Data Collection

For the 2020 1st Quarter Report, data from the 1st quarter 2020 was pulled from the data warehouse. The data was filtered to include only cases with an Incident Type of "IA Investigation". The data included, but was not limited to file number, case number, received date, completion date, allegation, directive, finding, action taken, incident division (area command), incident section (assignment), officer name and rank.

To determine the number of cases received in the 1st quarter, the data was filtered to only include cases with a receive date within the quarter; received between 2020-01-01 and 2020-03-31. This data was also used to determine the incident division, allegation, directive (SOPs violated) and number of employees involved and their ranks.

To determine the number of cases completed in the 1st quarter, the data was filtered to only include cases with a completed date within the quarter; completed between 2020-01-01 and 2020-03-31. This data was also used to gather statistics on case findings and actions taken.

To determine the number of cases pending, the data was filtered according to both the received and the completed dates. Receive date was set before 2020-03-31, and the completed date was set after 2020-03-31. Pending data includes uncompleted cases from the previous quarter, and those received during the quarter, but not completed as of the end of the quarter.

Each quarter the data for the preceding quarter(s) is recalculated to ensure that the data is being reported as accurately as possible at the time each report is produced.

When F lost sight of C he drew his firearm to a depressed low ready, and moved to the rear of his unit, immediately gave commands to get on the ground, and once F was able to see both hands were clear and no obvious weapons in C's waist band he transitioned to Taser. F continued giving commands to get on the ground and C continued to be uncooperative. F transitioned to warnings that he would be Tased and C continued to be uncooperative even after acknowledging he understood the instructions. A final warning was given and the Taser was deployed.
