers that they assisted.
- The Crimes Against Children Unit (CACU) received 1,149 Children, Youths, and Families Department (CYFD) referrals in May. CACU Detectives were assigned 106 new cases to be investigated. Three search warrants were executed and one arrest warrant was generated.

### Special Investigations Division...

- The Gang Unit was called to assist in the investigation of a homicide. Detectives were informed a female was suspected of having knowledge or involvement in the homicide. The female also had two felony warrants for her arrest. Gang detectives were able to locate her and she was able to give detectives information on the offender in the homicide. Homicide detectives wrote an arrest warrant for the offender and Gang detectives were able to locate him. Detectives took him into custody without incident.
- The Gang Unit was called to assist the Rio Rancho Police Department in the apprehension of a suspect responsible for the homicide of a Rio Rancho Police officer. The suspect was located and, with the assistance of marked patrol vehicles, he was taken into custody. The suspect was turned over to the Rio Rancho Police Department and was later booked.

- On May 14, the Vice Unit conducted a street operation to address prostitutions and narcotics trafficking. The Vice Unit made five arrests for prostitution, four misdemeanor warrants, and one felony warrant arrest.
- On May 27, the Vice Unit conducted an internet operation, which led to the summons of four female suspects for prostitution.
- On May 1, Air5 assisted in the apprehension of two individuals charged with aggravated assault with a deadly weapon in the Foothills Area Command. The subjects fled on foot and officers on the ground were directed to their location by air support.
- On May 11, Air5 assisted in the recovery of an APD sergeant's personal vehicle taken from his residence on April 29, 2015. The pickup truck was tracked through three area commands often times traveling at a high rate of speed. The vehicle came to a stop in the Valley Area Command and Air5 called in field units. Two subjects were taken into custody.
- On May 29, Air5 assisted in the apprehension of an auto thief. A ground unit had located a recently parked stolen vehicle and cleared the area while Air5 watched from above. A few minutes later, a subject was observed entering the vehicle and leaving the parking lot. As units approached the vehicle, it fled. Both units on scene disengaged and Air5 followed the vehicle as it drove recklessly through side streets and parking lots. The vehicle parked in an apartment parking lot and the driver fled on foot. Air5 directed units into the area and the offender was located and arrested. Charges include receiving/transferring a stolen vehicle, auto burglary, receiving/transferring stolen property and aggravated eluding a police officer.

### Real Time Crime Center (RTCC)...

- The Bridge assisted in 2,808 calls for service in May. About 84% of those were intervention from the operators in the Bridge.
- The Crisis Intervention Case Management System, which was developed by the RTCC and now has more than 3,000 cases, was utilized 2,221 times in May. About 40% of the calls worked were suicide, mental health or domestic disturbance calls. The video network was also utilized 402 times.
- The Video Unit produced and delivered 21 episodes of The Daily 49 in May. The Daily 49 episodes provided important information regarding multiple suspects wanted for a variety

of crimes – such as commercial and residential burglary, auto burglary, auto theft, armed robbery and homicide.

## Professional Accountability Bureau Communications Division...

- The APD Emergency Communications Center staff answered 82,815 incoming 911 and 242-COPS calls in May. There were 35,818 calls answered for 911 and 46,997 calls answered for 242-COPS. 911 Operators answered 92.88% of the 911 calls within 10 seconds (national standard is 90%, APD standard is 92.0%); operators also answered 93.91% of the 242-COPS calls within 30 seconds (APD goal is 90% answered within 30 seconds).
- One of the Emergency Communications Center dispatchers, Eli Aguilar, coordinated the APD participation in the 2015 Law Enforcement Torch Run for Special Olympics.
- APD's Michelle Nunez was recognized as the New Mexico Telecommunicator of the Year by the state chapter of the Association of Public Safety Communications Officials (APCO) and National Emergency Number Association (NENA) - two international 911 organizations.
- Several telecommunications staff attended the APCO/NENA Conference to receive additional training necessary to maintain their New Mexico Department of Public Safety certifications.

## APD Academy...

- The 113th Cadet Class completed their eighth week of training in the month of May.
- In May, the APD Academy received 451 interest cards; 46 individuals attended City Entrance; 39 attended Saturday testing; and 34 passed to background checks.
- The 2015 department physical assessment and pilot testing for the implementation of a new obstacle course were completed in May.

## Administrative Support Bureau Planning Division...

- In May, Planning Division staff along with a staff member from the City Accounting Division conducted interviews for the vacant Management Analyst I position that will assist with administering more than 40 federal and state grants.
- In May, the Bureau of Justice Assistance conducted an on-site visit for the

2012/2013/2014 Justice Assistance grant.

- In May, the Planning Division submitted legislation (omnibus bill) for 40 federal and state grants for the upcoming fiscal year to Council for approval.

## Central Records Division...

- In May, the Public Information Unit received 887 requests totaling \$6,958.75 in revenue generated from citizen requests/registers.
- In May, the Report Review Unit completed the following: 2,180 Automated Reporting System (ARS) transfers; 743 ARS supplements; 1,017 National Crime Information Center entries; 2,016 accidents; and 2,286 officer calls.
- In May, Court Services completed the following: 124 pretrial hearings scheduled; 259 arraignments processed; 184 felony cases submitted to the District Attorney's Office; and 425 summons submitted to the Metropolitan Court.
- In May, the Alarm Unit collected \$97,450.
- In May, the Telephone Report Unit generated 592 original reports and 181 supplemental reports. This resulted in a savings of 2,009.8 hours of field services time and a monetary saving of \$30,920.
- In May, the Telephone Report Unit processed 519 on-line (Cop Logic) reports resulting in a savings of 1,333.8 hours of field services time and a monetary savings of \$20,520.
- In May, the Inspection of Public Records (IPRA) Unit closed 88 IPRA requests and collected \$2,849.50 in revenue.

Year-To-Date Comparison

Monthly Comparison

3-Month Comparison

% change is based upon the 2015 time-frame compared to the average of the previous 3 years for the same time-frame. The blue represents numbers that are highly statistically significant. It denotes that there were less than average incidents of the particular crime. The amount is over 2 standard deviations away from the mean (toward the far outer portion of the tails of a bell-shaped curve). The yellow represents numbers that are highly statistically significant. It denotes that there were more than average incidents of the particular crime. The amount is over 2 standard deviations away from the mean (toward the far outer portion of the tails of a bell-shaped curve). This data was prepared by the Crime Analysis Unit of the Real Time Crime Center. Contact Sarah Masek at 768-4822 or smasek@cabq.gov for further information or questions.
