 - a. Motion to approve, seconded – approved
6. Presentation – Safe City Strike Force – Speaker: Angelo Metzgar
 - a. Topics: transient population/ homeless camps, Sahara Hotel, nuisance properties
 - i. A lot of properties that are a nuisance to the neighborhood are not usually in the best condition. We use the uniform housing ordinance the most at the moment. Homeowners of nuisance properties get a certain amount of time to get the property into compliance, if the property is found to be sub-standard, we work to get the people out of the property.
 - ii. Oct 8th finance meeting about changes to the uniform housing ordinance
 - iii. When dealing with the homeless camps the first thing we do is offer resources, working closely with COAST and offering resource cards.
 - b. Q and A
 - i. La Mesa community – abandoned properties secure
 - ii. Land banking for abandoned properties- get possession of property and get it to a wholesaler who will rehab it and get it back on the market
